

City of Glendale Council Budget Workshop & Executive Session Agenda

February 28, 2012 – 1:30 p.m.

Workshop meetings are telecast live at 1:30 p.m. on the first and third Tuesday of the month. Repeat broadcasts are telecast the first and third week of the month – Wednesday at 3:00 p.m., Thursday at 1:00 p.m., Friday at 8:30 a.m., Saturday at 2:00 p.m., Sunday at 9:00 a.m. and Monday at 2:00 p.m. on Glendale Channel 11.

Welcome!

We are glad you have chosen to attend this City Council workshop. We hope you enjoy listening to this informative discussion. At these "study" sessions, the Council has the opportunity to review and discuss important issues, staff projects and future Council meeting agenda items. Staff is present to answer Council questions. Members of the audience may also be asked by the Council to provide input.

Form of Government

Glendale follows a Council-Manager form of government. Legislative policy is set by the elected City Council and administered by the Council-appointed City Manager.

The City Council consists of a Mayor and six Councilmembers. The Mayor is elected every four years by voters city-wide. Councilmembers hold four-year terms with three seats decided every two years. Each of the six Councilmembers represent one of the six electoral districts and are elected by the voters of their respective districts (see map on back).

Workshop Schedule

Council workshops are held on the first and third Tuesday of each month at 1:30 p.m. in the Council Chambers of the Glendale Municipal Office Complex, 5850 W. Glendale Avenue, Room B-3, lower level. The exact dates of workshops are scheduled by the City Council at formal Council meetings. The workshop agenda is posted at least 24 hours in advance.

Agendas may be obtained after 4:00 p.m. on the Friday before a Council meeting, at the City Clerk's Office in the Municipal Complex. The agenda and supporting documents are posted to the city's Internet web site, www.glendaleaz.com.

Executive Session Schedule

Council may convene in "Executive Session" to receive legal advice and discuss land acquisitions, personnel issues, and appointments to boards and commissions. As provided by state statute, this session is closed to the public.

Questions or Comments

If you have any questions or comments about workshop agenda items or your city government, please call the City Manager's Office at (623) 930-2870.

If you have a concern you would like to discuss with your District Councilmember, please call (623) 930-2249, Monday - Friday, 8:00 a.m. – 5:00 p.m.

Public Rules of Conduct

The presiding officer shall keep control of the meeting and require the speakers and audience to refrain from abusive or profane remarks, disruptive outbursts, applause, protests, or other conduct which disrupts or interferes with the orderly conduct of the business of the meeting. Personal attacks on Councilmembers, city staff, or members of the public are not allowed. Engaging in such conduct, and failing to cease such conduct upon request of the presiding officer will be grounds for removal of any disruptive person from the meeting room, at the direction of the presiding officer.

Citizen Participation

The City Council does not take official action during workshop sessions; therefore, audience comments on agenda items are made only at the request of the presiding officer.

**** For special accommodations or interpreter assistance, please contact the City Manager's Office at (623) 930-2870 at least one business day prior to this meeting. TDD (623) 930-2197.**

**** Para acomodacion especial o traductor de español, por favor llame a la oficina del adminsitrador del ayuntamiento de Glendale, al (623) 930-2870 un día hábil antes de la fecha de la junta.**

Councilmembers

Norma S. Alvarez - Ocotillo District
H. Philip Lieberman - Cactus District
Manuel D. Martinez - Cholla District
Joyce V. Clark - Yucca District
Yvonne J. Knaack – Barrel District

MAYOR ELAINE M. SCRUGGS

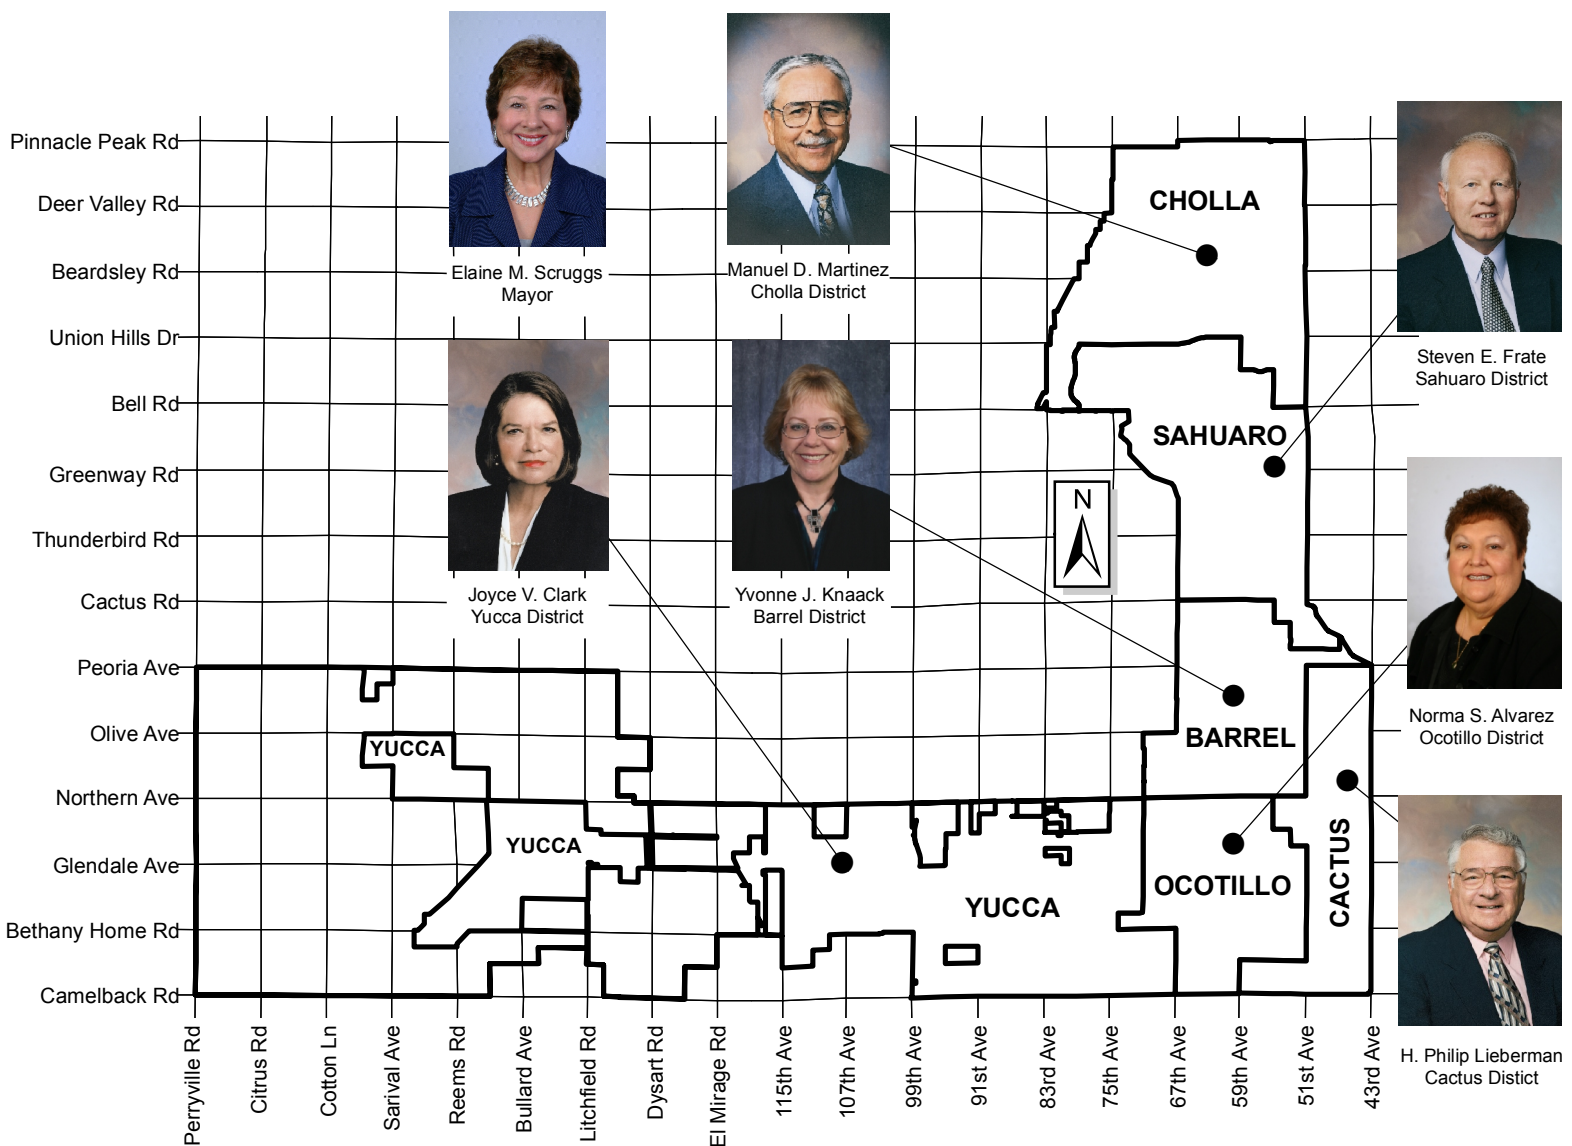

Vice Mayor Steven E. Frate - Sahuaro District

Appointed City Staff

Ed Beasley – City Manager
Craig Tindall – City Attorney
Pamela Hanna – City Clerk
Elizabeth Finn – City Judge

Council District Boundaries

GLENDALE CITY COUNCIL SPECIAL BUDGET WORKSHOP SESSION
Council Chambers
5850 West Glendale Avenue
February 28, 2012
1:30 p.m.

WORKSHOP SESSION

1. 3RD BUDGET WORKSHOP

PRESENTED BY: Sherry M. Schurhammer, Executive Director, Financial Services
Department

CITY MANAGER'S REPORT

This report allows the City Manager to update the City Council about issues raised by the public during Business from the Floor at previous Council meetings or to provide Council with a response to inquiries raised at previous meetings by Council members. The City Council may only acknowledge the contents to this report and is prohibited by state law from discussing or acting on any of the items presented by the City Manager since they are not itemized on the Council Workshop Agenda.

EXECUTIVE SESSION

1. LEGAL MATTERS

A. The City Council will meet with the City Attorney for legal advice, discussion and consultation regarding the city's position in pending and contemplated litigation, including settlement discussions conducted in order to avoid or resolve litigation. (A.R.S. § 38-431.03(A)(3)(4))

2. LEGAL MATTERS – PROPERTY & CONTRACTS

A. Discussion and consultation with the City Attorney and City Manager to receive an update, consider its position and provide instruction and direction to the City Attorney and City Manager regarding Glendale's position in connection with

agreements associated with the Arena and the Hockey Team, which are the subject of negotiations. (A.R.S. § 38-431.03(A)(3)(4)(7))

Upon a public majority vote of a quorum of the City Council, the Council may hold an executive session, which will not be open to the public, regarding any item listed on the agenda but only for the following purposes:

- (i) discussion or consideration of personnel matters (A.R.S. §38-431.03 (A)(1));
- (ii) discussion or consideration of records exempt by law from public inspection (A.R.S. §38-431.03 (A)(2));
- (iii) discussion or consultation for legal advice with the city's attorneys (A.R.S. §38-431.03 (A)(3));
- (iv) discussion or consultation with the city's attorneys regarding the city's position regarding contracts that are the subject of negotiations, in pending or contemplated litigation, or in settlement discussions conducted in order to avoid or resolve litigation (A.R.S. §38-431.03 (A)(4));
- (v) discussion or consultation with designated representatives of the city in order to consider its position and instruct its representatives regarding negotiations with employee organizations (A.R.S. §38-431.03 (A)(5)); or
- (vi) discussing or consulting with designated representatives of the city in order to consider its position and instruct its representatives regarding negotiations for the purchase, sale or lease of real property (A.R.S. §38-431.03 (A)(7)).

Confidentiality Requirements Pursuant to A.R.S. §38-431.03 (C)(D): Any person receiving executive session information pursuant to A.R.S. §38-431.02 shall not disclose that information except to the Attorney General or County Attorney by agreement of the City Council, or as otherwise ordered by a court of competent jurisdiction.

CITY OF GLENDALE

Council Communication

Workshop Agenda

02/28/2012

TO: Honorable Mayor and City Council

FROM: Ed Beasley, City Manager

PRESENTED BY: Sherry M. Schurhammer, Executive Director, Financial Services
Department

SUBJECT: **3rd BUDGET WORKSHOP**

Purpose

This is a request for City Council to review the material presented in the budget workbook. Today's workshop will cover the following:

- Financial Services, pages 232 – 254;
- Parks, Recreation, and Library, pages 294 – 352;
- Communications, pages 162 – 196;
- Development Services (Building Safety, Code Compliance, Community Development Admin and Planning) pages 204 – 220
- Neighborhood & Human Services, pages 269 – 293;
- City Clerk, pages 134 – 142;
- City Court, pages 143 – 156;
- City Attorney, pages 129 – 133;
- City Manager, pages 157 – 161;
- Police Department, pages 26 – 48;
- Fire Department, pages 49 – 75;
- Public Works Department (Street Maintenance, Landfill, Sanitation, and GRPSTC Facility Maintenance) pages 76 – 85;
- Transportation Services (Transportation, Airport) pages 86 – 103;
- Water Services (Environmental Resources, Utilities), pages 104 – 125; and
- Human Resources and Compensation, pages 255 – 263

Background

In response to Council's request for more time to review the city's budget, five budget workshops have been scheduled for February and March 2012. Additional workshops will be scheduled if needed.

The material to be reviewed at the budget workshops is contained in the budget workbook that was posted with today's meeting agenda.

The City Council budget workbook was prepared to facilitate Council's review of the operating budgets for city departments. A detailed explanation of the budget workbook that is labeled "Budget Workbook Material – Explanation" is included in the workbook.

Please note that the budget workbook materials include a draft FY 2013 budget for each department. Any revisions to departmental operating budgets agreed upon by Council during its review will be incorporated. After that review is completed, we will return with a revised FY 2013 budget and a proposed balancing plan for the GF.

Previous Council/Staff Actions

The 2nd budget workshop occurred on February 21, 2012.

The 1st budget workshop occurred on February 14, 2012.

At the January 10, 2012 Council meeting, an ordinance was adopted authorizing the refunding/restructuring of outstanding water/sewer revenue obligations and Municipal Property Corporation (MPC) excise tax revenue bonds and authorizing the issuance of these bonds in an amount not to exceed \$99 million and \$70 million respectively.

At the January 3, 2012 Council workshop, staff presented the debt management plan and options related to refinancing outstanding MPC debt and refunding outstanding water/sewer debt.

Community Benefit

Glendale's budget is an important financial, planning and public communication tool. It gives residents and businesses a clear and concise view of the city's direction for public services, operations and capital facilities and equipment. It also provides the community with a better understanding of the city's ongoing needs for stable revenue sources to fund public services, ongoing operations and capital facilities and equipment.

The budget provides Council, residents and businesses with a means to evaluate the city's financial stability.

Public Input

The material to be reviewed at the budget workshops is contained in the budget workbook that was posted with today's meeting agenda.

Policy Guidance

Today's workshop is for information only. Decisions on the FY 2012-13 budget will not be requested until a later date.

1. FY 2013 Budget Workbook

GLENDALE CITY COUNCIL

FY 2013 BUDGET WORKBOOK

**Council Chambers
Workshop Room
Dates/Times Posted Online**

**Workbook Created By:
Financial Services Department,
Budget & Research Division**

Budget Workbook Material – Explanation

This budget workbook is divided into three sections as explained below.

Tab 1 – Priority Services Summary

This section displays the following information:

- **Page 1.** Pie chart, all funds – FY13 Draft Operating Budget.

The chart distinguishes between the individual priority services and the remaining services.

- **Page 2.** Pie chart, General Fund, including Highway User Revenue Fee Fund (HURF) – FY13 Draft Operating Budget.

The chart distinguishes between the individual priority services and the remaining services.

- **Pages 2-7.** Pie charts summarizing all funding sources for each priority service.

Each pie chart is accompanied by a table showing the dollar amount and percent of each funding source plus the FTE count by funding source.

- **Page 8.** Two tables, one for all funds and one for the GF, provide the FY 2013 draft budget breakdown for the A6000, A7000, and A7500 series as well as the FTE count. Each priority service is identified separately. The remaining services are shown as a whole.

Priority services, as identified by City Council, are police and fire, transportation, water/sewer and sanitation/landfill services.

All other city services are categorized as “remaining departments.”

A6000 series covers salaries and benefits.

A7000 series covers all other expenses except those in the A7500 series.

A7500 series covers premiums for the workers compensation and risk management trust funds, technology and vehicle replacement funds, and the telephone fund, lease payments, bond payments, and indirect cost allocation)

Tab 2 – Remaining Departments Summary

This section displays the following information:

- **Page 9.** Pie chart, all funds – FY13 Draft Operating Budget.

The chart distinguishes between the individual remaining departments and the priority departments.

- **Page 10.** Pie chart, General Fund, including Highway User Revenue Fee Fund (HURF) – FY13 Draft Operating Budget.

The chart distinguishes between the individual remaining departments and the priority departments.

- **Pages 11-20.** Pie charts summarizing all funding sources for each of the remaining departments. If a department has only one funding source, then a pie chart was not created. Instead, you will see those departments are summarized on one page.

Each pie chart is accompanied by a table showing the dollar amount and percent of each funding source plus the FTE count by funding source.

- **Pages 21-22.** Two tables, one for all funds and one for the GF, provide the FY 2013 draft budget breakdown for the A6000, A7000, and A7500 series as well as the FTE count. Each remaining department is identified separately. The priority departments are shown as a whole.

Tab 3 – Cost of Service

Each department is presented individually in this section with the following information.

- **FTEs.** Ten-year history of the FTE count with each year's FTE count based on the adopted budget (as of July 1 each FY) and reflected in Schedule 6 of each year's annual budget document. The FY 2013 draft budget FTE count also is shown.

The FTE count represents all City Council authorized positions, full-time and part-time, for regular city employees. That means any temporary/contractual employees, such as seasonal workers and grant-funded workers, are excluded from this FTE count because their time with the city is limited in duration.

- **Budget Dollars.** Salaries and benefits (the A6000 series) and non-salary (the A7000 series) are shown separately by fund, and within each fund, by division.

Note: The A7500 series is not included. The A7500 series covers premiums for the workers compensation and risk management trust funds, technology and vehicle replacement funds, and the telephone fund, lease payments, bond payments, and indirect cost allocation)

FY 2008 thru FY 2011 reflects actual expenditures.

FY 2012 reflects the adopted budget.

FY 2013 reflects the FY 2013 draft budget. Please note the following about the salaries and benefits figures.

As has been done in the past with the draft budget presented to City Council, furloughs and public safety MOU-related deferrals, are excluded from the salaries and benefits dollar amounts. Therefore you will see an adjustment to the A6000 series on the Cost of Service worksheets for several departments to tie to the FY 2013 draft budget.

- **Cost of Service worksheets.** The cost of service worksheets are tied to the FY 2012 adopted budget amounts. The FTE counts also should tie to the FY 2012 adopted budget figure.

Since the start of FY 2012, some GF positions have been eliminated to reach the goal of an additional 64 FTE reduction that was part of the FY 2012 budget balancing plan. Therefore you will see an adjustment to the FTE number on the Cost of Service worksheets for several departments to tie to the FY 2013 draft budget.

MEMORANDUM

DATE: February 7, 2012

TO: Mayor and Council

FROM: Horatio Skeete, Assistant City Manager

SUBJECT: CITY COUNCIL REVIEW OF DEPARTMENTS' OPERATING BUDGETS

This memo explains the overall strategy, and the specific measures that are a part of it, that guided the balancing plans for the city's General Fund (GF) operating budget since fiscal year (FY) 2009. This memo serves as the introduction to the City Council budget workbook prepared to facilitate Council's review of the operating budgets for city departments. A detailed explanation of the budget workbook sections is provided in a separate document labeled "Budget Workbook Material – Explanation."

Please note that the budget workbook materials include a draft FY 2013 budget for each department. Any revisions to departmental operating budgets agreed upon by Council during its review will be incorporated. After that review is completed, we will return with a revised FY 2013 budget and a proposed balancing plan for the GF.

INTRODUCTION

Over the past few years the principal issue for the city's operating budget has been the impact of the recent recession on the city's resources to fund services to the community and the city's capital plan. Arizona was substantially impacted by the recession as evidenced by the 35 consecutive months of year-over-year job losses that ended only in January 2011 and the unprecedented declines in property values. Economists in Arizona continue to predict that economic recovery will be a gradual, but progressive, improvement over an extended period of time.

The result of the economic conditions that prevailed in Arizona for the past few years is most evident in the major sources of operating budget revenue for the GF, the city's largest fund for operations. Ongoing operating revenue for the GF peaked in FY 2008 at \$184.2 million. The FY 2012 budget of \$142.6 million is \$41.6 million or 22.6% less than the peak.

To address the 22.6% decline in GF ongoing operating revenue, the city undertook a multi-pronged strategy to balance Council's desire to continue providing high quality services for the community while adjusting operations to constrained resources. Before a review of the city's

operating budget is undertaken, it is important to understand this strategy and the outcomes that are a result of it.

GF Operating Budget Strategy to Address Diminished GF Operating Revenues

The two principal strategies used FY 2009 through FY 2012 were streamlining service delivery and using GF fund balance to offset GF deficits. Therefore the operating budget strategy for the GF, the city's biggest operating fund, has been based on a strategic, business-based approach that was phased in over time. This strategy has sustained those services the Council identified as a priority, such as health and safety-related programs like the emergency response services provided by the Police and Fire Departments. This strategy also ensured the smooth operation of the overall organization and minimized, to the extent possible, reductions to other important services. As a result of this strategy, FY 2012 is the fourth consecutive year of GF operating budget reductions, as explained later in this memo.

This strategy was confirmed by citizen input gathered during three community-wide public meetings in March 2010. The phased aspect of the strategy was appropriate because it took the city through several steps designed to attain a balanced annual budget, as required by state law, while not severely diminishing the valuable, high quality services provided to the community. This strategy was expected to take us through a few fiscal years – the usual cycle for economic downturns – until sustained growth in retail sales, income taxes and other critical revenue sources returned.

This strategy resulted in a mix of ongoing and one-time measures each FY to balance GF ongoing operating expenses, including transfers, against GF ongoing operating revenues. Ongoing measures included the following steps:

- **FTE reductions.** Approximately 75% of the GF operating budget in any FY is attributable to the costs of salary and benefits for staff. This is not surprising given that the GF funds most city operations and the city is a service organization focused on providing high quality services to the community. Unlike other valley cities, Glendale avoided large-scale layoffs because it eliminated positions through attrition.

Through January 18, 2012, a total of 273 FTEs in the GF were eliminated. This is an 18% reduction in GF staffing from the FY 2009 peak level of 1,501 FTEs. GF staffing as of January 18, 2012, is 1,228 FTEs. These reductions were the result of service changes that are discussed below in the “base budget reductions” section.

- **Contractual/temporary/seasonal employee reductions.** With the onset of the recession the city implemented reductions to contractual and temporary positions that were expected to generate savings of \$1.3M, as noted in the meeting minutes for the March 24, 2009 budget workshop. These savings were realized as departmental operating budgets were reduced and the use of contractual/temporary employees diminished. Nevertheless, this kind of employment arrangement continues to be used on a limited basis in some city departments because it is the more economical and effective approach to fulfill important service needs.

For FY 2011, there were 771 temporary employees used at some point during the 12 month period – the duration could have been as short as one shift or as long as multiple shifts over several days or weeks. Out of that total, just over half (389) were associated with public safety personnel from other agencies working at one or more University of Phoenix stadium events. This arrangement is in line with the public safety security contract the city has with the Arizona Sports and Tourism Authority and for which the city receives partial reimbursement.

Another 301 were used in the Parks, Recreation, and Library Department to address seasonal needs primarily related to aquatics, special interest classes, and specialized sports and recreation activities. The remaining balance of 81 was scattered among grant programs requiring staff for a limited duration, such as those grant-funded services related to domestic violence prevention, housing assistance and community development block grant projects; the Transportation Department (Dial-A-Ride, transportation safety education, etc), the city court (pro-tem judges, clerks, etc), and the Utilities Department.

The city also uses temporary agency personnel to fill in for regular employees out on vacation or extended sick leave (e.g., sanitation collection) or to fill an unskilled labor need such as the sorting of recyclables at the city's recycling facility, the MRF.

- **Base budget reductions.** Directly tied to the 18% GF staffing reduction, and the corresponding reduction in salary budgets, has been the reduction of departmental non-salary budgets. The city's strategic, business-based budget strategy necessarily included an evaluation of city programs and services. They were evaluated in light of Council's priority services, the needs of residents, the current demand for different services and the resources available to support their costs. Some examples of the situations evaluated are provided below.
 - Programs that were not paying for themselves or had low participation rates were evaluated for reduction or elimination. Examples include the closure of the Ironwood and the GCC pools for public swimming due to the high operating costs associated with limited use.
 - Services for which demand had diminished, and an uptick in demand was not expected, were identified for adjustment. Examples include the downturn in demand for development-related services and the corresponding reductions implemented in the Building Safety, Engineering and Planning Departments.
 - Hours of operation for some facilities were evaluated for adjustment during slower times of the day. Low-use operating hours at the city libraries and the adult center were eliminated while high-use operating hours were retained.
 - Activities offered by other organizations in the community were evaluated for elimination and low-use and/or high cost facilities were evaluated for closure.

Youth sports leagues and some special interest classes were eliminated given that other community organizations offer the same or similar programs.

- **Restructuring of GF lease and Municipal Property Corporation (MPC) debt service.** The FY 2012 MPC debt service of \$21.4M and it is paid primarily from the GF; this \$21.4M in MPC debt service represents 13% of the FY 2012 GF adopted operating and transfer budget of \$164M. Over the past 12 months staff has been exploring refinancing options for the city's lease and MPC debt in an effort to defer debt service payments made from the GF operating budget.

On May 24, 2011, Council adopted a resolution authorizing the refinancing of various leases paid out of the GF operating budget. This refinancing was completed in June 2011 and resulted in FY 2012 cash flow savings of \$6.6M. This cash flow savings allows us the opportunity to defer these payments to a later year and give us some immediate relief. Two bond restructurings also were completed in January 2012 providing annual cash flow savings of \$4.4M for the GF and \$2.5M for the water/sewer fund over the next few FYs.

- **Innovate initiative.** One critical element of the city's budget strategy that deserves recognition is the city's Innovate Program that commenced in FY 2009. This internal process improvement program is directly tied to the budget process and the city's strategic business model.

The Innovate Program provides the organization with access to a team of internal staff that has been trained in process improvement methods for the purpose of examining business activities and identifying opportunities to increase effectiveness (adding value) and efficiency (maximizing resources). The program also provides an opportunity for employees to get involved through a dedicated method to submit suggestions, a chance to become project facilitators, and the ability to re-design processes. In addition to the official projects that the Innovate team has completed, departments that have been introduced to the Innovate tools have used the process improvement concepts to further enhance business practices.

Since its implementation, the program has continued to adapt to the needs of the organization and has helped departments achieve increased capacity with existing resources. Through the Innovate Program employees have been, and continue to be, actively engaged in making business-based recommendations for adjustments that help us in balancing the budget.

- **Transfer reductions.** The GF supports a number of other special operating funds within the city. The amount of support varies year to year based on projected revenue for the supported funds and the debt service schedules for the Municipal Property Corporation (MPC). Several of the transfers are required because of the terms of issued bonds or other signed contracts; others are more discretionary. Required items include the transfers for MPC debt service, public housing operations, the community action program, the transportation sales tax program and arena and stadium event operations.

Discretionary transfers include those for the airport, civic center, and marketing special events.

The discretionary transfers were evaluated and reductions were made in cases where the receiving fund was healthy enough to sustain operations without significantly diminishing services. For example, the GF transfer to the Marketing Special Events Fund (Fund 1870), which addresses the revenue and expenses associated with the city's downtown marquee events like Glendale Glitter and Glow and the Chocolate Affaire, was \$882K in the FY 2008 adopted budget. That GF transfer was reduced to \$645K in the FY 2010 adopted budget and reduced again to \$320K in the FY 2012 adopted budget.

- **Revenue opportunities.** In conjunction with the various expenditure reduction measures that have been implemented, efforts to enhance revenue opportunities and cost recovery were pursued. Some examples are provided in the bulleted list below.
 - Implementation of a parking fee for use of the city's parking garages during the city's special events held in the downtown area; and
 - Implementation of a transaction fee for pawn shops and second-hand stores to reflect the cost of complying with state requirements to report certain transactions to local police.

The GF operating budget strategy also involved one-time measures. Those one-time measures included the following:

- **Furloughs and MOU pay-related pay.** The furlough program was initially implemented on a voluntary basis during FY 2009. The City of Glendale employees deserve recognition and praise for taking a mandatory 5% pay reduction (furloughs) to help the city balance the FY 2010 and FY 2011 budgets. For FY 2012, the furlough was reduced to 2.5% of pay.

Similarly, the City of Glendale's represented employees deserve recognition and praise for stepping forward by forgoing a similar amount of pay and benefits for the FY 2010 and FY 2011 budgets. For FY 2012, they were cut in half, similar to the furloughs for all other city employees.

- **Fund balance reductions.** As noted in the City Manager's budget message included in the FY 2012 budget workbook (for the March 2011 budget workshops) and the FY 2012 adopted budget, the City of Glendale established a healthy GF fund balance after the 2001 recession. This was done through prudent financial management over several years. This healthy fund balance was established to strengthen the overall financial position of the city and to serve as a rainy day fund if revenues fluctuate or decline from budgeted planned levels. This approach resulted in the development of a robust reserve totaling \$72.5M (CAFR-basis) at the end of FY 2006.

With the onset of the recession in FY 2009, revenues began declining significantly. The use of fund balance during challenging economic cycles is a legitimate, generally accepted and widely-used course of action for state and local government across the United States. This approach is commonly used to avoid drastic service reductions when sensitive ongoing revenues fluctuate.

Over the course of the most recent recession, the GF fund balance (CAFR-basis) has been drawn down to \$11.7M by the end of FY 2011 with the FY 2011 draw down being \$27.2M. This course of action allowed Glendale to continue providing high quality city services during the recession. The alternative would have been severe ongoing reductions to city services, including core services, to match the \$41.6 million or 22.6% decline in GF ongoing revenue sources discussed earlier in this message.

- **Replacement fund contribution reductions.** The technology and vehicle replacement funds reflect a best practice for managing the replacement costs of essential equipment and software needed for operations. The types of equipment and software covered by the replacement funds include servers, desk-top computers, printers, network equipment, business software systems such as PeopleSoft, police and fire emergency response vehicles, and other rolling stock needed to deliver city services such as building, engineering and code compliance inspections, traffic light repairs, street repairs, etc.

To help balance the GF operating budget, the GF contributions to both funds were reduced to the 75% level in FY 2009, the 50% level in FY 2010 and FY 2011 and the 40% level for FY 2012. To manage this funding reduction, the city's fleet of cars was reduced, a motor pool was created, the useful lives of non-public safety GF equipment are extended and computers are not replaced unless they malfunction. While the impact of this reduced funding has been mitigated on a short-term basis by the reduction in staffing, aging and outdated equipment will need to be replaced. A return to full funding is needed to ensure these funds remain healthy to support operational needs including two major system upgrades (PeopleSoft and Hansen) in the next three years.

GF Operating Budget Strategy for the Future

It was stated earlier in this memo that the GF operating budget strategy implemented during the last recession was expected to take us through a few fiscal years, the usual cycle for economic downturns. It was expected to be in place until sustained growth in retail sales, income taxes and other critical revenue sources returned. The reality is that a return to the level of growth in GF ongoing revenue that the city experienced between FY 2002 (after the recession related to the September 2001 terrorist attacks) and FY 2008 (when the last recession started) – the average annual growth rate was a robust 8% – is not reasonable to expect in the next few years given the breadth of the last recession.

Therefore, we need to evaluate the options for funding GF ongoing operations in the future. This issue will be addressed after City Council completes its detailed review of the current GF operating budget and those operating budgets housed in the enterprise funds and the designated

sales tax funds. After that review is completed, we will return with a revised FY 2013 budget and a proposed balancing plan.

In the meantime, we do know three essential elements of the GF operating budget strategy for the future. The **first element** is a commitment to a gradual rebuilding of the GF fund balance to a more healthy level. To facilitate the commitment to a gradual rebuilding of the GF fund balance, it is essential that at least 50% of any GF revenue growth be committed to this important measure. The remaining 50% could be programmed the following FY as one-time expenditures or dedicated to supplementing funds for deficient areas of operation such as technology.

This element is an essential first step in the GF operating budget strategy for the future. The declining GF fund balance led to a downgrade in the city's bond rating in January 2012; other valley cities also have been downgraded given the recession's deep impact on Arizona. Included in the credit reports that the rating agencies issued for Glendale was language regarding the drawdown of the GF fund balance. The downgrade is a signal that we must begin rebuilding the city's GF fund balance.

The **second element** of the GF operating budget strategy for the future is a continuation of debt service restructuring. We will continue to capitalize on advantageous market conditions as they arise to maximize cash flow and net present value savings. Additional opportunities to restructure MPC and Public Facilities Corporation (PFC) debt service will be evaluated on an ongoing basis.

The **third element** is the continued evaluation of departmental operations to identify opportunities to increase effectiveness (adding value) and efficiency (maximizing resources). The elimination of manual and/or duplicative processes frees employees to work on value-added work duties.

It is important to keep these three essential elements of the future's GF operating budget strategy as City Council proceeds with its detailed review of the current operating budget.

CONCLUSION

If you have any questions during your review of the materials, please do not hesitate to contact Horatio Skeete (x2873) or Sherry Schurhammer (x2268).

Fund/Division #: 1000-12110 Division Name: Police Legal Services # of FTEs: 0 A6000: \$0 A7000: \$4,185 TOTAL: \$4,185	SERVICE DESCRIPTION: This funding supports the department's Police Legal Advisor. This office is responsible for legal training and the provision of legal advice for the police department. The salary and benefits cost for the legal advisor are covered in the City Attorney's budget, and the management assistant's salary and benefits are contained in the Police Special Revenue budget (PSST). For organizational purposes, personnel are assigned to the Chief's Office.
	REQUIRED BY LAW/CODE/REG?: No.
	CURRENT PERFORMANCE DATA: Personnel from this office provide annual training to all sworn personnel. They provide regular legal updates. The participate in the provision of weekly training to all personnel when legal issues are involved. They accept service on notices of claims and law suits involving the actions of department employees. They provide advice to officers in the field on legal issues on almost a daily basis.
	REVENUE GENERATION: None.
	SERVICE ALTERNATIVES: Reliance on other personnel in the City Attorney's Office. Contract legal advisor
	IMPACT OF CHANGING SERVICES: It would be difficult for the City Attorney's Office to provide the time and attention necessary to adequately address the PD's needs with out dedicated personnel. Smaller agencies around the valley do use contract legal advisors, but given the size of this department, it would be difficult to rely on such a service. Either alternative may increase liability for the city

Fund/Division #: 1000-12120 Division Name: Police Administration # of FTEs: 17 A6000: \$1,916,002 A7000: \$273,126 TOTAL: \$2,189,128	SERVICE DESCRIPTION: This division is actually the Chief's Office, which includes the chief, the 2 assistant chiefs, administrative support, Professional Standards, the Public Information Office, the Fiscal Management and Planning Unit and the Legal Unit. These personnel provide leadership and direction for the department. Other personnel provide direct support to the Chief and the Assistant Chiefs.
	REQUIRED BY LAW/CODE/REG?: No.
	CURRENT PERFORMANCE DATA: Chief's Office personnel provide leadership and strategic direction for the department. Professional Standards handles investigations of internal/external complaints. Public Information is responsible for responding to media inquires regarding police actions and providing information to the community through the media regarding police efforts and crime prevention. Fiscal Management and Planning track the department's budget, grants, contracts, accreditation efforts, planning, research, inspections, audits and alarm coordination.
	REVENUE GENERATION: The Alarm Coordinator's duties does generate revenue through the collection of false alarm fees. This fiscal year alarm fees have generated \$64,260 through 12/31/11. (Account 1000-01000-439724)
	SERVICE ALTERNATIVES: Responsibility for dealing with the media could be reassigned to Marketing and Communications, however, the workload would require the dedication of two full time personnel from that department. Alarm Coordination could be reassigned to

Finance, but again, the responsibilities would require the dedication of 2 FTEs. There are no reasonable service alternatives for the other responsibilities of this division.

IMPACT OF CHANGING SERVICES:

Possible delays in responding to media inquiries.

<p>Fund/Division #: 1000-12130 Division Name: Central Patrol Bureau</p> <p># of FTEs: 112</p> <p>A6000: \$9,742,591 A7000: \$737,630 TOTAL: \$10,480,221</p>	<p>SERVICE DESCRIPTION: This division is actually the Gateway Patrol Division, which provides patrol services for the south half of the city. Currently there are 139 positions assigned to this patrol division (134 sworn [7 vacant] and 5 civilian personnel [1 vacant] assigned to this division. For budget purposes, a number of these positions are reflected in Patrol - Special Revenue Fund (PSST). There are 12 Patrol Squads, 2 squad of NRS Officers, 1 squad of detectives, 3 CAT; and the division leadership.</p> <p>REQUIRED BY LAW/CODE/REG?: No.</p> <p>CURRENT PERFORMANCE DATA: In 2011, patrol officers responded to over 128,000 calls for service. Officer and detectives made over 7,100 arrests, and were involved in the response to over 34,000 criminal incidents.</p> <p>REVENUE GENERATION: NA</p> <p>SERVICE ALTERNATIVES: MCSO</p> <p>IMPACT OF CHANGING SERVICES: MCSO probably isn't a real alternative given the workload. Reducing the number of personnel assigned to patrol operations will increase the response times to calls for service, and very likely lead to increases in crime.</p>
--	--

<p>Fund/Division #: 1000-12150 Division Name: Crime Investigations</p> <p># of FTEs: 86</p> <p>A6000: \$8,375,651 A7000: \$466,856 TOTAL: \$8,842,507</p>	<p>SERVICE DESCRIPTION: Currently, there are 101.5 positions assigned to the Criminal Investigations Division (76 sworn [7 vacant] and 17.5 civilian [1 vacant]. For budget purposes, a number of these positions are in the Special Revenue Fund (PSST) and the .5 position in covered by RICO. This division investigates crimes and conducts proactive operations. It is organized into 3 units, which include 11 squads.</p> <p>REQUIRED BY LAW/CODE/REG?: No.</p> <p>CURRENT PERFORMANCE DATA: In 2011, patrol officers responded to over 128,000 calls for service. Detectives responded to calls involving more serious crimes. Officer and detectives made over 7,100 arrests, and were involved in the response to over 34,000 criminal incidents. Over 12,000 of these incidents involved some level of investigative follow up. CID personnel provide significant expertise to the investigative process, and this expertise continues through the prosecution of the case.</p> <p>REVENUE GENERATION: NA</p> <p>SERVICE ALTERNATIVES: MCSO</p>
---	---

IMPACT OF CHANGING SERVICES:

A reduction in the number of detectives would result in less cases being solved and less criminal suspects being charged with crimes they commit. Fewer forensics techs would result in missed evidence at crime scenes. Fewer Victims Advocates would result in diminished services for victims of crime.

Fund/Division #: 1000-12160 Division Name: Police Personnel Management # of FTEs: 26 A6000: \$2,528,669 A7000: \$73,500 TOTAL: \$2,602,169	SERVICE DESCRIPTION: This budget division most closely aligns with the department's Administrative Services Division, which includes Training, Health and Safety, GPOC and the Personnel Management Unit. 39 positions are assigned to this division (21 sworn [4 vacant] and 13 civilian [1 vacant]). Personnel Management includes court security, security guards, recruitment/selection, volunteer coordination and DARE. For budget purposes, a number of these positions are reflected in Patrol - Special Revenue Fund (PSST). REQUIRED BY LAW/CODE/REG?: No. CURRENT PERFORMANCE DATA: The Training Unit provides POST-required training for all sworn personnel, weekly training for all personnel, bi-weekly training for all supervisors, and ensures officers maintain proficiency training for firearms, first aid, hazardous materials, etc. Personnel Management handles a variety of duties that are required for the administration of the department. This unit includes the security officers who work at City Hall and GRPSTC. Court officers provide court security, serve certain warrants, court orders and subpoenas. REVENUE GENERATION: NA SERVICE ALTERNATIVES: MCSO IMPACT OF CHANGING SERVICES: Few personnel in training would risk increased liability. Security at the City Court and follow up on city warrants is an essential service. Security at City Hall is an important service. The department could discontinue the DARE/GREAT Program and reassign the 2 remaining officers, but this change would have a negative impact on our community outreach efforts.
---	--

Fund/Division #: 1000-12170 Division Name: Foothills Patrol Bureau # of FTEs: 120 A6000: \$10,742,130 A7000: \$556,240 TOTAL: \$11,298,370	SERVICE DESCRIPTION: The Foothills Patrol Division provides patrol services for the north half of the city. Currently there are 131 positions assigned to this patrol division (121 sworn [4 vacant] and 4 civilian personnel [2 vacant]). These positions are reflected in the Special Revenue Fund (PSST). There are 12 Patrol Squads, 11 Vko 1 squad of detectives, 3 CAT 1 is vacant) and the REQUIRED BY LAW/CODE/REG?: No. CURRENT PERFORMANCE DATA: In 2011, patrol officers responded to over 128,000 calls for service. Officer and detectives made over 7,100 arrests, and were involved in the response to over 34,000 criminal incidents. REVENUE GENERATION:
---	---

NA
SERVICE ALTERNATIVES: MCSO
IMPACT OF CHANGING SERVICES: Reducing the number of personnel assigned to patrol operations will increase the response times to calls for service, and very likely lead to increases in crime.

Fund/Division #: 1000-12180 Division Name: Police Support Services # of FTEs: 25.5 A6000: \$1,550,160 A7000: \$75,172 TOTAL: \$1,625,332	SERVICE DESCRIPTION: This budget division most closely aligns with the department's Technical Services Division, however, a number of the units assigned to this division are reflected separately in the budget (Tow Administration and Detention). TSD actually has 50.5 positions (1 sworn and 49.5 civilians [3 vacancies]). This division is responsible for Records, Detention, Property/Evidence and Fleet Operations.
	REQUIRED BY LAW/CODE/REG?: No.
	CURRENT PERFORMANCE DATA: Records is responsible for data entry on accident and incident reports, report retention and retrieval for court, media and insurance purposes. They also handle tow administration. Detention is responsible for the processing of persons arrested and for the safe incarceration of persons during their time in our detention facility. Property/Evidence is responsible for the safekeeping of property and evidence. Fleet operations is responsible for fleet tracking and maintenance.
	REVENUE GENERATION: Records collects and tracks fees paid by Pawn Shops and Secondhand stores for reporting items they purchase. FY 12 to date - \$81,265 - 1000-01000-450310 - FY 11 - \$122,973 Tow Administration results in revenues. FY 12 to date - \$66,600 (1000-1233-439720), FY 11 - \$129,691 Fingerprints - FY 12 - \$9,345 (1000-01000-439722) - FY 11 - \$8,245
	SERVICE ALTERNATIVES: Trying to outsource records operations would create problems for confidentiality and the integrity of criminal investigations. Detention services could be outsourced to MCSO, but an analysis shows this approach would cost more money and be significantly less efficient.
	IMPACT OF CHANGING SERVICES: Reducing the number of personnel in Records would result in diminished ability to analyze crime, prepare for court, respond to records requests, etc. Fewer Detention officers would create a serious officer safety issue. We could not reduce the number of people involved in Property, Evidence and Fleet.

Fund/Division #: 1000-12210 Division Name: PD - Fiscal Management # of FTEs: 0 A6000: \$0 A7000: \$907,186 TOTAL: \$907,186	SERVICE DESCRIPTION: No personnel are assigned to this budget division. This division does include the budget for a number of expenses that either have department-wide impact or that are spread out through the different divisions of the department.
	REQUIRED BY LAW/CODE/REG?: No.
	CURRENT PERFORMANCE DATA: Cell phone charges (\$155,000); contract security services (\$328,00); uniform related expenses (\$122,000), vest replacement (\$45,000). Rental fees for Advocacy Center (60,000),
	REVENUE GENERATION: NA
	SERVICE ALTERNATIVES: NA
	IMPACT OF CHANGING SERVICES: NA

Fund/Division #: 1000-12215 Division Name: PD - Tow Administration # of FTEs: 1 A6000: \$58,593 A7000: \$700 TOTAL: \$59,293	SERVICE DESCRIPTION: The Tow Administrator is actually part of the Technical Services Division, which is described above. We are required by law to provide hearings for people who have their vehicles impounded under certain circumstances. The Tow Administrator provides these hearings and track vehicle impoundments.
	REQUIRED BY LAW/CODE/REG?: No, but - ARS 28-3513 requires that fees collected be used for the implementing ARS 28-872, which covers vehicle impoundment
	CURRENT PERFORMANCE DATA: FY 11 - 4,112 vehicles impounded, 1,270 involved 30 day seizures, held 840 hearings. FY 12 (To Date) - 1,751 vehicles impounded, 459 involved 30 day seizures, held 400 hearings.
	REVENUE GENERATION: FY 2011 - 1000-12233-439720 - \$129,691 FY 2012 (To date) - 1000-12233-439720 - 66,600
	SERVICE ALTERNATIVES: Given the legal requirement to impound vehicles in certain situations and to provide hearings, there really are no service alternatives.
	IMPACT OF CHANGING SERVICES: NA

Fund/Division #: 1000-12220 Division Name: PD - Detention # of FTEs: 10 A6000: \$622,126 A7000: \$594,707 TOTAL: \$1,216,833	SERVICE DESCRIPTION: Detention is part of the Technical Services Division, which is described above. There are 13 detention officers, 4 detention supervisors. There is 1 vacancy for a detention officer. These personnel staff the detention facility, which processes all persons we arrest, transports them to and from court, to and from the county jail and safeguards inmates during limited stays in the facility. For budget purposes, a number of these positions are reflected in Patrol - Special Revenue Fund (PSST).
	REQUIRED BY LAW/CODE/REG?: No.
	CURRENT PERFORMANCE DATA: Last year, we arrested over 7,100 people. These people were processed (input of arrest information, photos, finger prints). People charged with felonies were transported to the County Jail. People charged with misdemeanors are given an initial appearance before a City Court judge, and either released on their own recognizance, given the opportunity to post bond or held. When we are required to hold people, we transport them to the County Jail. Some people do serve time on weekends. Others are on home incarceration. This unit also handles detention services for Peoria PD under a contract.
	REVENUE GENERATION: The Peoria contract generated \$78,431 last fiscal year, and \$47,028 as of 12/31/11. (Account 1000-01000-455800)
	SERVICE ALTERNATIVES: Allow MCSO to handle all booking and housing of persons arrested.
	IMPACT OF CHANGING SERVICES: Everyone arrested could be transported directly to the County Jail. However, this approach would result in booking and housing fees for each person charged with a misdemeanor in the amount of approximately \$334. We would also incur increased transportation costs. The estimated cost of outsourcing to MCSO is roughly double our current costs.

Fund/Division #: 1000-12230 Division Name: PD - Communications # of FTEs: 30.5 A6000: \$1,959,396 A7000: \$491,006 TOTAL: \$2,450,402	SERVICE DESCRIPTION: Communications is actually part of the Emergency Management Division, which is described in more detail below. There are 39.5 positions (1 vacancy) assigned to Communications. All are civilian employees. There are also a 7 contract employees. These employees answer 911 calls, non-emergency calls for service and handle dispatch operations for the PD.
	REQUIRED BY LAW/CODE/REG?: No.
	CURRENT PERFORMANCE DATA: On an annual basis, the Communications personnel handle 400,000 to 500,000 calls, which resulted in over 128,000 dispatched calls for service this past year.
	REVENUE GENERATION: NA
	SERVICE ALTERNATIVES: There are really no reasonable service alternatives, however, MCSO could potentially provide this service. There radio system may not sufficiently cover the city.
	IMPACT OF CHANGING SERVICES: Communications is currently understaffed resulting in the need for contract employees, overtime (sometimes forced overtime). Further reductions would result in a danger to our community and to our officers.

Fund/Division #: 1000-12232 Division Name: PS Training Ctr - Police # of FTEs: 0 A6000: \$0 A7000: \$577,227 TOTAL: \$577,227	SERVICE DESCRIPTION: This is passthrough funding to Fund 2530. The Fire Department will provide more information regarding GRPSTC operations.
	REQUIRED BY LAW/CODE/REG?: No.
	CURRENT PERFORMANCE DATA: The Training Unit provides POST-required training for all sworn personnel, weekly training for all personnel, bi-weekly training for all supervisors, and ensures officers maintain proficiency training for firearms, first aid, hazardous materials, etc.
	REVENUE GENERATION: Please refer to Fire's Response
	SERVICE ALTERNATIVES: Please refer to Fire's Response
	IMPACT OF CHANGING SERVICES: Please refer to Fire's Response

Fund/Division #: 1000-12233 Division Name: PD - Special Operations # of FTEs: 38 A6000: \$4,008,965 A7000: \$525,390 TOTAL: \$4,534,355	SERVICE DESCRIPTION: The Special Operations Division includes the Special Events Unit, the Traffic Unit and the Emergency Response Unit. 49 positions are assigned to this division (45 sworn [4 vacant] and 4 civilians. For budget purposes some of these positions are shown in other divisions (PD Event Staff, Fiesta Bowl Event, Arena Event Staffing, PSST). This division is responsible for special events, traffic enforcement, accident investigation, and special response to emergencies (SWAT, EOD, Canine).
	REQUIRED BY LAW/CODE/REG?: We do have a current contractual obligation to staff events at the stadium, which we are required by law to honor.
	CURRENT PERFORMANCE DATA: The Special Events Unit develops detailed plans for over 100 special events and handles scheduling, the implementation of the plans, as needed. The PD investigated over 5,000 vehicle collisions this year, and issued over 10,000 citations last year. Motor officers were also involved in these activities. SWAT has been involved in 75 call outs and 13 event-related deployments. EOD have been called out 82 times. Canine officers are involved in calls daily that involve building searches and tracking situations.
	REVENUE GENERATION: Citations issued by the department do, in most cases, result in fines that are paid to the City through City Court.
	SERVICE ALTERNATIVES: MCSO. Shifting all traffic enforcement duties to Patrol. Allow MCSO or DPS to take over stadium operations.
	IMPACT OF CHANGING SERVICES: Fewer motor officers would shift traffic enforcement to patrol, which would decrease neighborhood patrol time and would increase time officers spend handling accidents. Fewer Canine officers would potentially endangering officers. SWAT and EOD expertise are required in some circumstances.

Fund/Division #: 1000-12235 Division Name: PD - Emergency Management # of FTEs: 7 A6000: \$546,769 A7000: \$282,963 TOTAL: \$829,732	SERVICE DESCRIPTION: The Emergency Management Division has 46.5 positions (44.5 civilians [2 vacant]). This division included Emergency Management and Communications, which is described above in PD - Communications.
	REQUIRED BY LAW/CODE/REG?: Yes - (City Code 1963, § 8-3)
	CURRENT PERFORMANCE DATA: Emergency Management personnel are involved in the development of plans for responding to disasters and emergency situations. They also maintain the city's Emergency Operations Center. They are involved in the implementation of every major event in the city. On an annual basis, the Communications personnel handle 400,000 to 500,000 calls, which resulted in over 128,000 dispatched calls for service this past year.
	REVENUE GENERATION: NA
	SERVICE ALTERNATIVES: There are really no reasonable service alternatives.
	IMPACT OF CHANGING SERVICES: Given the level of activity and the investment in the EOC, Emergency Management couldn't operate with fewer personnel. Doing away with Emergency Management would expose us to unacceptable liability. Staffing in Communications is discussed above.

Fund/Division #: 1281-12231 Division Name: Stadium - PD Event Staffing # of FTEs: 2 A6000: \$319,981 A7000: \$1,011,258 TOTAL: \$1,331,239	SERVICE DESCRIPTION: The two positions assigned to this budget division are actually assigned to the Special Operations Division. They handle scheduling for events in the city, including events at the stadium.
	This budget division also includes funds for PD expenses that are held at the stadium, including the related traffic control and neighborhood protection duties. (overtime, contract services, supplies, etc.).
	REQUIRED BY LAW/CODE/REG?: We do have a current contractual obligation to staff events at the stadium, which we are required by law to honor.
	CURRENT PERFORMANCE DATA: As indicated above, SOD personnel plan for and implement the plans for over 100 events each year.
	REVENUE GENERATION: Some of these expenses are off set through the contract with Global Spectrum. FY 2011 - Stadium Event Operations - 1281-01281-421300 - \$555,264.45 FY 2012 (to date) - Stadium Event Operations - 1281-01281-421300 - \$286,797.80
	SERVICE ALTERNATIVES: It is possible another police department would be interested in assuming responsibility for law enforcement in the stadium during games, but not likely. Only MCSO or DPS would have the proper authority to handle the job.
	IMPACT OF CHANGING SERVICES: We would still have to handle traffic and investigate all crimes that occur at the stadium because it is in our city.

Fund/Division #: 1281-12234 Division Name: PD - Fiesta Bowl Event # of FTEs: 0 A6000: \$64,424 A7000: \$335,748 TOTAL: \$400,172	SERVICE DESCRIPTION: This budget division includes funds for PD expenses that are related to the Fiesta Bowl and the related traffic control and neighborhood protection duties. (overtime, contract services, supplies, etc.).
	REQUIRED BY LAW/CODE/REG?: We do have a current contractual obligation to staff this event, which we are required by law to honor.
	CURRENT PERFORMANCE DATA: This event is held annually and it involves the use of hundreds of police personnel from the PD and from the Valley wide Coalition.
	REVENUE GENERATION: Some of these expenses are off set through the contract with Global Spectrum and through a contract with the Fiesta Bowl. In the last FY, we actually had the Fiesta Bowl and the BCS game. The FB was billed a total of \$160,848 for these two games. Global was billed for expenses inside the stadium for both games. The total for the two games was \$144,268.
	SERVICE ALTERNATIVES: It is possible another police department would be interested in assuming responsibility for law enforcement in the stadium during this bowl game, but not likely. Only MCSO or DPS would have the proper authority to handle the job.
	IMPACT OF CHANGING SERVICES: We would still have to handle traffic and investigate all crimes that occur at the stadium because it is in our city.

Fund/Division #: 1282-12190 Division Name: Arena-PD Event Staffing # of FTEs: 1 A6000: \$228,442 A7000: \$608,153 TOTAL: \$836,595	SERVICE DESCRIPTION: The one position assigned to this budget division is actually assigned to the Special Operations Division. This person handles scheduling for events in the city to include events at the arena. This budget division also includes funds for PD expenses that are related to events at the arena, including the related traffic control and neighborhood protection (overtime, contract services, supplies, etc.).
	REQUIRED BY LAW/CODE/REG?: We do have a current contractual obligation to staff certain arena events, which we are required by law to honor.
	CURRENT PERFORMANCE DATA: We staff approximately 50 events at the arena each year.
	REVENUE GENERATION: Some of these expenses are off set through the Arena Management Agreement. FY 2011 - Arena Annual Security Fee - 1282-01282-406800 - 71,643.14 (A portion of the fee goes towards the FD's arena related expenses). FY 2011 - Arena Security Costs - 1282-01282-410800 - \$269,917.03 FY 2012 (To date) - Arena Security Costs - 1282-01282-410800 - 55,193.56
	SERVICE ALTERNATIVES: It is possible another police department would be interested in assuming responsibility for law enforcement for events held

in the arena, but not likely. Only MCSO or DPS would have the proper authority to handle the job.

IMPACT OF CHANGING SERVICES:

We would still have to handle traffic and investigate all crimes that occur at the arena because it is in our city.

Fund/Division #: 1700-12310 Division Name: Patrol - Special Revenue Fund # of FTEs: 118 A6000: \$9,592,854 A7000: \$4,596,049 TOTAL: \$14,188,903	SERVICE DESCRIPTION: This fund supports 118 positions that are spread throughout the department. It also covers other related expenses such as overtime, prisoner maintenance, contract services, fleet related expenses, etc.
	REQUIRED BY LAW/CODE/REG?: Yes, because of the voter approved initiative to pay for these services.
	CURRENT PERFORMANCE DATA: Because these personnel are assigned to different organizational divisions, there is no way to reasonably quantify their performance. They are assigned to every division on the department.
	REVENUE GENERATION: None.
	SERVICE ALTERNATIVES: There are really no reasonable service alternatives that would not violate the spirit of the voter initiative.
	IMPACT OF CHANGING SERVICES: This funding is tied to a voter approved initiative, and really would not be suitable for reduction, outsource or ending the service.

Fund/Division #: 1840-33002 Division Name: Victim Rights - PD # of FTEs: 1 A6000: \$68,631 A7000: \$24,507 TOTAL: \$93,138	SERVICE DESCRIPTION: The one position assigned to this grant funded budget division is actually assigned to the Advocacy Center, which is part of the Criminal Investigations Division. This grant funds a victim's advocate.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: We provide a wide range of services (some mandated by law) to victims of crime in our community. Victims advocates are trained social workers who provide many of these services.
	REVENUE GENERATION: None.
	SERVICE ALTERNATIVES: NA, given this position is grant funded.
	IMPACT OF CHANGING SERVICES: NA, given this position is grant funded.

Fund/Division #: 1840-33018 Division Name: VOCA 2003-113 # of FTEs: 1 A6000: \$65,435 A7000: \$36,584 TOTAL: \$102,019	SERVICE DESCRIPTION: The one position assigned to this grant funded budget division is actually assigned to the Advocacy Center, which is part of the Criminal Investigations Division. This grant funds a victim's advocate.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: We provide a wide range of services (some mandated by law) to victims of crime in our community. Victims advocates are trained social workers who provide many of these services.
	REVENUE GENERATION: None.
	SERVICE ALTERNATIVES: NA, given this position is grant funded.
	IMPACT OF CHANGING SERVICES: NA, given this position is grant funded.

Fund/Division #: 1840-33021 Division Name: Grant Approp - Police Dept # of FTEs: 0 A6000: \$500,000 A7000: \$4,000,000 TOTAL: \$4,500,000	SERVICE DESCRIPTION: Reserve grant appropriation needed to support city-wide grant awards that are ultimately approved and/or accepted by Council during any given fiscal year.
	REQUIRED BY LAW/CODE/REG?: Yes. When a grant award is accepted by Council, appropriation is legally required in order to spend the funds that were granted to the city. This appropriation is part of the adopted budget.
	CURRENT PERFORMANCE DATA: No cash backing exists for this grant reserve appropriation until an actual grant is accepted by the city and the funding source for the grant is identified. Individual grant projects or division are created to track grant awards after the appropriate council communication is acted upon by Mayor/Council during evening meetings. Any unused grant reserve appropriation expires at fiscal year end and is not carried over into the next fiscal year.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES:
	IMPACT OF CHANGING SERVICES:

Fund/Division #: 1860-32020 Division Name: Federal RICO # of FTEs: 0 A6000: \$0 A7000: \$225,000 TOTAL: \$225,000	SERVICE DESCRIPTION: This funding is only used for purposes approved under the federal asset forfeiture guidelines, such as supporting the Special Investigations Unit, law enforcement equipment, the CAD/RMS replacement, etc.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Our department handles over a hundred seizures of assets annually. We prepare monthly, quarterly and annual reports regarding expenditures related to these funds.
	REVENUE GENERATION:

None.
SERVICE ALTERNATIVES: There are really no reasonable servcie alternatives.
IMPACT OF CHANGING SERVICES: NA

Fund/Division #: 1860-32030 Division Name: State RICO # of FTEs: 0.5 A6000: \$28,367 A7000: \$3,494,526 TOTAL: \$3,522,893	SERVICE DESCRIPTION: This part time position is actually assigned to the Special Investigations Unit, which is part of the Criminal Investigations Division. The employee in this position is responsible for preparing reports and associated information on asset forfeitures through the RICO program. This position is funded by RICO funds. This funding is only used for purposes approved under the federal asset forfeiture guidelines, such as supporting the Special Investigations Unit, law enforcement equipment, the CAD/RMS replacement, etc.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Our department handles over a hundred seizures of assets annually. We prepare monthly, quarterly and annual reports regarding expenditures related to these funds.
	REVENUE GENERATION: None.
	SERVICE ALTERNATIVES: There are really no reasonable service alternatives.
	IMPACT OF CHANGING SERVICES: NA, given this position is RICO funded.

Fund/Division #: 2530-12390 Division Name: PS Training Ops - Police # of FTEs: 2 A6000: \$188,277 A7000: \$81,646 TOTAL: \$269,923	SERVICE DESCRIPTION: These two positions are actually part of the Training Unit, which is part of the Administrative Services Division. This budget division covers the Lieutenant assigned to Training, one security guard, related expenses and the cost of contract security at GRPSTC.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: The Training Unit provides POST-required training for all sworn personnel, weekly training for all personnel, bi-weekly training for all supervisors, and ensures officers maintain proficiency training for firearms, first aid, hazardous materials, etc. This unit includes the security officer at GRPSTC.
	REVENUE GENERATION: NA
	SERVICE ALTERNATIVES:

There are really no reasonable service alternatives.

IMPACT OF CHANGING SERVICES:

From an operational perspective, a lieutenant is required to provide leadership for the Training Unit. We are required to provide security at GRPSTC, especially given our 911 Center and EOC are located in this building.

Fund/Division #: 1000-12410 Division Name: Fire Administration # of FTEs: 13 A6000: \$1,476,165 A7000: \$11,285 TOTAL: \$1,487,450	SERVICE DESCRIPTION: The fire department, accredited since 2002 by the Commission on Fire Accreditation International (CFAI) maintains five, core, interactive services. They function together as a single mechanism to provide optimal fire and life safety protection to the community. Those five core services include: Fire Suppression (firefighting); Emergency Medical Services (Advanced Life Support and Basic Life Support) Special Operations (Hazardous Materials and Technical Rescue); Crisis Response (Social Services); and Fire Prevention and Education (Public Education, Inspections, Investigations, and Code Adoption).
	REQUIRED BY LAW/CODE/REG?: City Code, Chapter 16, Article I
	CURRENT PERFORMANCE DATA: In 2010, Glendale units received a total of 43,431 dispatches through Phoenix's Computer Aided Dispatch system. Also, in accordance with Chapter 16 of the City Code, it indicates that a fire department must exist and headed by a fire chief responsible for the direction of all firefighting, fire prevention, fire protection, emergency medical service, hazardous materials emergency response, technical rescue emergency response, and fire department units assigned to provide emergency crisis response services of the city and be responsible for developing departmental programs to protect the life and property in the city from both natural and man-made emergencies.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: Reduction in force.
	IMPACT OF CHANGING SERVICES: Reducing or outsourcing will negatively impact the customer service provided, as this will cause existing staff to take on additional duties, thereby reducing the turnaround time in providing strategic level support for internal and external customers.

Fund/Division #: 1000-12421 Division Name: Fire Special Operations # of FTEs: 0 A6000: \$0 A7000: \$16,293 TOTAL: \$16,293	SERVICE DESCRIPTION: HazMat and Technical rescue response. 1 Deputy Chief manages the Fire Special Ops. Division, the Event Operations Division and the MMRS Program. The Deputy Chief's salary is funded in Fire Administration, Account # 12410. Additionally, 1 Division Chief is assigned to supervise the Special Operations Division. The Division Chief's salary is charged to Operations, Account # 12422. All Hazardous materials and technical rescue technicians are currently assigned to fire operations (Account # 12422) and respond to all emergency incidents regardless of the nature of the incident.
	REQUIRED BY LAW/CODE/REG?: City Ordinance No. 2774 New Series and a recommendation of the National Fire Protection Assoc. (NFPA), the Commission on Fire Accreditation, and the Insurance Service Office (ISO)
	CURRENT PERFORMANCE DATA: In 2010 the Glendale Fire Department Special Operations units responded to 559 incidents of which 183 of the incidents occurred inside the city of Glendale.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: Through the fire department automatic aid system, special operations units from other cities would respond to the city of Glendale and perform these emergency services

<p>IMPACT OF CHANGING SERVICES: The city of Glendale would rely on the availability of special operations units from other cities to respond greater distances to mitigate any hazardous materials release or affect a rescue in the city of Glendale. Delayed response times could result in additional property loss directly related to the delayed response. Delayed technical rescue response could result in injury or death related to a delayed response. Indirect impacts could include a change in the cities ISO rating and loss of accreditation status through the Commission on Fire Accreditation.</p>
<p>A6000/A7000 BUDGET TOTALS: Fire Special Ops. Account # 12421 Fund 1000 A7000: \$16,293 Fire Admin. Account #12410: 1 Deputy Chief Operations Account # 12422: 1 Division Chief</p>

<p>Fund/Division #: 1000-12422 Division Name: Fire Operations</p> <p># of FTEs: 188</p> <p>A6000: \$17,520,847 A7000: \$841,749 TOTAL: \$18,362,596</p>	<p>SERVICE DESCRIPTION: Fire Suppression, EMS, Hazardous Material and Technical Rescue Response</p>
	<p>REQUIRED BY LAW/CODE/REG?: As defined by City Code Chapter 16; Glendale City Ordinance 2774.</p>
	<p>CURRENT PERFORMANCE DATA: 9 Engines, 3 Ladder Trucks, 2 Battalion responders, 1 Shift Commander, 1 Heavy Rescue Squad, 1 Utility Truck and several support vehicles provide emergency response from 9 fire stations strategically located throughout the city. In 2010 the GFD responded to 43,431 calls for service. Our four person staffing model is recommended by the NFPA and NIST for critical tasking on the fire ground and EMS response, and as described in the 2010 Standards of Cover report. The Commission on Fire Accreditation International (CFAI) Standards of Cover report, Automatic Aid Agreement, NFPA 1710, NIST Report on EMS Field Experiments</p>
	<p>REVENUE GENERATION:</p>
	<p>SERVICE ALTERNATIVES: At this time there is no identified viable service alternative to our municipal fire service to provide for public safety in Glendale.</p>
	<p>IMPACT OF CHANGING SERVICES: Reducing, outsourcing or ending the service of the Glendale Fire Department Operations division would negatively impact the well being of the citizens of Glendale, as there is no entity , public or private, postured to assume this core public safety function. The 2010 CFAI Standards of Cover report clearly describes GFD performance in relation to the applicable standards for both EMS and fire response.</p>

Fund/Division #: 1000-12422 Division Name: Fire Special Operations - TRT & HazMat Technician Pay # of FTEs: 0 A6000: \$0 A7000: \$122,300 TOTAL: \$122,300	<div>SERVICE DESCRIPTION: Assignment pay for Special Operations personnel that are training to the technician level and responds to technical rescue and hazardous materials incidents. All Hazardous materials and technical rescue technicians are currently assigned to fire operations and respond to all emergency incidents regardless of the nature of the incident. Providing Special Operations response to the community is a recommendation of the National Fire Protection Assoc. (NFPA), the Commission on Fire Accreditation, and the Insurance Service Office (ISO). Special Operations technician pay is also a Fire Union negotiated benefit, referenced in Part 2, Chapter 2, Article III, Division 3 - Meet and Confer Process.</div> <div>REQUIRED BY LAW/CODE/REG?: Yes. City Ordinance No. 2774 New Series.</div> <div>CURRENT PERFORMANCE DATA: In 2010 the Glendale Fire Department Special Operations units responded to 559 incidents of which 183 of the incidents occurred inside the city of Glendale.</div> <div>REVENUE GENERATION:</div> <div>SERVICE ALTERNATIVES: Through the fire department automatic aid system, special operations units from other cities would respond to the city of Glendale and perform these emergency services</div> <div>IMPACT OF CHANGING SERVICES: The city of Glendale would rely on the availability of special operations units from other cities to respond greater distances to mitigate any hazardous materials release or affect a rescue in the city of Glendale. Delayed technical rescue response could result in injury or death related to a delayed response. Indirect impacts could include a change in the cities ISO rating and loss of accreditation status through the Commission on Fire Accreditation.</div> <div>A6000/A7000 BUDGET TOTALS: TRT Tech PayA 7000 \$54,000 and HazMat Tech PayFunded in Fire OperationsAccount # 12422A 7000 \$68,300</div>
---	--

Fund/Division #: 1000-12433 Division Name: Fire Resource Management # of FTEs: 5 A6000: \$414,221 A7000: \$378,059 TOTAL: \$792,280	<div>SERVICE DESCRIPTION: Provide, specify, maintain and service all equipment, supplies, materials, and facilities for the daily operation of the fire department.</div> <div>REQUIRED BY LAW/CODE/REG?: OSHA, ISO, IGA City of Phoenix</div> <div>CURRENT PERFORMANCE DATA: The Resource Management division provides the compliance certifications for all SCBA's throughout the city including the Glendale Police Department, and the water treatment plants. The division is responsible for maintaining all equipment, supplies and fire apparatus to be in a ready state 24 hours a day 7 days a week with a reserve fleet for high call volume conditions such as storm deployments, multi-alarm fires, special events and equipment failure. Current performance is in compliance with NFPA Standards, the Commission on Fire Accreditation Categories 6.A and 9.C for services provided by Resource Management.</div> <div>REVENUE GENERATION:</div> <div>SERVICE ALTERNATIVES: The alternative would be to contract the services with multiple outside vendors requiring the same number of employees to</div>
--	--

manage the programs through these vendors. The loss of control over service delivery would require large amounts of equipment and supply redundancy.

IMPACT OF CHANGING SERVICES:

Changing, reducing or outsourcing the services provided by the Resource Management division would reduce the reliability and efficiency of the fire department and its response standards.

Fund/Division #: 1000-12433 Division Name: Fire Resource Management # of FTEs: 0 A6000: \$0 A7000: \$598,337 TOTAL: \$598,337	SERVICE DESCRIPTION: Fuel-Shop chargebacks
	REQUIRED BY LAW/CODE/REG?: OSHA, ISO,
	CURRENT PERFORMANCE DATA: Maintain a fleet of safe and efficient fire department vehicles. Ensure that all apparatus receives regular preventative maintenance, ensure inventory records for staff vehicles, code 3 apparatus and equipment is accurate and up to date for annual audit and compliance standards. Current performance is in compliance with the Commission on Fire Accreditation Category 6.A for services provided by Resource Management.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: Contract with private vendor to provide shop services.
	IMPACT OF CHANGING SERVICES: Reduction in FTE in city shop, longer turnaround times for returned vehicles.
	A6000/A7000 BUDGET TOTALS: A7000 shop = \$346,645 fuel = \$251,692

Fund/Division #: 1000-12433 Division Name: Fire Resource Management # of FTEs: 0 A6000: \$0 A7000: \$423,533 TOTAL: \$423,533	SERVICE DESCRIPTION: CAD/Professional & Contractual
	REQUIRED BY LAW/CODE/REG?: IGA with city of Phoenix
	CURRENT PERFORMANCE DATA: Provide for valley-wide automatic aid response within the valley including all station and apparatus dispatch packages.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: Provide dispatch services on a stand alone system within the city of Glendale.
	IMPACT OF CHANGING SERVICES: \$3 million to \$5 million annual cost for stand alone dispatch center.
	A6000/A7000 BUDGET TOTALS: A7000 - \$423,533 (An additional \$724,821 funded in Dept # 12610)

Fund/Division #: 1000-12433 Division Name: Fire Resource Management # of FTEs: 0 A6000: \$0 A7000: \$61,335 TOTAL: \$61,335	SERVICE DESCRIPTION: Turnout/Personal, Protective Equipment (PPE)
	REQUIRED BY LAW/CODE/REG?: OSHA, ISO
	CURRENT PERFORMANCE DATA: Coordinate the development and implementation of Turnout/PPE specifications and inventory. Provide fitting and field testing for product upgrades; fitting and inventory for PPE. Manage the compliance records for NFPA 10-year service standards. Current performance must be in compliance with OSHA, the Commission on Fire Accreditation Categories 6.A and 9.C, and NFPA Standards for services provided by Resource Management as it pertains to turnout gear/PPE.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: Contract with MES and Honeywell/Morning Pride as the manufacturer and sales vendor to provide compliance reports and maintenance services.
	IMPACT OF CHANGING SERVICES: \$75,000 to \$125,000 annually dependent on the number of turnouts reaching the end of useful service to stay within NFPA compliance.
	A6000/A7000 BUDGET TOTALS: A7000 - \$61,335 (An additional \$33,000 funded in Dept # 12610)

Fund/Division #: 1000-12433 Division Name: Fire Resource Management # of FTEs: 0 A6000: \$0 A7000: \$17,291 TOTAL: \$17,291	SERVICE DESCRIPTION: SCBA
	REQUIRED BY LAW/CODE/REG?: OSHA, ISO
	CURRENT PERFORMANCE DATA: Coordinate the development and implementation inventory system to monitor our SCBA equipment to meet all NFPA and OSHA standard compliance. Current performance is in compliance with the Commission on Fire Accreditation Category 6.A for services provided by Resource Management.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: Contract with private vendor to provide SCBA maintenance program and repair services.
	IMPACT OF CHANGING SERVICES: Contracting with a private vendor would require the department to maintain a larger SCBA inventory of reserve equipment consisting of 25 additional SCBAs at a cost of \$10,000 per unit for a total cost of \$250,000.

Fund/Division #: 1000-12434 Division Name: Fire Training # of FTEs: 0 A6000: \$0 A7000: \$13,656 TOTAL: \$13,656	SERVICE DESCRIPTION: FD training - Medic Pay for 2 member \$11,406 Uniform allowance for 2 members \$2,250
	REQUIRED BY LAW/CODE/REG?: Special Operations technician pay is a Fire Union negotiated benefit, referenced in Part 2, Chapter 2, Article III, Division 3 - Meet and Confer Process.
	CURRENT PERFORMANCE DATA: Medic Pay is a vital component of our EMS delivery system. The removal of this pay would lower our members compensation for providing advanced life support. 85% of our calls are for EMS services.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: Loss of assignment pay for these two positions would remove compensation and violate the MOU.
	IMPACT OF CHANGING SERVICES: reduction of total number of paramedics serving the Glendale Fire Department

Fund/Division #: 1000-12436 Division Name: Fire Medical Services & Health # of FTEs: 0 A6000: \$0 A7000: \$48,727 TOTAL: \$48,727	SERVICE DESCRIPTION: Warranty contract for defibrillators, non reimbursed medical supplies and medications and external EMS instructor fees for responder education.
	REQUIRED BY LAW/CODE/REG?: All certified members in EMT-basic and EMT-Paramedic are required to maintain certification and education per AZDHS requirements.
	CURRENT PERFORMANCE DATA: All certifications are current for EMT and EMT-P service members, performance and service warranties are up to date, and all non reimbursable medical supplies are kept to the minimum allowable per AZDHS rules.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: RFP for future service warranty contracts to ensure cost effective pricing for repair and service of defibrillators.
	IMPACT OF CHANGING SERVICES: Service warranty contract ensure defibrillators are functioning to the prescribed level required. Reducing or ending the costs for non reimbursed medical supplies and medications would negatively impact our EMS service delivery. Reducing or ending the use of external EMS instructors will decrease the required level of education they provide as subject matter experts (i.e. medical/legal).
	FTEs ASSOCIATED W/ SERVICE: None

<p>Fund/Division #: 1000-12441</p> <p>Division Name: Fire Marshal's Office</p> <p># of FTEs: 10</p> <p>A6000: \$754,951</p> <p>A7000: \$52,060</p> <p>TOTAL: \$807,011</p>	<p>SERVICE DESCRIPTION: Provide fire code enforcement for new and existing buildings, fire and explosion investigations, special events and fire code management/development for the COG. The following revenue accounts are associated with these services: 408610, 408800, 407800, 408805, 408820, 492690 Due to the changes at the State Fire Marshal's Office, local jurisdictions have assumed responsibility for public schools and State/County facilities located within each municipality.</p> <p>REQUIRED BY LAW/CODE/REG?: ARS 41-2163 provides for the assumption of jurisdiction. COG Ordinances chapter 16 requires the Chief of the Fire Department to enforce fire protection/prevention codes and National standards</p> <p>CURRENT PERFORMANCE DATA: The fire department (fire prevention division) is staffed with fire inspectors, fire investigators and a plans examiner who perform all services. The division includes the following: Existing building inspection section, new construction inspections and plan review section, and fire investigation section. Also included is a special event inspector/plan reviewer to address all public and private special event activities. Current staff is trained and qualified in accordance with minimum state requirements. This division ensures compliance with the Commission of Fire Accreditation International core competencies 2B.7, 5A, 5B, 5D, AND 9A. Enforce applicable NFPA, OSHA, and other national standards use in construction, firefighter safety, personnel certification, and safe operation businesses as applicable.</p> <p>REVENUE GENERATION: \$472,378</p> <p>SERVICE ALTERNATIVES: There are no service alternatives as both State and local law requires the jurisdiction to maintain fire code management, fire code enforcement, and fire investigation services. Additionally, due to the changes at the State Fire Marshal's Office, they are unable to provide these services.</p> <p>IMPACT OF CHANGING SERVICES: Reductions to service/personnel will directly impact the revenue generated by New Construction and Existing building inspections which accounts for the majority of the overall revenue. Eliminating any or all of the three primary services (Fire code management, fire inspections or fire investigations) would cede regulatory jurisdiction back to the State. This would result in the State assuming authority over all newly constructed and existing buildings in Glendale. Additionally, development codes such as the building code, plumbing codes, etc., may be in conflict with the state codes and severely impact development. Fire inspection and investigation staff work hand-in-hand with Glendale PD and Firefighters on fire and life issues that affect the community. Address all fire and life safety issues that impact firefighter safety. Manage hazardous materials, storage arrangement, placarding and tracking for emergency responses. Sworn AZPOST officers are staffed within the fire prevention division to head all arson investigations. Staff work along side firefighters and police officers during major events such as Super Bowl, Fiesta Bowl, Cardinal Season, etc. Reducing or outsourcing services would impact the fire and life safety standards required of current and/or future homes and businesses. Additionally, ending these services may result in the State Fire Marshal imposing an unfunded mandate that the local jurisdiction continue providing fire prevention and investigation services.</p> <p>A6000/A7000 BUDGET TOTALS: A6000: \$754,951 NOTE: 1 fire inspector II position is funded in 12610 bringing the total to 11 positions in this division. A7000: \$52,060</p>
--	---

Fund/Division #: 1000-12444 Division Name: Fire Community Services # of FTEs: 0 A6000: \$0 A7000: \$15,250 TOTAL: \$15,250	SERVICE DESCRIPTION: Provide fire and life safety awareness and public education to the community through various programs such as: youth firesetter prevention and intervention, water safety, car seat, smoke alarm, Healthier and safer lives, safety trailer, CERT training, CCC/CPR training, Fire Pals, Fire drills, Senior Educator training, and fire extinguisher training
	REQUIRED BY LAW/CODE/REG?: None
	CURRENT PERFORMANCE DATA: Community Services programs are supported by 10 active and 60+ reserve volunteers. This division ensures compliance with the Commission of Fire Accreditation International core competency 5C. YTD the division has provided: CCC/CPR to 5126 youths and 18 adults, youth firesetter intervention/training to 256 youths and 18 adults, fire safety presentations to 1700 citizens, Healthier safer lives checkups to 97 senior citizens, read across America to 128 students. Also provided 98 car seat to Glendale citizens, trained 277 parents on car seat installations and installed 404 car seat during various events.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: There are no private fire and life safety public educators that contract this service with municipalities
	IMPACT OF CHANGING SERVICES: Reducing services would greatly impact the awareness within our community with regard to drowning prevention, car seat safety and the impact of children playing with fire. Additionally, reductions would require suspending the fire pal program as well as our highly successful and nationally recognized CCC/CPR program. Changes to this division will eliminate senior public educators and disaster preparedness training for the community
	A6000/A7000 BUDGET TOTALS: A6000: \$0 - Two FTEs associated with this service are funded and accounted for in 12410 A7000: \$15,250

Fund/Division #: 1000-12491 Division Name: Ambulance Services # of FTEs: 2 A6000: \$210,730 A7000: \$280,945 TOTAL: \$491,675	SERVICE DESCRIPTION: Staffing, shop charges and fuel charges for M155 training unit. Per contract, SWA reimburses for M155 unit at an hourly rate of \$34.66 for a total revenue expectation in 2011/12 of \$216,000 to 1000-12491-40900. Per DHS fee schedule, SWA reimburses \$112.34 per transport for a total revenue expectation in 2011/2012 of \$1,015,392 going to 1000-01000-40900.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Medic 155 training unit is staffed during peak hours five days a week. M155 allows Engine and Ladder companies to return to their service areas faster during patient transportation to hospitals for emergency care. The staffing of this unit is reimbursed through the SWA Ambulance contract. In 2010, M155 was deployed to 1,568 responses.
	REVENUE GENERATION: \$1,231,392
	SERVICE ALTERNATIVES: Reduce or end the M155 training unit program.
	IMPACT OF CHANGING SERVICES:

Reducing or ending the operation of the M155 training unit would impact training availability, our partnership with Midwestern University and would lead to decreased service reliability and delayed response times. This program is reimbursed by the ambulance contract with SWA. Ending this program would result in the layoff of 1 Fire Captain/Paramedic and 1 Sr. Secretary. Loss in approximately \$750,000 in revenue over expenditures.

Fund/Division #: 1000-12492 Division Name: Air-Med & Logistics Ops (HALO) # of FTEs: 4 A6000: \$331,765 A7000: \$413,752 TOTAL: \$745,517	SERVICE DESCRIPTION: Air medical transportation for the west valley of the critically sick and injured. Revenue account is 1000-12492-492650. 2011/12 revenue is \$71,107 per month and \$853,284 annual with 5% annual escalator in contract.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: HALO operates effectively in the West valley providing faster patient transport to hospital times than ground ambulance service can provide. Program is utilized for only the most critical incidents types. All members in program are certified to Flight Paramedic Certification levels leading to faster patient transfer times than standard air-medical transportation models.
	REVENUE GENERATION: \$853,284
	SERVICE ALTERNATIVES: Other air medical services are limited but available in the west valley.
	IMPACT OF CHANGING SERVICES: Loss of contractual revenue from the program. Increased response, on-scene and patient transportation times by other air-medical providers. Resulting layoffs of 1 Mgmt aid and 3 Firefighter/Paramedics. Loss of approximately \$115,000 in revenue over expenditures.

Fund/Division #: 1000-12521 Division Name: PS Training Fac - Fire # of FTEs: 0 A6000: \$0 A7000: \$567,227 TOTAL: \$567,227	SERVICE DESCRIPTION: This is half of Glendale's funding for the Training Facility. The other half is in account 12232. This is only the funding. For expenditure accounts refer to 12390, 12590, and 13480.
	REQUIRED BY LAW/CODE/REG?: See 12390, 12590, 13480
	CURRENT PERFORMANCE DATA: See 12390, 12590, 13480
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: See 12390, 12590, 13480
	IMPACT OF CHANGING SERVICES: See 12390, 12590, 13480
	FTEs ASSOCIATED W/ SERVICE: See 12390, 12590, 13480
	A6000/A7000 BUDGET TOTALS: See 12390, 12590, 13480

<p>Fund/Division #: 1281-12515</p> <p>Division Name: Fire - Fiesta Bowl Event</p> <p># of FTEs: 0</p> <p>A6000: \$15,713</p> <p>A7000: \$143,792</p> <p>TOTAL: \$159,505</p>	<p>SERVICE DESCRIPTION:</p> <p>Staffing, equipment and supplies required to provide fire and emergency medical coverage at the Fiesta Bowl, BCS Championship game (every 4-years) and the Camelback Ranch. Providing fire and emergency medical coverage during the Fiesta Bowl ensures the highest quality of medical support and continuity of service to the citizens of Glendale and sports venue patrons. It is also a recommendation of the Commission on Fire Accreditation and the Insurance Service Office (ISO) that we provide major/mega events staffing outside the Fire Department's everyday staffing model. Revenue Account No.1281-12515-421310</p>
	<p>REQUIRED BY LAW/CODE/REG?:</p> <p>Yes. City Ordinance No. 2774 New Series.</p>
	<p>CURRENT PERFORMANCE DATA:</p> <p>In 2010 the Glendale Fire Department, Event Operations Division, provided fire and emergency medical at the 2010 Fiesta Bowl. GFD treated 38 patients and transported 8 of them to the hospital. In 2011 GFD treated 31 patients with 8 transports. We transported a player to the hospital as well.</p>
	<p>REVENUE GENERATION:</p> <p>\$30,142.23</p>
	<p>SERVICE ALTERNATIVES:</p> <p>The Fiesta Bowl and University of Phoenix Stadium could contract out their fire and EMS coverage to a private provider or another city fire department.</p>
	<p>IMPACT OF CHANGING SERVICES:</p> <p>Allowing the Fiesta Bowl and the University of Phoenix Stadium to contract out fire and emergency medical coverage for their events will have a negative affect on patient care, continuity of service and day to day reliability of fire department operations. The Fire Department currently works closely with these venues to ensure adequate staffing levels that significantly reduce the need for fire department resources to respond to these venues during major/mega events. Private contractors could under staff the events to ensure contracts, relying on fire department response for treatment and transportation of patrons. Reducing, outsourcing or eliminating Fire or EMS services at special event venues will impact staffing and budget requirements of the fire prevention division. Fire and EMS personnel augment the fire prevention division during events such as the Coyote games, Cardinals games and Westgate events. This cross utilization of personnel significantly reduces fire prevention staffing needs, overtime budget and customer costs for these type of events. Changes in this area may require an increase in Fire Prevention staffing and annual budget.</p>
	<p>FTEs ASSOCIATED W/ SERVICE:</p> <p>All fire and medical personnel that work these events are currently assigned to fire Operations (12422) or Fire SpecialRevenue (12610).</p>

<p>Fund/Division #: 1281-12520</p> <p>Division Name: Stadium - Fire Event Staffing</p> <p># of FTEs: 0</p> <p>A6000: \$31,135</p> <p>A7000: \$197,536</p> <p>TOTAL: \$228,671</p>	<p>SERVICE DESCRIPTION:</p> <p>Staffing, equipment and supplies required to provide fire and emergency medical coverage at all major/mega events in the U of P Stadium. All fire and medical personnel that work these events are currently assigned to fire Operations (12422) or Fire SpecialRevenue (12610). Providing fire and emergency medical coverage during major/mega events at the University of Phoenix Stadium ensures the highest quality of medical care and continuity of service to the citizens of Glendale and sports venue patrons. It is also a recommendation of the Commission on Fire Accreditation and the Insurance Service Office (ISO) that we provide major/mega events staffing outside the Fire Departments everyday staffing model. Revenue Account No.1281-01281-421310</p>
	<p>REQUIRED BY LAW/CODE/REG?:</p> <p>Yes. City Ordinance No. 2774 New Series.</p>
	<p>CURRENT PERFORMANCE DATA:</p> <p>In 2010 the Glendale Fire Department Event Operations Division provided fire and emergency medical for 102 event days at the stadium, including 11 regular, preseason, and playoff Cardinals games.. Fire/EMS averages 23 patients and 4 transports per football game. We have also transported a number of NFL players from the stadium to the hospital.</p>
	<p>REVENUE GENERATION:</p> <p>\$115,044.50</p>
	<p>SERVICE ALTERNATIVES:</p> <p>The University of Phoenix Stadium, could contract out their fire and EMS coverage to a private provider or another city fire department.</p>
	<p>IMPACT OF CHANGING SERVICES:</p> <p>Allowing the University of Phoenix Stadium to contract out fire and emergency medical coverage for their events will have a negative affect on patient care, continuity of service and day to day fire department operations. The Fire Department currently works closely with these venues to ensure adequate staffing levels that significantly reduce the need for fire department resources to respond to these venues during major/mega events. Private contractors could under staff the events to ensure contracts, relying on fire department response for treatment and transportation of patrons. Glendale Fire Department currently partners with Southwest Ambulance to reduce average costs per hour to provide adequate staffing at the Stadium. Reducing, outsourcing or eliminating Fire or EMS services at special event venues will impact staffing and budget requirements of the fire prevention division. Fire and EMS personnel augment the fire prevention division during events such as the Coyote games, Cardinals games and Westgate events. This cross utilization of personnel significantly reduces fire prevention staffing needs, overtime budget and customer costs for these type of events. Changes in this area may require an increase in Fire Prevention staffing and annual budget. Fire prevention services which includes 1 plan examiner and 3 inspectors required for min of 6 hours per game = \$26,225.36 for 10 NFL games.</p>

Fund/Division #: 1281-12555 Division Name: Fire - BCS Event # of FTEs: 0 A6000: \$0 A7000: \$0 TOTAL: \$0	SERVICE DESCRIPTION: Staffing, equipment and supplies required to provide fire and emergency medical coverage at the Fiesta Bowl, BCS Championship game (every 4-years) and Camelback Ranch. All fire and medical personnel that work these events are currently assigned to fire Operations (12422) or Fire Special Revenue (12610). Providing fire and emergency medical coverage BCS Championship game ensures the highest quality of medical support and continuity of service to the citizens of Glendale and sports venue patrons. It is also a recommendation of the Commission on Fire Accreditation and the Insurance Service Office (ISO) that we provide major/mega events staffing outside the Fire Departments everyday staffing model. Revenue Account No. 1281-12555-421310
	REQUIRED BY LAW/CODE/REG?: Yes. City Ordinance No. 2774 New Series.
	CURRENT PERFORMANCE DATA: In 2011 the Glendale Fire Department, Event Operations Division, provided fire and emergency medical at the 2011 National Championship Game. GFD treated 89 patients and transported 17 to local hospitals.
	REVENUE GENERATION: \$16,924.49
	SERVICE ALTERNATIVES: The Fiesta Bowl Committee is responsible for the BCS when it is scheduled in Glendale. The Fiesta Bowl and University of Phoenix Stadium could contract out their fire and EMS coverage to a private provider or another city fire department.
	IMPACT OF CHANGING SERVICES: Allowing the Fiesta Bowl and the University of Phoenix Stadium to contract out fire and emergency medical coverage for their events will have a negative affect on patient care, continuity of service and day to day reliability of fire department operations. The Fire Department currently works closely with these venues to ensure adequate staffing levels that significantly reduce the need for fire department resources to respond to these venues during major/mega events. Private contractors could under staff the events to ensure contracts, relying on fire department response for treatment and transportation of patrons. Reducing, outsourcing or eliminating Fire or EMS services at special event venues will impact staffing and budget requirements of the fire prevention division. Fire and EMS personnel augment the fire prevention division during events such as the Coyote games, Cardinals games and Westgate events. 	REQUIRED BY LAW/CODE/REG?: Yes, City Ordinance No. 2774 New Series.
	CURRENT PERFORMANCE DATA: In 2010 the Glendale Fire Department Event Operations Division provided fire and emergency medical for 28 event days at the Camelback Ranch Spring Training Fields. predominantly during the month of March. Fire/EMS averages about 1-2 incidents per event at the ball fields.
	REVENUE GENERATION: \$36,118.80

<p>SERVICE ALTERNATIVES: CBRanch could contract out their fire and EMS coverage to a private provider or another city fire department.</p>
<p>IMPACT OF CHANGING SERVICES: Allowing the CBRanch to contract out fire and emergency medical coverage for their events will have a negative affect on patient care, continuity of service and day to day fire department operations. The Fire Department currently works closely with these venues to ensure adequate staffing levels that significantly reduce the need for fire department resources to respond to these venues during major/mega events. Private contractors could under staff the events to ensure contracts, relying on fire department response for treatment and transportation of patrons. Also, loss of approximately \$7,000 annually from revenue generated above expenditures.</p>

<p>Fund/Division #: 1720-12610 Division Name: Fire - Special Revenue Fund</p> <p># of FTEs: 51</p> <p>A6000: \$4,391,378 A7000: \$2,077,279 TOTAL: \$6,468,657</p>	<p>SERVICE DESCRIPTION: Funding is used to enhance public safety services for the community. This tax was originally approved by the voters in 1994 with an approved increase in September 2007 and was effective November 2007. This funding is used to implement needs assessed as additional funds from the tax become available. In addition to these funds, the general fund will continue to support public safety operations based upon Council direction.</p>
	<p>REQUIRED BY LAW/CODE/REG?: Part 2, Chapter 21, Article II. Privilege and Excise Taxes, Sec. 21-101.</p>
	<p>CURRENT PERFORMANCE DATA: In 2010, Glendale responded to a total of 43,431 dispatches through Phoenix's Computer Aided Dispatch system. This funding is used to accelerate the enhancement of public safety services for the community. This funding helps support all divisions such as: firefighting, fire prevention, fire protection, training, physical resources, emergency medical service, hazardous materials emergency response, technical rescue emergency response, and fire department units assigned to provide emergency crisis response services of the city and be responsible for developing departmental programs to protect the life and property in the city from both natural and man-made emergencies.</p>
	<p>REVENUE GENERATION:</p>
	<p>SERVICE ALTERNATIVES: Reduction in force.</p>
	<p>IMPACT OF CHANGING SERVICES: Reducing would have the potential to negatively impact service and reduce response times to medical and non-medical service requests.</p>

Fund/Division #: 2530-12390 Division Name: FTE/Budget Detail Included In: PS Training Ops - Police # of FTEs: 0 A6000: \$0 A7000: \$0 TOTAL: \$0	SERVICE DESCRIPTION: The Glendale Regional Public Safety Training Center is the current training site for Advanced Officer Training, Supervisor-Leadership Training, and Scenario Based Patrol Training. The training center is also the development site for all of the officer training videos for weekly training and officer safety tips.
	REQUIRED BY LAW/CODE/REG?: In order to provide the citizens of Glendale and its visitors with the best possible service, the police officers and employees must continuously develop their knowledge, skills and abilities. The Glendale Police Department is committed to on going professional development to foster public trust and confidence by establishing and maintaining standards of integrity, competence and professionalism.
	CURRENT PERFORMANCE DATA: In 2010, Glendale Regional Training Center provided 16,446 hours of police training.
	REVENUE GENERATION: No Revenue
	SERVICE ALTERNATIVES: Should it be necessary, the PD could use the three classrooms (Main, Foothills and Gateway Stations) for advanced officer training (AOT) classes. Arrangements would need to be made to find facilities for practical exercises related to AOT. Arrangements would also need to be made with Phoenix PD to use their driver's track and with Surprise to use their firing range.
	IMPACT OF CHANGING SERVICES: Such a change would require significant coordination for the use of external facilities for required proficiency training in firearms and driving. Our ability to maintain our current level of training would be significantly hampered, potentially exposing the department to liability for failing to train our personnel.
	FTEs ASSOCIATED W/ SERVICE: 2
	A6000/A7000 BUDGET TOTALS: A6000 - \$176,799 A7000 - \$149,242

Fund/Division #: 2530-12590 Division Name: PS Training Ops - Fire # of FTEs: 6 A6000: \$482,985 A7000: \$130,205 TOTAL: \$613,190	SERVICE DESCRIPTION: Public Safety Training Facility. It is the first and only shared use public safety training center in the Valley and its varied, unique, features and training amenities will set the standard for future public safety facilities in Arizona for many years to come. It includes a full range of facilities needed to train new firefighters and specialty training facilities to fine-tune the skills of veteran fire and police officers. The 70,000 square foot main building contains classrooms; a computer lab; a defensive tactics room; a physical fitness room; a health center; and candidate testing facilities which are used by personnel of partnering cities, MCCC's fire and police training program students, and area high school and college students. The 56-acre training site includes many props that maximize public safety officers' ability to respond to and mitigate almost any type of emergency or disaster. These valuable training assets are also available to non-partnering public safety agencies, private corporate training programs, and state and federal agencies for specialized training and educational programs.
	REQUIRED BY LAW/CODE/REG?: The Glendale Fire Department identifies training needs through an assessment of mandates, standards, certifications,

desired Insurance Service Office (ISO) Property Protection Classification (PPC) rating and job experience.
<p>CURRENT PERFORMANCE DATA: An annual average of student visits to the facility both professional and college visits amounts to over 50,000. Significant training programs include: recruit training, quarterly company training, quarterly in-house training, acting engineer certification, computer based education (i.e. Target Safety), continuing education for basic life support (BLS), advanced life support (ALS) and any other EMS Training offered i.e.; HIPAA, WMD, Blood borne Pathogens, and paramedic. Additional specialized training includes hazardous materials response, technical rescue, live fire training with natural gas, propane and class A props, drivers training and officer training. Within these programs all legal requirements are satisfied.</p>
<p>REVENUE GENERATION: Revenue received: FY 09-10 \$64,931 FY 10-11 \$71,472 FY 11-12 pending end of fiscal year All revenue received for the facility, offsets expenditures for the facility from all three accounts. In addition, the facility has hosted various conferences that have generated tax revenue to the city of Glendale by bringing guests to the local hotels and restaurants.</p>
<p>SERVICE ALTERNATIVES: Agreements to rent other cities fire training facilities and provide overtime staff to conduct needed training based on limited availability.</p>
<p>IMPACT OF CHANGING SERVICES: Traditional training would require excessive overtime and additional companies that would be taken out of service which would impact service delivery.</p>

	A6000/A7000 BUDGET TOTALS: \$298,197

Fund/Division #: 2538-12711 Division Name: Glendale Health Center # of FTEs: 0 A6000: \$0 A7000: \$44,507 TOTAL: \$44,507	SERVICE DESCRIPTION: Annual fire and police physicals, CDL physicals, work related injuries, post exposure testing, drug testing, new hire physicals, etc. Revenue account# 2538-02538-458700 and 2538-02538-458705. The current funding pays for utility costs, telephone, pc replacement charges, monthly operating fees, repair costs and annual maintenance agreements.
	REQUIRED BY LAW/CODE/REG?: IGA OSHA Respirator Standards 29 CFR 1910:134, This is a requirement for anyone that has to wear an SCBA. This requirement would encompass all firefighters and SWAT, EOD and Clan Lab police officers. NFPA 1500: Standard on Fire Department Occupational Safety and Health Programs NFPA 1582: Standard on Comprehensive Occupational Medical Program for Fire Departments
	CURRENT PERFORMANCE DATA:

<p>The Health Center currently performs AZPOST and NFPA compliant annual physicals on Glendale PD SWAT, EOD and Clan Lab officers, Peoria PD SWAT officers and over 700 west valley firefighter physicals. The Health Center also sees City of Glendale employees who have incurred a work related injury and also performs CDL physicals, new hire physicals, hearing tests, flu shots and random drug testing for city employees. Past revenue generation: FY09-10 = \$56,327.50; FY10-11 = \$73,287.50</p>
<p>REVENUE GENERATION: \$73,287.50</p>
<p>SERVICE ALTERNATIVES: Outsourcing to another provider or ending service</p>
<p>IMPACT OF CHANGING SERVICES: Glendale Firefighters have received annual physicals since 1988 through the Phoenix Health Center. Over the last two years the Glendale Health Center has been revenue positive . If the fire department had to go back to the Phoenix Health Center we would no longer be OSHA compliant as physicals would be conducted every 18 months due to the increased volume of firefighters added to the Phoenix Health Center schedule (that includes the fire departments that currently use our Health Center). There also is no guarantee that Phoenix would take us back. If forced to outsource to another medical provider, other than the Phoenix Health Center, that medical provider would have to be AZPOST and NFPA compliant per NFPA 1500. Firefighters have a 51% greater risk of having some form of cardiovascular incident than the rest of the population. The medical provider would need to have a total understanding of the medical risks associated with firefighting and understand the difference between a firefighter medically capable of doing the job or not medically capable. The outsourced provider would also need to be able to do the other ancillary requirements that our Health Center currently takes care of (return to duty, fit for duty visits, TB testing , post-exposure testing, immunizations, etc). These ancillary services would come at an additional charge on top of what the provider would charge us for the annual physicals. Ending services out of the Health Center would take away our current revenue capabilities and contracting with a provider to work out of the Health Center gives us no guarantee that the city would not pay out more money than it currently does. By having the funding resources to perform the annual physicals at the Glendale Health Center, allows the fire and police departments to track annual compliance and utilize NFPA and AZPOST trained physicians that can identify health risks and make sure the employee gets the proper treatment needed to safely do their job. Loss of approximately \$20,000 in revenue over expenditures.</p>
<p>FTEs ASSOCIATED W/ SERVICE: The FTE associated with providing this service is funded in Division 12410 as a Deputy Chief.</p>

Fund/Division #: 2440-17710 Division Name: Landfill # of FTEs: 18 A6000: \$1,062,184 A7000: \$1,673,076 TOTAL: \$2,735,260	SERVICE DESCRIPTION: Provide solid waste disposal services to the sanitation collection division, residents, businesses and the general public totalling approximately 250,000 tons annually.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Collect approximately 250,000 tons of waste annually and conduct over 130,000 transactions, while maintaining state, county and federal environmental compliance.
	REVENUE GENERATION: \$6,300,000
	SERVICE ALTERNATIVES: No service alternatives identified at this time
	IMPACT OF CHANGING SERVICES: N/A

Fund/Division #: 2440-17720 Division Name: Gas Management System # of FTEs: 0 A6000: \$0 A7000: \$163,400 TOTAL: \$163,400	SERVICE DESCRIPTION: Provide maintenance and services for landfill gas collection system to ensure environmental compliance and safety.
	REQUIRED BY LAW/CODE/REG?: Yes
	CURRENT PERFORMANCE DATA: Provide routine maintenance and modifications to over 70 gas wells at the landfill in order to maintain safe operations and environmental compliance.
	REVENUE GENERATION: There is no revenue that the city collects associated with this regulatory activity
	SERVICE ALTERNATIVES: No service alternatives identified at this time
	IMPACT OF CHANGING SERVICES: N/A

Fund/Division #: 2440-17730 Division Name: Solid Waste Admin # of FTEs: 8 A6000: \$680,677 A7000: \$82,352 TOTAL: \$763,029	SERVICE DESCRIPTION: Provide direct support services via inbound customer call center and billings, as well as manage day-to-day operations for solid waste collection, disposal and administrative support divisions.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Receive over 2,000 Incoming customer phone calls per month (24,000 annually) and generate over 700 residential work orders monthly (8,400 annually). Also manage staffing and operations of 120 FTE's and operating budget of over \$21 million dollars.
	REVENUE GENERATION:

Revenues from Sanitation and Landfill support ALL positions and functions associated with Solid Waste Admin.
SERVICE ALTERNATIVES: No service alternatives identified at this time
IMPACT OF CHANGING SERVICES: N/A

Fund/Division #: 2440-17740 Division Name: Recycling (Inspection Services) # of FTEs: 6 A6000: \$401,495 A7000: \$350,347 TOTAL: \$751,842	SERVICE DESCRIPTION: Provide weekly residential sanitation inspection services, as well as public education and outreach for sanitation & recycling service. Required by Maricopa County to inspect 15% of all residential REFUSE cans quarterly. Also contract with private specialized collections company to provide HHW program services twice a year.
	REQUIRED BY LAW/CODE/REG?: Yes
	CURRENT PERFORMANCE DATA: Over 120,000 refuse, recycling and bulk trash inspections, 5,400 tags and 8,000 educational/informative customer contacts conducted annually. Based on mandated County requirement of 15%, the city is obligated to inspect approx 31,000 residential refuse cans annually and we inspect approx 51,000 refuse cans (roughly 40% more than the mandate). The remaining 69,000 inspections are for recycling containers and bulk trash. Also, perform approximately 736 HHW collection appointment services annually. This budget also includes roughly \$155k for the ordering and replacement of residential refuse and recycling containers. The sanitation division exchanges over 400 containers each month.
	REVENUE GENERATION: This budget is included as part of the Landfill fund for inspection services that directly relate to disposal operations for the landfill and MRF.
	SERVICE ALTERNATIVES: No service alternatives identified at this time
	IMPACT OF CHANGING SERVICES: N/A

Fund/Division #: 2440-17750 Division Name: MRF Operations # of FTEs: 9 A6000: \$516,508 A7000: \$1,004,543 TOTAL: \$1,521,051	SERVICE DESCRIPTION: The Glendale Materials Recovery Facility (MRF) receives recyclable materials from households and businesses. It is a recyclables processing center designed to sort and process recycling materials into marketable goods.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Process approx 15,000 tons of material and sell approx 11,000 tons of recyclables annually. Approx. 14,000 tons come directly from the sanitation curbside collection program, and the other 1,000 tons from other sources.
	REVENUE GENERATION: \$2,300,000
	SERVICE ALTERNATIVES: No service alternatives identified at this time

IMPACT OF CHANGING SERVICES:
N/A

Fund/Division #: 2480-17810 Division Name: Sanitation Roll-off # of FTEs: 3 A6000: \$177,104 A7000: \$454,729 TOTAL: \$631,833	SERVICE DESCRIPTION: Provide roll-off bin sanitation services to businesses and residents.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Collect approx 13,000 tons of waste and conduct over 3,200 roll-off box pulls annually
	REVENUE GENERATION: \$575,000
	SERVICE ALTERNATIVES: No service alternatives identified at this time
	IMPACT OF CHANGING SERVICES: Staff is currently in the process of an operational analysis to assess the future viability of this operation.

Fund/Division #: 2480-17820 Division Name: Sanitation Frontload # of FTEs: 15 A6000: \$915,798 A7000: \$1,756,529 TOTAL: \$2,672,327	SERVICE DESCRIPTION: Provide front-load bin sanitation services to businesses and multi-family complexes.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Collect approx. 42,000 tons of waste and service over 1,000 commercial customers annually.
	REVENUE GENERATION: \$3,600,000
	SERVICE ALTERNATIVES: No service alternatives identified at this time
	IMPACT OF CHANGING SERVICES: N/A

Fund/Division #: 2480-17830 Division Name: Curb Service # of FTEs: 40 A6000: \$2,173,949 A7000: \$3,554,893 TOTAL: \$5,728,842	SERVICE DESCRIPTION: Provide residential refuse and recycling services to approximately 52,200 residential homes weekly.
	REQUIRED BY LAW/CODE/REG?: Yes
	CURRENT PERFORMANCE DATA: Service approx. 52,200 residential homes and collect approx. 60,000 tons of waste and 14,000 tons of recyclables annually. Also deliver approximately 6,500 Residential trash/recycling containers annually.
	REVENUE GENERATION: \$10,200,000

SERVICE ALTERNATIVES: No service alternatives identified at this time
IMPACT OF CHANGING SERVICES: Required by County to collect trash twice per week, but with variance, can collect once per week with two containers (recycling and refuse)

Fund/Division #: 2480-17840 Division Name: Residential-Loose Trash Collec # of FTEs: 21 A6000: \$1,184,478 A7000: \$923,967 TOTAL: \$2,108,445	SERVICE DESCRIPTION: Provide monthly residential bulk trash collection service for large bulky items that do not fit into curbside garbage containers.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Collect approx 13,000 tons of residential bulk trash annually
	REVENUE GENERATION: Revenues associated with this service are identified in curb service and are part of the monthly residential sanitation rate of \$16.30
	SERVICE ALTERNATIVES: Service could be reduced from monthly to quarterly.
	IMPACT OF CHANGING SERVICES: Savings of approx \$475,000 in salary and benefits and \$80,000 in fuel costs annually for an approximate savings of \$555,000. This would equate to a reduction of about \$1 per month on the residential sanitation bill.

Fund/Division #: 1281-16840 Division Name: Stadium - Transportation Ops. # of FTEs: 0 A6000: \$2,840 A7000: \$638,419 TOTAL: \$641,259	SERVICE DESCRIPTION: Provides traffic management and operations support for stadium events (University of Phoenix and Camelback Ranch).
	REQUIRED BY LAW/CODE/REG?: City agreements with the stadium and team.
	CURRENT PERFORMANCE DATA: Provided traffic control for events at the University of Phoenix Stadium and Camelback Ranch. Staff updated dynamic message sign information and maintained efficient exit times from University of Phoenix Stadium and Camelback Ranch events. Staff also coordinated with Police and Fire departments, ADOT, MCSO and other jurisdictions for effective traffic management.
	REVENUE GENERATION: N/A
	SERVICE ALTERNATIVES: Limit event traffic management oversight.
	IMPACT OF CHANGING SERVICES: A reduction in the services provided for event traffic management would violate the requirements in the current agreement with the stadium and teams.

Fund/Division #: 1281-16845 Division Name: Transp - Fiesta Bowl Event # of FTEs: 0 A6000: \$178 A7000: \$79,458 TOTAL: \$79,636	SERVICE DESCRIPTION: Provides traffic management and operations support for the Fiesta Bowl events.
	REQUIRED BY LAW/CODE/REG?: City agreements with the Stadium.
	CURRENT PERFORMANCE DATA: Provided traffic control, updated information on dynamic message signs and maintained efficient exit times for the Fiesta Bowl and National Championship Games. Staff also coordinated with Police and Fire departments, ADOT, MCSO and other jurisdictions for effective traffic management.
	REVENUE GENERATION: N/A
	SERVICE ALTERNATIVES: Limit event traffic management oversight.
	IMPACT OF CHANGING SERVICES: A reduction in the services provided for event traffic management would violate the requirements in the current agreement with the stadium and teams.

Fund/Division #: 1282-16830 Division Name: Arena Operations # of FTEs: 0 A6000: \$0 A7000: \$14,943 TOTAL: \$14,943	SERVICE DESCRIPTION: Provide traffic operations support to arena events.
	REQUIRED BY LAW/CODE/REG?: City agreements with the Arena.
	CURRENT PERFORMANCE DATA: Maintained traffic control and provided dynamic message signs for 71 arena events, posting messages for a total of 930 hours.
	REVENUE GENERATION: N/A
	SERVICE ALTERNATIVES: Limit event traffic management oversight.
	IMPACT OF CHANGING SERVICES: A reduction in the services provided for event traffic management would violate the requirements in the current agreement with the stadium and teams.

Fund/Division #: 1340-16810 Division Name: Traffic Signals # of FTEs: 7 A6000: \$449,740 A7000: \$389,273 TOTAL: \$839,013	SERVICE DESCRIPTION: Traffic signals are an essential part of a safe roadway system. This section provides maintenance of 193 existing traffic signals, and installs new signals as needed. Existing underground infrastructure is monitored and protected by performing utility locating services for Arizona Blue Stake. This section also coordinates implementation of federal aid construction projects.
	REQUIRED BY LAW/CODE/REG?: Yes, signalized intersections are constructed and operated within federal and local standards such as MUTCD, FHWA, ITE, IMSA, NEC, ADA, AZ Statute, Phoenix Barricade Manual and Chapter 24 of the City Code.
	CURRENT PERFORMANCE DATA: Respond to over 1,000 maintenance calls and, 2,400 Blue Stake tickets yearly. Staff maintains IMSA certifications.
	REVENUE GENERATION: N/A
	SERVICE ALTERNATIVES: Outsource maintenance and construction activities (maintenance activities should be a 24-hour service). Outsource Blue Stake responsibilities.
	IMPACT OF CHANGING SERVICES: 1.) Response time for emergency calls will be increased and rapid response to issues will potentially be delayed because the contractor would probably not be in Glendale on a daily basis, quality of work will be downgraded due to lack of knowledge of the city's existing traffic signal system, and maintenance activities would also be reduced thus increasing the probability of the city's exposure to traffic accident liabilities. 2.) Existing infrastructure could potentially be damaged due to lack of knowledge by the contractor of the city's existing underground conduit system and the inaccuracy of the locator resulting in additional costs during repairs.

Fund/Division #: 1340-16820 Division Name: Signs & Markings # of FTEs: 8 A6000: \$408,289 A7000: \$223,393 TOTAL: \$631,682	SERVICE DESCRIPTION: Traffic signs and markings are an essential part of a safe roadway system. This section provides installation and maintenance of all traffic signs and all pavement markings (striping) in the city.
	REQUIRED BY LAW/CODE/REG?: Yes, Traffic Signs & Pavement Marking installations need to conform to a national standard governed by the FHWA through the MUTCD and Chapter 24 of the City Code.
	CURRENT PERFORMANCE DATA: In 2011: 1.) Traffic Signs group repaired 4,325 signs and replaced 1,889 signs. 2.) Sign Graffiti Program cleaned and replaced 452 signs. 3.) Markings group replaced 39,855 feet of white crosswalks, 33 right arrows, 63 left arrows, and restriped over 206 miles of white and yellow paint lines on city roads.
	REVENUE GENERATION: N/A
	SERVICE ALTERNATIVES: Outsource all pavement marking and traffic sign services.
	IMPACT OF CHANGING SERVICES: Currently, both Signs and Markings crews are cross-trained for inter-operability and can also perform a variety of roadway tasks on short notice to meet emergency roadway city needs. By keeping these services in-house, we decrease the city's liability for roadway related issues. Also, If both these services are outsourced, costs will potentially be greater by engaging two specialty skills contractors. 1.) Sign Maintenance - response time to handle citizen's concerns would be increased because the contractor would not have the resources that the city currently has. Staff currently maintains approximately 100,000 street signs and responds to citizen requests for service on the same day, which decreases the city's potential for liability. 2) Pavement Marking Maintenance - contractor's ability for quick response to requests for service would be increased because the on-call contractor would probably not be in Glendale on a daily basis.

Fund/Division #: 1340-16910 Division Name: Transportation Administration # of FTEs: 1 A6000: \$53,568 A7000: \$12,493 TOTAL: \$66,061	SERVICE DESCRIPTION: Provides the first line of contact for all transportation matters for residents and officials. This section deals with citizen complaints and requests for information; responds to inquiries from internal and outside customers; administers business office duties for the department including human resources, finance, budget, IT, audit and procurement issues. Staff also represents the city on multijurisdictional matters.
	REQUIRED BY LAW/CODE/REG?: Yes, City Ordinance 2241 ensures that funding is used on voter approved transportation projects, and ARS 9-481 dedicated state funding for HURF are used for transportation purposes.
	CURRENT PERFORMANCE DATA: Responds to numerous citizen and council requests for service, including block party requests, inquiries on roadway development, street lighting, signal operations, etc. Wait times for services have been reduced significantly, as has the volume of repeated RFSs due to diligent customer follow-up practices.
	REVENUE GENERATION: N/A
	SERVICE ALTERNATIVES:

1.) Telephone and web inquiries could be contracted to a call center. 2.) Removal of liaison's duties and have department staff directly deal with Payroll, Accounting, Budget, Human Resources, Mayor and Council office. 3.) Direct all walk-in inquiries to a city-wide service center.
<p>IMPACT OF CHANGING SERVICES:</p> <p>By removing in-house Administration staff: 1) Customer satisfaction and communication with the public will decrease; while operational costs will increase. 2) Transportation's admin services will overload Internal service departments, i.e. HR, Payroll, Accounting, etc. 3) Personal interaction with customers will cease to exist and public trust will potentially be diminished. The Mayor and Council will also receive an increased volume of calls from the citizens who still choose to speak to a local live person to voice their concerns.</p>

<p>Fund/Division #: 1340-16920 Division Name: Street Light Management</p> <p># of FTEs: 1</p> <p>A6000: \$112,330 A7000: \$1,399,091 TOTAL: \$1,511,421</p>	SERVICE DESCRIPTION:
	Provides illumination of city streets for the safety of pedestrians and motorists. This section manages and maintains 19,606 city-owned street lights, provides customer service regarding street lighting concerns, works closely with other departments with regards to Street Lighting Manual Standards including plan reviews.
	REQUIRED BY LAW/CODE/REG?:
	Yes, street lighting is required by City Engineering standards and the City's Dark Skies Ordinance in conformance with the City's Street Lighting Manual. (IES of North America, Chapter 26.5 and Chapter 28 in the city code.)
	CURRENT PERFORMANCE DATA:
	Glendale was the first city in the nation to install the ROAM monitoring system on all city street lights. Since then, outages have been reduced to one-half of one percent and resident-reported concerns have dramatically declined. Staff conducts plan reviews and implements the city's lighting standards. Represents the city at the county's Dark Skies Committee and assuring the city's compliance with the Dark Skies Ordinance. Repairs to street lighting equipment are currently outsourced to reduce costs related to service equipment and staffing.
	REVENUE GENERATION:
	\$6,368.86, Plan Check Fee Rev (1000 01000 423000)
	SERVICE ALTERNATIVES:
	1.) Cut power to thousands of lights to reduce electricity costs. 2.) Postpone maintenance efforts to street lighting equipment.
	IMPACT OF CHANGING SERVICES:
	1.) By disconnecting power to street lights, the city will potentially be exposed to financial liability if lack of street lighting is identified as a factor in the event of roadway accidents. Also, it will take the city 6-years to recover initial costs and start benefiting from energy savings due to fees charged by the power companies to disconnect and reconnect service. 2.) Postponed maintenance expenses will create a back-log and expenses will continue to be compounded because repairs will eventually have to be made.

Fund/Division #: 1340-16940 Division Name: Traffic Studies # of FTEs: 3 A6000: \$273,759 A7000: \$14,488 TOTAL: \$288,247	<div data-bbox="485 50 1965 228"> <p>SERVICE DESCRIPTION: This section provides an essential traffic safety function for pedestrians and motorists. Staff reviews, approves and inspects construction work zones (barricades) within the City right-of-way and responds to requests for traffic safety, roadway signs, school zones, traffic signals, and traffic accident data. Staff also prepared grant applications for federal safety funds (pedestrian countdown heads and intersection improvements).</p> </div> <div data-bbox="485 228 1965 407"> <p>REQUIRED BY LAW/CODE/REG?: Yes, City Code section 24-44 through 24-49 for the temporary work zone traffic management program. For new signs, signals and mitigation there are state and national guidelines that need to be followed to limit liability by conforming to the standards of MUTCD, AASHTO, Phoenix Barricade Manual, TRB's Highway Capacity Manual, and accessibility guidelines (ADAAG) by U.S. Department of Justice.</p> </div> <div data-bbox="485 407 1965 586"> <p>CURRENT PERFORMANCE DATA: 1.) The barricade program group reviews, approves and inspects approximately 700 temporary work zones (barricades) per year. 2.) The studies group responds to approximately 200 requests per year including RFSs and requests stemming from the Mayor and Council Offices. Staff secured several federal funding to convert all the traffic signals in the City with pedestrian crossings to pedestrian countdown heads.</p> </div> <div data-bbox="485 586 1965 699"> <p>REVENUE GENERATION: \$1,429.30 Barricade-Plan Review Fee (1000 01000 406505); \$43,028.87 Barricade-Permit Fee, (1000 01000 406510); \$47,819.24 Barricade-Certifications Fee, (1000 01000 406500)</p> </div> <div data-bbox="485 699 1965 805"> <p>SERVICE ALTERNATIVES: 1.) Hire a contractor to approve and inspect work zones. 2.) Hire a consultant to perform traffic studies.</p> </div> <div data-bbox="485 805 1965 1058"> <p>IMPACT OF CHANGING SERVICES: 1.) Requests for work zone restrictions are reviewed, permitted and inspected every day. If this program was outsourced, the quick turnaround (usually the same day) would not occur. This would delay construction projects and development, and place additional liability on the City for not inspecting work zones promptly. 2.) Outsourcing traffic studies would not be cost effective for the City because of the number of small studies and design projects per year (approximately 200). A design consultant's overhead and profit markup is better suited for larger projects, not hundreds of small projects.</p> </div>
--	--

Fund/Division #: 1340-16950 Division Name: Traffic Design and Development # of FTEs: 3 A6000: \$307,368 A7000: \$7,708 TOTAL: \$315,076	<div data-bbox="485 1138 1965 1349"> <p>SERVICE DESCRIPTION: To ensure that all public and private development complies with established traffic safety standards. This section reviews and approves all plans submitted to Transportation Services (except street lighting and fiber optic plans); inspects and approves Certificate of Occupancy for developments; coordinates and inspects all pavement marking projects in the city; and prepares in-house designs for pavement marking and traffic signal projects. Represents the City on Maricopa Association of Governments (MAG) Safety and Streets committees.</p> </div> <div data-bbox="485 1349 1965 1492"> <p>REQUIRED BY LAW/CODE/REG?: Yes, plan reviews are governed by the City's Engineering Standards & City Code Chapter 24 and 28 approved by Council. All traffic signal and pavement marking designs have to conform to the MUTCD. Other national guidelines that the City is required to follow are AASHTO and ADAAG.</p> </div>
--	---

<p>CURRENT PERFORMANCE DATA: This group reviews approximately 100 pre-applications, Design Review submittals, and Construction Design submittals per year.</p>
<p>REVENUE GENERATION: \$16,631.80 Traffic Eng. Plan Check Fee Rev (1000 01000 423000);</p>
<p>SERVICE ALTERNATIVES: Traffic signal and pavement marking designs are sometimes outsourced to a design consultant in lieu of city staff depending on the complexity of the project and time constraints.</p>
<p>IMPACT OF CHANGING SERVICES: Plan reviews are required to identify traffic and parking issues related to development and then to identify countermeasures to mitigate these issues. Issues related to outsourcing this service: 1) Staff will still need to review the consultant's design to protect public interest. At times the private developer's design consultant also does not provide quality designs, which has to be addressed by city staff. 2) Staff will need to be available to respond to difficult design issues, and variances to design standards and policies. 3) A consultant would not be privy to local knowledge and history.</p>

<p>Fund/Division #: 1650-37200 Division Name: Grant Approp - Transportation # of FTEs: 0 A6000: \$289,167 A7000: \$479,598 TOTAL: \$768,765</p>	<p>SERVICE DESCRIPTION: Reserve grant appropriation is needed to support FTA grants to continue serving Glendale residents.</p>
	<p>REQUIRED BY LAW/CODE/REG?: Yes, when a grant award is accepted by City Council, appropriation is legally required in order to spend the funds that were granted to the city. This appropriation is part of the adopted budget.</p>
	<p>CURRENT PERFORMANCE DATA: No cash backing" exists for this grant reserve appropriation until an actual grant is accepted by the City and the funding source for the grant is identified. Individual grant projects or divisions are created to track grant awards after the appropriate council communication is acted upon by Council. Any unused grant reserve appropriation expires at FY end and is not carried over into the next FY.</p>
	<p>REVENUE GENERATION: N/A</p>
	<p>SERVICE ALTERNATIVES: N/A</p>
	<p>IMPACT OF CHANGING SERVICES: N/A</p>

<p>Fund/Division #: 1660-16510</p> <p>Division Name: Transportation Program Mgmt</p> <p># of FTEs: 6</p> <p>A6000: \$652,309</p> <p>A7000: \$752,928</p> <p>TOTAL: \$1,405,237</p>	<p>SERVICE DESCRIPTION: Through Transportation Planning and regional coordination, this section 1.) identifies transportation projects to meet Glendale needs 2.) help shape regional projects in accordance with Glendale's needs and 3.) secures State, Regional and Federal funding for Transportation projects in Glendale. 4.) administers the GO Transportation Program, including transportation planning, funding, and implementing multiple programs and contracts.</p> <p>REQUIRED BY LAW/CODE/REG?: Yes, A.R.S. 9-461.05 (General plans; authority; scope) among other elements requires a circulation (transportation) element of the General Plan. City Ordinance 2241 requires staff support in planning and programming to CTOC. The Ordinance also requires an annual financial report, a long range transportation program, and a triennial performance audit. The City is required to enter into IGA/JPA with ADOT and MCDOT for the completion of projects. Staff coordinates the efforts between the state/region and the City.</p> <p>CURRENT PERFORMANCE DATA: Multiple street, bicycle pedestrian, and transit projects have been completed to date under the GO Program. Environmental Assessment has been completed and a FONSI has been secured for the Northern Parkway project to proceed with design and construction. Glendale is the only city to have secured a FONSI on a major project, which normally is secured by state DOTs. Loop 303, Grand Avenue, and Northern Parkway will all be under construction in the near future. Staff is involved in acquisition of properties for ROW needs on transportation projects. Prepared Council Communications for Transportation contracts, projects and programs. The last Transportation Plan was completed in 2008-09 and the next one is anticipated in 2013-14, which would require work start in 2012-13. The last GO Program audit was completed in 2009-10 and the next one is anticipated in 2012-13. The FY 2011 Annual Report was presented to CTOC on 1/5/2012. FY 2012-2036 Program of Projects was presented to COTC on 9/1/2011. Staff represents the City's transportation financial interests and secures federal, regional and other funds. Examples are: \$14.0M for L101/Maryland HOV ramps, \$1.8M for HES intersections, \$2.5M for 63rd Ave/L101 Ped. Bridge, \$260.0M for Northern Parkway in Federal/Regional and other jurisdictional funds, \$12.0M for Grand Avenue Improvements.</p> <p>REVENUE GENERATION: N/A</p> <p>SERVICE ALTERNATIVES: 1.) Contract with consultants to provide services provided by staff to comply with State and City regulations and represent Glendale at regional organizations.</p> <p>IMPACT OF CHANGING SERVICES: 1.) Securing Federal funds & Planning and Management are better done in-house to provide continuity and to better serve city's interests. Consultants would not have the same insight and continuity that the City gets from in-house staff.</p>
--	--

Fund/Division #: 1660-16520 Division Name: Transportation Education # of FTEs: 0.5 A6000: \$47,243 A7000: \$133,095 TOTAL: \$180,338	SERVICE DESCRIPTION: Creates, plans, organizes, implements, and manages traffic education programs, curriculums, and special events to increase traffic safety awareness and preparedness for Glendale residents. Staff represents the City on various multijurisdictional committees.
	REQUIRED BY LAW/CODE/REG?: Yes, Prop 402 - half-cent sales tax to pay for transportation and other improvements.
	CURRENT PERFORMANCE DATA: Bicycle/Pedestrian Safety Rodeos (2 annually), Regional Crossing Guard Training (over 500 trained annually), Safe Routes To School mapping (50 K-8 schools annually), Be Safe Be Seen campaign, Walk & Bike Your Child To School (10,000 K-8 students and staff annually), Safe Route To School Grant Funding, K-8 (two grants submitted for Cycle 6), Community/ Health Fairs (3 annually), Glendale Family Bike Ride (500 average attendance), Bus Buddies and BAG IT (50/75 educated annually).
	REVENUE GENERATION: N/A
	SERVICE ALTERNATIVES: Some services could be supported through Valley Metro or County programs
	IMPACT OF CHANGING SERVICES: Services would not be tailored to Glendale's community needs and their availability would be limited. Community needs and timeframe might not fit with Valley Metro or/and County's calendar.

Fund/Division #: 1660-16525 Division Name: Transit Management # of FTEs: 1 A6000: \$85,167 A7000: \$2,015 TOTAL: \$87,182	SERVICE DESCRIPTION: Ensures management of high quality transportation options for Glendale residents. This division ensures compliance with federal and regional regulations, and oversees DAR, ADA, GUS, and Fixed Route services. Represents the City on various multijurisdictional committees.
	REQUIRED BY LAW/CODE/REG?: Yes, Prop 402 - half-cent sales tax to pay for transportation and other improvements.
	CURRENT PERFORMANCE DATA: In FY 2011, staff secured six grants that directly offset the cost of transit services. In FY2012, staff has secured five grants to date to directly offset the cost of service. Cumulatively, these grants will have brought in more than \$4.65 million federal dollars to Glendale. Transit Management staff is responsible for overseeing service for more than 2,500,000 annual trips taken on Glendale's transit services and manages Glendale's \$85 million allocation from the regional transit plan.
	REVENUE GENERATION: N/A
	SERVICE ALTERNATIVES: N/A
	IMPACT OF CHANGING SERVICES: As part of Prop 400, Glendale has a dedicated share of the regions transit plan management is required to oversee this funding for transit programs and contracts.

Fund/Division #: 1660-16530 Division Name: Dial-A-Ride # of FTEs: 30.15 A6000: \$1,544,120 A7000: \$684,859 TOTAL: \$2,228,979	SERVICE DESCRIPTION: Providing citizens with paratransit services; Dial-a-Ride and ADA eligible transportation services.
	REQUIRED BY LAW/CODE/REG?: Yes, Prop 402 - half-cent sales tax to pay for transportation and other improvements.
	CURRENT PERFORMANCE DATA: In 2011, staff received calls and scheduled over 92,000 trips for Dial-A-Ride and ADA Eligible citizens. Most of these were critical-needs trips taken by members of Glendale's vulnerable population, including seniors and persons with disabilities. Currently Glendale Transit service is the most efficient in the valley.
	REVENUE GENERATION: Fares collected: \$105,468.27 1660-16530-422400 1660-01660-422400
	SERVICE ALTERNATIVES: Contract with outside provider
	IMPACT OF CHANGING SERVICES: If DAR service is eliminated, most of our passengers will become ADA certified and we will be required by federal law to provide transportation under the Americans with Disabilities Act. ADA service is more configured and therefore more inefficient than DAR service. This will cause a reduced level of service at the same or higher cost. Moreover, outsourcing the service will result in fewer rides at similar or higher cost. In addition, current FTE's are covered by federal labor provisions which could pose additional cost to outsourcing. This would need to be determined through the attorney's office. Almost all Dial-a-Ride trips are taken by members of Glendale's vulnerable population. These are life-critical trips to doctor's appointments, dialysis, food centers, and adult day care for persons with dementia. The few transportation alternatives that exist for this population would be very costly and could not be afforded by this demographic.

Fund/Division #: 1660-16540 Division Name: Fixed Route # of FTEs: 6.1 A6000: \$487,173 A7000: \$4,994,392 TOTAL: \$5,481,565	SERVICE DESCRIPTION: Providing citizens with transportation options; Glendale Urban Shuttle, Fixed Route Service, and Taxi Subsidy Program. Administer contracts to maintain bus stops in Glendale
	REQUIRED BY LAW/CODE/REG?: Yes, Prop 402 - half-cent sales tax to pay for transportation and other improvements.
	CURRENT PERFORMANCE DATA: In 2011, 110,913 rides were provided by the Glendale Urban Shuttle; 2,299,506 passengers utilized Fixed Route bus service; and 5,607 special needs users availed of the Taxi program. Staff also administered contracts for the maintenance of 525 bus stops within the city's transit system.
	REVENUE GENERATION: GUS - \$22,292 (FY11) 1660-16540-423200
	SERVICE ALTERNATIVES: 1.) Contract with outside provider for the local circulator (GUS). 2.) Reduce GUS service. 3.) Reduce bus stop maintenance. All other services listed are currently outsourced.
	IMPACT OF CHANGING SERVICES:

1.) If GUS service is eliminated, demand on the more costly DAR service will increase. In addition, if the taxi subsidy program is eliminated, most riders will shift to the costlier ADA service as all the current passengers are ADA-certified and need to get to and from medical provider's office (dialysis). If GUS service is outsourced, it could increase the overall cost to the city. 2.) Some GUS service could be reduced by eliminating one or two of the routes. This could still have the effect of causing riders to use DAR, particularly riders from GUS 3 route. Most of the GUS service is provided to low-income persons who are transit dependent. 3.) Eliminating bus stop maintenance is not an option. Reducing the level of service from current frequency will result in unsanitary conditions.

Fund/Division #: 1660-16550 Division Name: Demand Management # of FTEs: 0.5 A6000: \$42,577 A7000: \$42,000 TOTAL: \$84,577	SERVICE DESCRIPTION: To reduce single occupant vehicle trips and/or miles traveled to the worksite. The city is required to implement a Trip Reduction Program.
	REQUIRED BY LAW/CODE/REG?: Yes, in an ongoing effort to comply with federal air quality standards the Trip Reduction Ordinance is the result of a bill passed by the Arizona legislature in 1988 (Omnibus Air Quality Act - ARS 49-581 et seq).
	CURRENT PERFORMANCE DATA: Staff conducts an Annual Trip Reduction Survey collecting data from three site locations: (Operation Center: 84% response rate and 47% use an alternative/modified work schedule. Various Work Sites: 94% response rate and 52% use an alternative/modified work schedule. City Hall: 88% response rate and 51% use an alternative/modified work schedule.) This program also administers the city's bus subsidy program providing city employees and volunteers with subsidized mode of transportation using the Valley's transit system. This benefit encourages increased use of alternative modes of transportation.
	REVENUE GENERATION: N/A
	SERVICE ALTERNATIVES: N/A
	IMPACT OF CHANGING SERVICES: If Glendale does not comply with this program, we will potentially be liable for civil penalties as stated in County Code 49-593, and funding from the county, state and federal sources could also be withheld.

Fund/Division #: 1660-16570 Division Name: Intelligent Transportation Sys # of FTEs: 5 A6000: \$445,009 A7000: \$183,690 TOTAL: \$628,699	SERVICE DESCRIPTION: ITS provides an essential function for the safety of motorists and enhances the efficiency of the roadway system. 1.) Responsible for management, operations, and expansion of the City's Intelligent Transportation System (ITS) including representing the City on various multijurisdictional committees 2.) Oversight of the event traffic management plans for the Sports and Entertainment District (S&ED) area.
	REQUIRED BY LAW/CODE/REG?: Yes, ITS - MUTCD (City Code 24-16, 31, 36, and 37), ITE Guidelines, IMSA, voter approved GO Transportation Program, ARS Section 28, and ADA - AG; Event Traffic Management - MUTCD, Phoenix Barricade Manual, and Various City Agreements with the S&ED partners.

<p>CURRENT PERFORMANCE DATA: In 2011 staff responded to citizen inquiries on traffic signal timing; received 3,120 request for blue stakes and located the city's fiber 780 times; managed dynamic message signs for 140 events; managed federally funded projects in the amount of \$1,170,000 over the past year; secured \$3.9 million in federal/regional funds for ITS projects in the past five years; maintained an efficient vehicle egress time from University of Phoenix Stadium Events, and Camelback Ranch events.</p>
<p>REVENUE GENERATION: Traffic Eng. Plan Check Fee Rev (1000 01000 423000); DIF-Roadway Improvements, (1600 01600 405600)</p>
<p>SERVICE ALTERNATIVES: 1.) Contract out blue staking. 2.) Limit event traffic management oversight.</p>
<p>IMPACT OF CHANGING SERVICES: 1.) The City's fiber communication system carries mission critical data for nearly every department in the city. Sustained or repeated interruption due to inaccurate or unmarked communications lines would have a catastrophic impact to the City's operation. Further an efficient traffic signal system is a quality of life issue for the traveling public. Inconsistent communications could result in unnecessary delays and also a reduction in air quality. 2.) A reduction in the services provided for event traffic management would violate the requirements in the current City agreements with AZTAC and the Cardinals.</p>

<p>Fund/Division #: 1660-16580 Division Name: Traffic Mitigation</p> <p># of FTEs: 1</p> <p>A6000: \$81,731 A7000: \$250,528 TOTAL: \$332,259</p>	<p>SERVICE DESCRIPTION: Eliminate traffic hazards and enhance safety for the motorists, pedestrians, and bicyclists in the city. This section provides professional traffic engineering analysis and review for the city's traffic mitigation program, and works closely with neighborhoods and residents. Provides representation for the City on various multijurisdictional committees.</p>
	<p>REQUIRED BY LAW/CODE/REG?: Yes, Prop 402, half-cent sales tax provides funding for enhancement of safety projects for multi-modal transportation options, and to increase the efforts related to neighborhood traffic mitigation to address traffic safety concerns in the city.</p>
	<p>CURRENT PERFORMANCE DATA: Manages and coordinates efforts with various City departments such as Police and Fire, Building Safety, Planning, Marketing, Engineering to provide professional engineering services with regards to transportation related issues and neighborhood safety concerns.</p>
	<p>REVENUE GENERATION: N/A</p>
	<p>SERVICE ALTERNATIVES: Increase in-house traffic counts</p>
	<p>IMPACT OF CHANGING SERVICES: 1.) The City has been saving money using in-house staff to provide field counts and observe traffic concerns identified by residents. 2.) Outsourcing traffic studies would not be cost effective for the City because of the number of small studies and design projects per year (approximately 200). A design consultant's overhead and profit markup is better suited for larger projects, not hundreds of small projects.</p>

Fund/Division #: 1660-16590 Division Name: Transportation CIP O&M # of FTEs: 0 A6000: \$0 A7000: \$113,893 TOTAL: \$113,893	SERVICE DESCRIPTION: This budget department provides for O&M costs for completed GO Transportation Program CIP projects.
	REQUIRED BY LAW/CODE/REG?: All completed CIP projects are funded for ongoing O & M expenses.
	CURRENT PERFORMANCE DATA: Maintenance of projects completed by the GO Transportation program include Downtown Pedestrian Improvements, 63rd Avenue Bridge @ Loop 101, 43rd Avenue intersection improvements, 51st Avenue intersection improvements, Glendale Avenue intersection improvements, 75th Avenue intersection improvements, 83rd Avenue intersection improvements, 95th Avenue, Bethany Home Road, Glendale Avenue & Loop 101 Park-and-Ride, and other street/bike/pedestrian/transit projects.
	REVENUE GENERATION: N/A
	SERVICE ALTERNATIVES: N/A
	IMPACT OF CHANGING SERVICES: Inadequate funding will lead to higher costs for future maintenance.

Fund/Division #: 1760-16410 Division Name: Airport Operations # of FTEs: 4 A6000: \$339,107 A7000: \$141,422 TOTAL: \$480,529	SERVICE DESCRIPTION: Glendale Municipal Airport is a vital asset for Glendale events, providing aeronautical services to the community, and future business development and employment center opportunities. Airport staff provides planning, management and operational services for the airport.
	REQUIRED BY LAW/CODE/REG?: Yes, required compliance with FAA rules, regulations, Grant Assurances, State of Arizona Revised Statutes, and City of Glendale Building and Fire Codes
	CURRENT PERFORMANCE DATA: The Airport averages 100,000 take-offs and landings each year, The Airport accommodates over 300 general aviation aircraft as part of the FAA's National Plan of Integrated Airport Systems (NPIAS). The Airport also rents out 17 suites within the terminal building, leases land around the Airport property, and manages aviation fuel sales, and 196 tie-down spaces.
	REVENUE GENERATION: TOTAL AIRPORT REV= \$493,000 \$7,941.94 Utility Service Income, (1760 01760 424800); \$176.62 Miscellaneous Revenues, (1760 01760 455800); \$5,491.61 Airport Hangar Rental, (1760 01760 458500); \$1,040 Vehicle Access Card Revenue, (1760 01760 458600); \$27,799.22 Tie down Fee Revenue, (1760 01760 458800); \$6,414.50 Transient Tie down Revenue, (1760 01760 459000); \$34,681.98 Fuel Flowage Fee Revenue, (1760 01760 459200); \$72,371.80 FBO Rental Contract/Sponsor, (1760 01760 459400); \$83,028.07 Office Rental - Aviation, (1760 01760 459600); \$4,869.42 Office Rental - Non - Aviation, (1760 01760 459800); \$341.70 Non-Refundable Cleaning Dep, (1760 01760 459850); \$132 Landing Fee Revenue, (1760 01760 460000); \$230,595.29 Cargo & Hangar - Land Rental, (1760 01760 460200); \$17,943.99 Comm 'l Acct Airport, (1760 01760 460600); \$323 Conf Room Fees, (1760 01760 460800); (77.00) Tiedown Fee Revenue, (1760 16410 458800); (11.25) Transient Tiedown Revenue, (1760 16410 459000)
	SERVICE ALTERNATIVES:

Reduce several fixed costs, e.g. remove pay phones in terminal area, and use Transportation's Markings crew instead of outside contractor whenever possible. Utilize volunteer employees. Privatization of the Municipal Airport.

IMPACT OF CHANGING SERVICES:

Privatization would eliminate revenues of over \$493,000. However, a preliminary application to sell or lease the Airport under the FAA's Pilot Privatization Program may not be considered by the FAA due to their scrutiny of the potential operator's ability for safety, security, and other assurances. The Airport may be held responsible to pay back all Federal Grant Funds that were received based on this. Limited outsourcing of specific services or functions may be beneficial to reducing overall expenses.

All Other	1,644
	<u>\$24,828</u>

Fund/Division #: 1000-12910 Division Name: HazMat Incidence Response # of FTEs: 0 A6000: \$0 A7000: \$26,845 TOTAL: \$26,845	SERVICE DESCRIPTION: Contractual services for the clean-up of chemical spills on streets and the disposal of hazardous wastes from city property (streets and rights-of-way).
	REQUIRED BY LAW/CODE/REG?: Yes. Federal and state hazardous waste and storm water quality laws require the proper clean-up and disposal of hazardous chemicals.
	CURRENT PERFORMANCE DATA: Compliance with federal and state laws. Chemical spills on city streets and rights-of-ways occur periodically. The city contacts hazardous waste contractors immediately to assess and provide the services needed to protect the public and the environment.
	REVENUE GENERATION: \$0
	SERVICE ALTERNATIVES: These services are currently outsourced because of the unique and specialized function of hazardous material response.
	IMPACT OF CHANGING SERVICES:

Fund/Division #: 2360-17010 Division Name: Environmental Resources # of FTEs: 5 A6000: \$494,435 A7000: \$39,340 TOTAL: \$533,775	SERVICE DESCRIPTION: Provides technical assistance, professional consultations/advice, plans and programs to city on environmental and water resources planning. Plans and program areas include assured water supply, SRP and CAP agreements, AMWUA regional cooperation, water use reporting, water settlements, air quality commitments and reporting, air quality permits, storm water oversight, and environmental compliance.
	REQUIRED BY LAW/CODE/REG?: Yes. The city needs to comply with a myriad of environmental and water resources requirements. Key requirements include: Clean Water Act, Safe Drinking Water Act, Clean Air Act, Resource Conservation and Recovery Act, Arizona Groundwater Code, Arizona Water Quality laws, and the Colorado River Compact.
	CURRENT PERFORMANCE DATA: Compliance with a variety of federal and state laws pertaining to the environment. Maintaining an assured water supply and optimizing the city's water resources.
	REVENUE GENERATION: \$0
	SERVICE ALTERNATIVES: An alternative is for the city to outsource environmental and water resource services, programs and planning.
	IMPACT OF CHANGING SERVICES: The feasibility and the impact of outsourcing the service will require study. Unbundling the current program and services may reduce the level and quality of programs and services to the public. Compliance with complex federal environmental and state water resources requirements may be at risk.

Fund/Division #: 2360-17110 Division Name: Utilities Administration # of FTEs: 12 A6000: \$926,617 A7000: \$613,995 TOTAL: \$1,540,612	SERVICE DESCRIPTION: This division provides leadership, administrative oversight and support for the Water Services Department. Critical functions include: research, collection and refinement of information, reports and correspondence to elected officials, city management, citizens, and general public; complaint and problem resolution, and general administrative support and customer service to a department of over 200 staff.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Annual financial planning and rate analysis; over 700 phone calls answered; thirteen Council Communications written and presented in FY11 and twelve to date in FY 12; 164 Purchase Orders processed for materials and services in FY11.
	REVENUE GENERATION: 2400-02400-470400 Water Revenues \$43,325,736 2420-02420-471400 Sewer Revenues \$31,766,410 2380-02380-448200 Water DIF \$250,000 2380-02380-448600 Sewer DIF \$100,000 2400-02400-491200 General Fees(Tampering, Unauthorized use, Delinquent fee, After hour reconnect, other misc fees) \$1,079,555 2360-02360-471600 Effluent Rev \$348,000 2360/2400/2420 Late Charges \$215,298 2360/2400/2420-Various Miscellaneous Rev \$115,669 230-02360-427600 Admin Chgebacks \$82,000 2360/2380/2400/2420-Various Interest Income \$22,000
	SERVICE ALTERNATIVES: Some administrative functions could be outsourced. A comprehensive analysis would need to be conducted for feasibility.
	IMPACT OF CHANGING SERVICES: Cost implications of outsourcing would need to be evaluated. Decreased long term knowledge of administration and operations could result in non compliance issues.

Fund/Division #: 2360-17120 Division Name: Information Management # of FTEs: 6 A6000: \$548,737 A7000: \$238,450 TOTAL: \$787,187	SERVICE DESCRIPTION: This division maintains Supervisory Control and Data Acquisition(SCADA) software, hardware, data collection, and related equipment for Water and Wastewater facilities and supports other software, computer, data needs pertaining to maintenance, GIS, billing, meter reading, security, pretreatment, sewer CCTV, blue stake, and the help desk.
	REQUIRED BY LAW/CODE/REG?: Yes. Mandatory Federal, State, County, and local compliance reports are generated by this division.
	CURRENT PERFORMANCE DATA: All SCADA outages are responded to in less than 4 hours. 499 of 565 (88%) regular status requests were resolved in < 4 business days. Provided automation input and oversight for all projects.
	REVENUE GENERATION: \$0
	SERVICE ALTERNATIVES:

Some functions could be outsourced. A comprehensive analysis would need to be conducted for feasibility.
IMPACT OF CHANGING SERVICES: Facilities could be run in manual mode w/o SCADA and necessary reports could be generated manually. Increased staffing levels would be required to adequately man facilities, generate reports, and to ensure regulatory compliance.

Fund/Division #: 2360-17130 Division Name: Public Service Representatives # of FTEs: 4 A6000: \$166,205 A7000: \$43,544 TOTAL: \$209,749	SERVICE DESCRIPTION: The PSR's operate and maintain all city wells, well sites, and reservoirs. Services include: receiving all after-hour and weekend calls from the public and other city departments; responding to water quality complaints; performing security checks of outlying city owned properties and remote sites; meeting or talking daily with contractors regarding emergency turn off of city mains; meeting with SRP and Century Link crews at well sites; providing emergency Blue Stake service as needed; assisting in changing chlorine cylinders at well sites, reservoirs, and water treatment.
	REQUIRED BY LAW/CODE/REG?: Yes. Requirements regulated by Maricopa County and the Arizona Department of Environmental Quality (ADEQ). Staff must maintain Arizona Department of Environmental Quality (ADEQ) certifications, and follow all City, State, and Federal regulations related to the Safe Drinking Water Act.
	CURRENT PERFORMANCE DATA: PSRs provide 18 hours per day, 7 days a week coverage in the field completing and inspecting groundwater and production wells, making security checks of Booster Stations, Zone Splits, and Reservoirs and assisting Customer Service after hours in turn ons of residential and commercial water (6 to 12 a week.) PSRs take dozens of water samples monthly for the Water Quality Lab.
	REVENUE GENERATION: \$0
	SERVICE ALTERNATIVES: Contract Operation & Maintenance companies are available for outsourcing of these functions. A feasibility study would be required.
	IMPACT OF CHANGING SERVICES: Contract operations can result in decreased long term knowledge of operation and maintenance needs. Regulatory compliance issues would need to be considered.

Fund/Division #: 2360-17140 Division Name: System Security # of FTEs: 10 A6000: \$613,286 A7000: \$143,191 TOTAL: \$756,477	SERVICE DESCRIPTION: Security maintains and monitors the physical security systems used to protect assets designated critical infrastructure 24/7. The utilization of automated access control, intrusion detection and assessment systems allows protection of multiple sites and personnel in an efficient and cost effective manner. The Safety Officer functions fall under this division. The Safety Officer ensures employee safety training is conducted regularly, and monitors all department projects to ensure OSHA standards are met.
	REQUIRED BY LAW/CODE/REG?: Yes. Homeland Security Presidential Directive #7, "Critical Infrastructure Identification, Prioritization and Protection" requires designated assets be protected from terrorist attacks. Occupational Safety and Health Administration regulations govern workplace safety.

CURRENT PERFORMANCE DATA: There is no quantitative data regarding the performance of the physical security systems. However, the protection strategy relies on multiple layers of protection and there have been no malevolent acts against city assets. Regarding safety, the accident/injury rate is well below the typical occurrence rates for water utilities.
REVENUE GENERATION: \$0
SERVICE ALTERNATIVES: Security and safety services could be provided by contractors external to COG.
IMPACT OF CHANGING SERVICES: Security and safety could be outsourced, but the cost implications have not been evaluated. Reductions in security and safety services would have a corresponding increase in risk and/or liability.

Fund/Division #: 2360-17150 Division Name: Property Management # of FTEs: 0 A6000: \$0 A7000: \$87,000 TOTAL: \$87,000	SERVICE DESCRIPTION: Management of the land purchased in 2005 for future expansion of the Field Operations complex. (Lazy J Trailer Park)
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Currently 23 of the 72 spaces are occupied by renters who pay a monthly fee to reside in the area.
	REVENUE GENERATION: 2360-17150-454450 Rental Income \$60,000
	SERVICE ALTERNATIVES: Sell the land.
	IMPACT OF CHANGING SERVICES: Sale would reduce the land available for future expansion of field operations and possibly displace current residents.

Fund/Division #: 2360-17160 Division Name: Arrowhead Reclamation Plant # of FTEs: 12 A6000: \$878,775 A7000: \$1,212,534 TOTAL: \$2,091,309	SERVICE DESCRIPTION: The Arrowhead Ranch Water Reclamation Facility (ARWRF) and associated lift stations treat sewage to meet Class A+ effluent standards. Effluent is delivered to the Arrowhead Ranch lake system and recharged to the aquifer. All treated effluent produced by this facility is the property, by contract, of the Arrowhead Amenities HOA.
	REQUIRED BY LAW/CODE/REG?: Yes. The facility operates pursuant to Federal EPA Clean Water Act (CWA) and Glendale City Code Chapter 33. Staff must maintain applicable Arizona Department of Environmental Quality (ADEQ) certifications.
	CURRENT PERFORMANCE DATA: The facility treated 929 million gallons of wastewater and recharged 102 million gallons of effluent during 2010.
	REVENUE GENERATION: \$0
	SERVICE ALTERNATIVES: Contract Operation & Maintenance companies are available for outsourcing of these functions. A feasibility study would be

required.
IMPACT OF CHANGING SERVICES: Contract operations can result in decreased long term knowledge of operation and maintenance needs for this facility. Regulatory compliance issues would need to be considered.

Fund/Division #: 2360-17170 Division Name: West Area Plant # of FTEs: 14 A6000: \$951,448 A7000: \$2,574,775 TOTAL: \$3,526,223	SERVICE DESCRIPTION: The West Area Water Reclamation Facility (WAWRF) and associated lift stations treat a major portion of the city's sewage to meet class A+ effluent standards for aquifer recharge and reuse.
	REQUIRED BY LAW/CODE/REG?: Yes. The facility operates pursuant to Federal EPA Clean Water Act (CWA) and Glendale City Code Chapter 33. Staff must maintain applicable Arizona Department of Environmental Quality (ADEQ) certifications.
	CURRENT PERFORMANCE DATA: This facility is used to treat approximately 2 billion gallons of sewage annually. This treated effluent is used to irrigate the Glendale Baseball Training Complex, the Zanjero/Westgate commercial areas and fill the Jobing.com Arena Lake. ADWR Groundwater Recharge credits are earned through the Glendale Aquifer Recharge Facilities and these credits are used to offset the cost of well water used to meet the domestic water needs for Glendale.
	REVENUE GENERATION: \$0
	SERVICE ALTERNATIVES: 1) Abandon infrastructure and purchase additional capacity in 91st Ave Regional WWTP. 2) Contract Operation and Maintenance companies are available for outsourcing. A feasibility study would be required.
	IMPACT OF CHANGING SERVICES: Loss of recharge credits would occur if flows to the West Area Water Reclamation Facility were reduced in favor of increasing capacity at the 91st Ave. Regional facility. Contract operations can result in decreased maintenance and result in increased costs in the long term. Regulatory compliance issues would need to be considered in evaluating outsourcing.

Fund/Division #: 2360-17420 Division Name: Water Quality # of FTEs: 10 A6000: \$698,325 A7000: \$445,080 TOTAL: \$1,143,405	SERVICE DESCRIPTION: Water quality sampling, analysis, documentation and reporting, including water quality compliance monitoring, new main testing, new source testing, water quality characterization, annual consumer confidence reporting, lab data management, public notification planning and responding to customer service requests.
	REQUIRED BY LAW/CODE/REG?: Yes. Federal, State and County water quality requirements. Key requirements are the Safe Drinking Water Act and Clean Water Act.
	CURRENT PERFORMANCE DATA: Annual Water Quality Report. Compliance with regulatory requirements. The Lab analyzes approximately 13,000 samples per year. Number of parameters the Lab is qualified to perform 192.
	REVENUE GENERATION: \$0
	SERVICE ALTERNATIVES:

An alternative is for the city to use a private water quality laboratory or laboratories to collect samples, perform water quality tests, document, and report water quality.
<p>IMPACT OF CHANGING SERVICES:</p> <p>The feasibility and impact of outsourcing lab services will require study. Outsourcing lab sampling and tests may reduce the responsiveness, cohesiveness and effectiveness of the water quality program. Quality control and assurance and compliance with federal, state and county water quality requirements, including data management and compliance reporting are critical in protecting public health as is providing accurate and timely water quality information to water and wastewater operators.</p>

<p>Fund/Division #: 2400-17210 Division Name: Customer Service - Field</p> <p># of FTEs: 15</p> <p>A6000: \$990,189 A7000: \$157,509 TOTAL: \$1,147,698</p>	SERVICE DESCRIPTION:
	The Field Customer Service division accurately reads 61,000 meters monthly or approximately 732,000 meters annually. In addition, the division also provides customer service in the field by responding to leaks, high usage issues, meter box issues, turn/on-off service for new & closed accts, disconnect and reconnect service for Delinquent & Illegal usage accounts after payment and meter change outs.
	REQUIRED BY LAW/CODE/REG?:
	Yes. Staff must maintain Arizona Department of Environmental Quality (ADEQ) certifications, and follow all City, State, and Federal regulations related to the Safe Drinking Water Act. Glendale City Code chapter 33.
	CURRENT PERFORMANCE DATA:
	Approximately 61,000 water meters are read monthly for billing. This is done with a 99.50% accuracy rate. In Addition, more than 5,000 service orders in the field are completed monthly.
	REVENUE GENERATION:
	\$0
	SERVICE ALTERNATIVES:
	Contract Operation & Maintenance companies are available for outsourcing of these functions. A feasibility study would be required.
	IMPACT OF CHANGING SERVICES:
	If these tasks were reduced or eliminated then service levels could decline to our customers. In addition, it would impede our ability to provide the customer timely water and sewer data which could have a significant impact on our revenues.

<p>Fund/Division #: 2400-17220 Division Name: Irrigation</p> <p># of FTEs: 1</p> <p>A6000: \$70,293 A7000: \$123,543 TOTAL: \$193,836</p>	SERVICE DESCRIPTION:
	The Irrigation division is responsible for the system and process of delivery of bulk irrigation water to customers. Additionally, delivery times must be coordinated and scheduled with Salt River Project and Salt River Irrigation. City staff serves as liaisons amongst irrigation customers, Salt River Irrigation, and Salt River Project to resolve issues, correct problems, and perform maintenance and repairs on the system. This system serves approximately 336 residents of the potential 468 in the irrigation service area.
	REQUIRED BY LAW/CODE/REG?:
	Yes. The City of Glendale has provided the urban irrigation water delivery service to its residents since 1912. This was accomplished by the enactment of Ordinance Number 27, passed on January 8, 1912.
	CURRENT PERFORMANCE DATA:

Approximately 336 customers served.
REVENUE GENERATION: 2400-02500-470200 Irrigation water \$56,370
SERVICE ALTERNATIVES: Contract Operation & Maintenance companies are available for outsourcing of these functions. A feasibility study would be required.
IMPACT OF CHANGING SERVICES: Outsourcing of the operations or sale of the system could be considered. A study would be required to evaluate the feasibility.

Fund/Division #: 2400-17230 Division Name: Raw Water Usage # of FTEs: 0 A6000: \$0 A7000: \$3,382,182 TOTAL: \$3,382,182	SERVICE DESCRIPTION: Raw water is drawn from two sources, the Central Arizona Project and the Salt River Project both of which are surface water sources. The annual average drawn from the two sources is 15,725 million gallons.
	REQUIRED BY LAW/CODE/REG?: Yes. Raw water is governed by the Environmental Protection Agency (EPA), Safe Drinking Water Act, and Maricopa County.
	CURRENT PERFORMANCE DATA: Raw water from the Central Arizona Project is drawn from one water treatment plant, and raw water drawn from the Salt River Project is received by two water treatment plants.
	REVENUE GENERATION: \$0
	SERVICE ALTERNATIVES: Groundwater
	IMPACT OF CHANGING SERVICES: Groundwater depletion, increased pumping costs, deterioration of water quality, land subsidence.

Fund/Division #: 2400-17240 Division Name: Central System Control # of FTEs: 8 A6000: \$754,059 A7000: \$550,312 TOTAL: \$1,304,371	SERVICE DESCRIPTION: Critical services include: Evaluating issues in water and wastewater treatment plants and the well system; making appropriate adjustments to ensure compliance, production and consumption needs are met; performing modifications to distribution flows and storage levels to solve treatment quality problems and complaints; managing & directing resources & personnel for problem resolution; acknowledging & interpreting critical alarms; & resolving customer complaint calls 24 hours/day.
	REQUIRED BY LAW/CODE/REG?: Yes. Requirements regulated by Maricopa County and the Arizona Department of Environmental Quality (ADEQ). Staff must maintain Arizona Department of Environmental Quality (ADEQ) certifications, and follow all City, State, and Federal regulations related to the Safe Drinking Water Act.
	CURRENT PERFORMANCE DATA: Central System Control oversees the operation, production, treatment and delivery for 4 water treatment facilities and 2 wastewater treatment facilities. Operators plan, balance, and order water production to meet consumption needs, perform corrections to distribution and storage to solve treatment quality problems and complaints. Staff resolve customer

complaint calls 24 hours/day.
REVENUE GENERATION: \$0
SERVICE ALTERNATIVES: Contract Operation & Maintenance companies are available for outsourcing of these functions. A feasibility study would be required.
IMPACT OF CHANGING SERVICES: Contract operations would result in the loss of system experience, knowledge retention, which would be directly related to decreased service levels and result in increased costs. Regulatory compliance issues would need to be considered.

Fund/Division #: 2400-17250 Division Name: Pyramid Peak Plant # of FTEs: 10 A6000: \$762,019 A7000: \$926,137 TOTAL: \$1,688,156	SERVICE DESCRIPTION: This water treatment plant provides safe and reliable drinking water to Glendale, Peoria and Phoenix citizens. This facility's source water is provided by the Central Arizona Project (CAP). Compliance with all environmental and health standards; anticipating and responding to emergencies.
	REQUIRED BY LAW/CODE/REG?: Yes. Requirements regulated by Maricopa County and the Arizona Department of Environmental Quality (ADEQ). Staff must maintain Arizona Department of Environmental Quality (ADEQ) certifications, and follow all City, State, and Federal regulations related to the Safe Drinking Water Act.
	CURRENT PERFORMANCE DATA: Pyramid Peak Water Treatment Plant produced 10 billion gallons of drinking water in FY 2011.
	REVENUE GENERATION: 2400-02400-490600 Pro rata expense billed to City of Peoria \$386,808
	SERVICE ALTERNATIVES: Contract Operation & Maintenance companies are available for outsourcing of these functions. A feasibility study would be required.
	IMPACT OF CHANGING SERVICES: Contract operations can result in decreased long term knowledge of operation and maintenance needs for this facility. Regulatory compliance issues would need to be considered.

Fund/Division #: 2400-17260 Division Name: Cholla Treatment Plant # of FTEs: 12 A6000: \$537,722 A7000: \$2,913,240 TOTAL: \$3,450,962	SERVICE DESCRIPTION: This water treatment plant provides safe and reliable drinking water to north and central Glendale; this facility source water is provided by the Salt River Project (SRP), Cholla is centrally located and has the capability to fulfill demand in other City areas.
	REQUIRED BY LAW/CODE/REG?: Requirements regulated by Maricopa County and the Arizona Department of Environmental Quality (ADEQ). Staff must maintain Arizona Department of Environmental Quality (ADEQ) certifications, and follow all City, State, and Federal regulations related to the Safe Drinking Water Act.
	CURRENT PERFORMANCE DATA: Cholla Water Treatment Plant produced 3.5 billion gallons of drinking water in FY 2011.

REVENUE GENERATION: \$0
SERVICE ALTERNATIVES: Contract Operation & Maintenance companies are available for outsourcing of these functions. A feasibility study would be required.
IMPACT OF CHANGING SERVICES: Contract operations can result in decreased long term knowledge of operation and maintenance needs for this facility. Regulatory compliance issues would need to be considered.

Fund/Division #: 2400-17280 Division Name: Central System Maintenance # of FTEs: 4 A6000: \$409,090 A7000: \$283,169 TOTAL: \$692,259	SERVICE DESCRIPTION: Critical services include: performing electrical/mechanical maintenance and repair of water treatment equipment, well site motors, and pump instrumentation and process control equipment; repairing, maintaining, and installing telemetry equipment including microprocessor based control units, modems, and associated wiring at main facilities, wells, zone splits, water booster stations, valves, pumps, and equipment; coordinating maintenance and repair projects with outside vendors; and building test equipment and control circuitry for plant production equipment.
	REQUIRED BY LAW/CODE/REG?: Yes. Requirements regulated by Maricopa County and the Arizona Department of Environmental Quality (ADEQ). Staff must maintain Arizona Department of Environmental Quality (ADEQ) certifications, and follow all City, State, and Federal regulations related to the Safe Drinking Water Act.
	CURRENT PERFORMANCE DATA: Central System Maintenance utilizes predictive, preventative and corrective measures which ensure the continuous operation of production, treatment and delivery equipment and instrumentation for two storage facilities, 9 well sites, and assists at the four water treatment facilities.
	REVENUE GENERATION: \$0
	SERVICE ALTERNATIVES: Contract Operation & Maintenance companies are available for outsourcing of these functions. A feasibility study would be required.
	IMPACT OF CHANGING SERVICES: Contract operations can result in decreased maintenance and result in increased costs as outsourcing may require multiple sources. Regulatory compliance issues would need to be considered.

<p>Fund/Division #: 2400-17290</p> <p>Division Name: Water Distribution</p> <p># of FTEs: 28</p> <p>A6000: \$1,748,460</p> <p>A7000: \$1,469,645</p> <p>TOTAL: \$3,218,105</p>	<p>SERVICE DESCRIPTION:</p> <p>The Water Distribution division is responsible for the operation, maintenance, and repair of the public water distribution system and appurtenances. Services include: maintain all the city owned fire hydrants within the water distribution system ; replace, install, repair and maintain water line valves; install, replace and repair leaking water service lines; replace and repair broken water mains; perform various maintenance on the water distribution system and associated appurtenances; provide 24/7 service and respond to leaks within 30 minutes or less; ensure the quality of water being delivered meets all Safe Drinking Water Act standards; ensure the City's fire suppression system is sound and functions in a time of need; ensure uninterrupted water service; and reduce the unaccounted for water loss thus helping the city to meet State requirements for loss and unaccounted for water.</p>
	<p>REQUIRED BY LAW/CODE/REG?:</p> <p>Yes. Requirements regulated by Maricopa County and the Arizona Department of Environmental Quality (ADEQ). Staff must maintain Arizona Department of Environmental Quality (ADEQ) certifications, and follow all City, State, and Federal regulations related to the Safe Drinking Water Act. Glendale City Code Chapter 33.</p> <p>CURRENT PERFORMANCE DATA:</p> <p>Tasks completed in calendar year 2011; Flushed and maintained 8,893 fire hydrants.Responded to and repaired 17 water main breaks.Renewed 521 Service Lines.Performed 377 valve shut-downs.Maintained, cleaned and exercised 24,093 valves.Raised and replaced 84 valves. Provided 24/7 service.</p> <p>REVENUE GENERATION:</p> <p>\$0</p> <p>SERVICE ALTERNATIVES:</p> <p>Contract Operation & Maintenance companies are available for outsourcing of these functions. Performed 200 pressure checks.Provide 24/7</p>

coverage.
REVENUE GENERATION: \$0
SERVICE ALTERNATIVES: Contract Operation & Maintenance companies are available for outsourcing of these functions. A feasibility study would be required.
IMPACT OF CHANGING SERVICES: Contract operations can result in decreased maintenance and result in increased costs in the long term. Regulatory compliance issues would need to be considered.

Fund/Division #: 2400-17310 Division Name: Oasis Surface WTP # of FTEs: 13 A6000: \$974,177 A7000: \$2,489,503 TOTAL: \$3,463,680	SERVICE DESCRIPTION: This surface water treatment plant provides safe and reliable drinking water to southern and western Glendale; this facility source water is provided by the Salt River Project (SRP).
	REQUIRED BY LAW/CODE/REG?: Yes. Requirements regulated by Maricopa County and the Arizona Department of Environmental Quality (ADEQ). Staff must maintain Arizona Department of Environmental Quality (ADEQ) certifications, and follow all City, State, and Federal regulations related to the Safe Drinking Water Act.
	CURRENT PERFORMANCE DATA: The facility receives and treats surface water from the Salt River Project system and provides safe potable drinking water to City of Glendale customers. Oasis Water Treatment Plant produced 1.9 billion gallons during FY 2011.
	REVENUE GENERATION: \$0
	SERVICE ALTERNATIVES: Contract Operation & Maintenance companies are available for outsourcing of these functions. A feasibility study would be required.
	IMPACT OF CHANGING SERVICES: Contract operations can result in decreased long term knowledge of operation and maintenance needs for this facility. Regulatory compliance issues would need to be considered.

Fund/Division #: 2400-17320 Division Name: Oasis Groundwater WTP # of FTEs: 0 A6000: \$0 A7000: \$615,000 TOTAL: \$615,000	SERVICE DESCRIPTION: This ground water treatment plant is the second of 2 treatment facilities on the Oasis Water Campus, the ground water facility utilizes 3 city owned wells and 2 SRP wells to supply the facility. The function is to provide safe and reliable drinking water to southern and western Glendale.
	REQUIRED BY LAW/CODE/REG?: Yes. Requirements regulated by Maricopa County and the Arizona Department of Environmental Quality (ADEQ). Staff must maintain Arizona Department of Environmental Quality (ADEQ) certifications, and follow all City, State, and Federal regulations related to the Safe Drinking Water Act.
	CURRENT PERFORMANCE DATA: The facility treats groundwater from six remote and separate sources of supply and provides safe potable water to City of

Glendale customers. This plant produced 189 million gallons during FY11.
REVENUE GENERATION: \$0
SERVICE ALTERNATIVES: Contract Operation & Maintenance companies are available for outsourcing of these functions. A feasibility study would be required.
IMPACT OF CHANGING SERVICES: Contract operations can result in decreased long term knowledge of operation and maintenance needs for this facility. Regulatory compliance issues would need to be considered.

Fund/Division #: 2400-17410 Division Name: Water Conservation # of FTEs: 2 A6000: \$149,133 A7000: \$157,402 TOTAL: \$306,535	SERVICE DESCRIPTION: Establishment and implementation of water conservation and sustainability programs, such as public education and outreach (adult and youth programs); special events; technical assistance to businesses, homeowners, HOAs, and city departments; and low water use landscape rebates. Implementing a federal energy grant for community education and outreach.
	REQUIRED BY LAW/CODE/REG?: Yes. The Arizona Groundwater Code (state law) requires compliance with water conservation targets.
	CURRENT PERFORMANCE DATA: Compliance with state Gallons per Capita Day and best practices program requirements. Provide at least 12 landscape classes. Water Watcher program serves at least 25 classrooms. Provide over 100 landscape rebates. Friends of the Garden and internship programs to provide over 800 hours of volunteer service by the community. Provide 20 to 50 info-tables and presentations to the community. Leverage federal grants.
	REVENUE GENERATION: Currently receives federal grant funds for energy conservation community education and outreach (@\$60,000 in FY 2013) and Bureau of Reclamation grant funds for Smartscape community education and outreach (@\$15,000 in FY 2013).
	SERVICE ALTERNATIVES: An alternative is for the city to outsource services, programs and planning.
	IMPACT OF CHANGING SERVICES: The feasibility and impact of outsourcing the service will require study. Unbundling the current conservation and sustainable living program and services may reduce the level and quality of programs/services to the public. Future grant funds may be more difficult to obtain. Compliance with state water conservation requirements may be at risk.

Fund/Division #: 2400-17510 Division Name: Cross Connection Control # of FTEs: 2.75 A6000: \$200,262 A7000: \$19,370 TOTAL: \$219,632	SERVICE DESCRIPTION: Protects public potable water supply from possible contamination through plan review and inspections. Responsible for testing city owned backflow devices at city facilities.
	REQUIRED BY LAW/CODE/REG?: Yes, city code, state law (Az Dept of Env Quality and federal regulations. Glendale City Code Chapter 33.
	CURRENT PERFORMANCE DATA: All plan reviews meet the published times for projects. Inspections are made within 24 hours of the call. Immediate inspection service is provided for faulty or missing assemblies. City facilities are tested annually. There are currently 6,200 devices within the city, of which 880 are city owned. Maintains complete, accurate and up to date records of all devices installed and all tests performed on those devices. Building Safety plan review revenue account receives fees for plan review of new devices and systems. Revenue for Testing of Backflow devices 2360-02360-406400
	REVENUE GENERATION: 2360-12360-406400 Testing backflow fees \$98,387
	SERVICE ALTERNATIVES: Outsourcing the inspection and plan review services is an option. Past history has proven the outside agencies that provide these services do not have a commitment to maintain the expected standards of timing and customer satisfaction of the city.
	IMPACT OF CHANGING SERVICES: Internal testing of city facilities was implemented as a cost savings to city departments. There are currently more than 880 devices within the city. If this service was abandoned by this division, the departments would have to pay outside testers to provide this required service. The cost to other departments if this service is eliminated is approximately \$30,000.

Fund/Division #: 2420-17610 Division Name: Pretreatment Program # of FTEs: 6 A6000: \$396,892 A7000: \$113,737 TOTAL: \$510,629	SERVICE DESCRIPTION: Inspection, sampling, and regulatory enforcement of commercial and industrial customers. The Pretreatment program is responsible for providing permits to the City's five Significant Industrial Users . The City's restaurants and commercial dischargers are inspected for proper disposal of fats, greases and oils to the City's sewers as part of the Commercial Permitting program.
	REQUIRED BY LAW/CODE/REG?: Yes. Required by Federal EPA Clean Water Act (CWA) and Glendale City Code Chapter 33. Staff must maintain Arizona Department of Environmental Quality (ADEQ) certifications.
	CURRENT PERFORMANCE DATA: Over 340 inspections conducted annually.
	REVENUE GENERATION: \$0
	SERVICE ALTERNATIVES: It is unknown if contract services exist which could provide these services. A study could be performed to determine the viability of outsourcing these functions.
	IMPACT OF CHANGING SERVICES: Required by City Code and other Regulatory agencies.

Fund/Division #: 2420-17620 Division Name: SROG (91st Ave) Plant # of FTEs: 0 A6000: \$0 A7000: \$3,700,000 TOTAL: \$3,700,000	SERVICE DESCRIPTION: Treatment of up to 13.2 MGD of Glendale Sewage flow. The SROG plant is a large multi-jurisdictional facility which Glendale has part ownership. Treated effluent is purchased by the Arizona Nuclear Power Project and is used to cool the nuclear reactors at the Palo Verde Nuclear Generating Station.
	REQUIRED BY LAW/CODE/REG?: Yes. Treatment of sewer flow is required by Federal Clean Water Act and in keeping with Glendale City Code Chapter 33.
	CURRENT PERFORMANCE DATA: Under the Sub Regional Operating Group (SROG) Inter- Governmental Agreement, approximately 2 billion gallons of Glendale and Sun City sewage is treated at the 91st Ave Wastewater Treatment Plant annually. This flow is required to meet Glendale's share of the Inter-Governmental Agreement including contract commitments with the Buckeye Irrigation Company, Arizona Nuclear Power Project and the Tres Rios Wetlands project. Glendale's current treatment strategies includes continuing membership in the Sub Regional Operating Group. Revenues received from treated effluent (approximately \$1.4 million) over the next four years will be used to offset Glendale's cost commitments to SROG.
	REVENUE GENERATION: \$0
	SERVICE ALTERNATIVES: None.Required by Inter-Governmental Agreement.
	IMPACT OF CHANGING SERVICES: Reduced flow to the Sub Regional Operating Group could require a West Area Water Reclamation Facility expansion. Increase in flow to the 91st Ave Wastewater Treatment Plant could require a shut down the Glendale West Area Water Reclamation Facility and result in loss of recharge credits. A feasibility study would be required to assess any change in operational practices.

Fund/Division #: 2420-17625 Division Name: 99th Ave Interceptor # of FTEs: 0 A6000: \$0 A7000: \$200,000 TOTAL: \$200,000	SERVICE DESCRIPTION: Sewage conveyance system serving Glendale and Sun City (Contract Agreement with American Water for service to Sun City).
	REQUIRED BY LAW/CODE/REG?: Yes. This infrastructure operates pursuant to Federal EPA Clean Water Act (CWA), Glendale City Code Chapter 33 and by a contract with American Water in order to serve Sun City.
	CURRENT PERFORMANCE DATA: Use of the 99th Ave interceptor is required to comply with the aforementioned Sub Regional Operating Group (SROG) Inter-Governmental Agreement, transporting approximately 2 billion gallons of Glendale and Sun City sewage to the 91st Ave Wastewater Treatment Plant annually. This flow is required to meet Glendale's share of the Sub-Regional Operating Group contract commitments.
	REVENUE GENERATION: \$0
	SERVICE ALTERNATIVES: None. Required by the long term Inter-Governmental Agreement with the Sub-Regional Operating Group consisting of the cities of Glendale, Mesa, Phoenix,Scottsdale and Tempe.

IMPACT OF CHANGING SERVICES:

Expansion of West Area Water Reclamation Facility and acquisition of additional recharge capacity. Not possible due to Inter-Governmental Agreement with Sub-Regional Operating Group that requires flow to that system.

<p>Fund/Division #: 2420-17630 Division Name: Wastewater Collection</p> <p># of FTEs: 18</p> <p>A6000: \$1,136,284 A7000: \$1,835,004 TOTAL: \$2,971,288</p>	<p>SERVICE DESCRIPTION: The Wastewater Collection division is responsible for the system which conveys wastewater from residents' homes and businesses to the treatment facilities. This division performs proactive, preventive and corrective maintenance including sewer inspection, sewer pipe hydro-cleaning, root control, pest control, customer service, and emergency response.</p> <p>REQUIRED BY LAW/CODE/REG?: Yes. The Clean Water Act, Arizona Revised Statutes, Arizona Administrative Code, Aquifer Protection Permit for Sewage Collection Systems – Type 4.01 General Permit, Aquifer Protection Permit for CMOM – Type 2.05 General Permit, Maricopa County Environmental Health Code, Maricopa County Non-Hazardous Liquid Waste Hauler Permit to Operate, ADEQ Septic Tank Pumper License, Maricopa County Construction Approval Permit, and Glendale City Code Chapter 33. Staff must maintain Arizona Department of Environmental Quality (ADEQ) certifications.</p> <p>CURRENT PERFORMANCE DATA: During FY 2011 the division hydro-cleaned 1,254,545 ft of sewer pipe, CCTV inspected 94,773 ft of sewer pipe, and treated 6,472 manholes with insecticide.</p> <p>REVENUE GENERATION: \$0</p> <p>SERVICE ALTERNATIVES: Contract Operations and Maintenance companies are available. A study would be required to assess the feasibility of outsourcing.</p> <p>IMPACT OF CHANGING SERVICES: Contract operations can result in decreased long term knowledge of operation and maintenance needs for this service. Regulatory compliance issues would need to be considered.</p>
<p>Fund/Division #: 2420-17699 Division Name: Storm Water</p> <p># of FTEs: 3</p> <p>A6000: \$0 A7000: \$0 TOTAL: \$0</p>	<p>SERVICE DESCRIPTION: The Storm Water division is responsible for operating and maintaining the City's storm sewer system. Duties include citizen contact/customer service, storm sewer maintenance including routine/emergency pipe hydro-cleaning, debris removal from inlets/outlets and performing storm sewer maintenance/repairs including inspections and inventory of system components/structures.</p> <p>REQUIRED BY LAW/CODE/REG?: Yes. The Clean Water Act, Code of Federal Regulations, Arizona Revised Statutes, Arizona Administrative Code, Arizona Pollutant Discharge Elimination System Permit, Maricopa County Non-Hazardous Liquid Waste Hauler Permit to Operate, Glendale City Code Chapter 33. Staff must maintain Arizona Department of Environmental Quality (ADEQ) certifications.</p> <p>CURRENT PERFORMANCE DATA: During FY 2011 the division hydro-cleaned 4,200 feet of storm drains, cleaned 26 manholes and 165 catch basins. They inspected 285 manholes and 790 catch basins.</p> <p>REVENUE GENERATION:</p>

\$0

SERVICE ALTERNATIVES:

Contract Operation & Maintenance companies are available. A study would be required to assess the feasibility of outsourcing.

IMPACT OF CHANGING SERVICES:

Contract operations can result in decreased long term knowledge of operation and maintenance needs for this service. Regulatory compliance issues would need to be considered.

CITY ATTORNEY'S OFFICE

MEMORANDUM

DATE: January 23, 2012
TO: Horatio Skeete, Assistant City Manager
Sherry Schurhammer, Budget Director
FROM: Craig Tindall, City Attorney
SUBJECT: FY2012-13 Budget

You have requested that all departments complete a worksheet you call a "cost of services," although it asks for much more information than merely the cost of departmental services. After reviewing the worksheet and listening to the discussions among department heads about the usefulness and impact of the information requested, I do not believe that utility of this exercise justifies the effort to characterize within the limitations of the worksheet the services my Office provides to the organization. Moreover, should Council desire to review my Office in depth, I am willing to discuss this directly with them. As a result, I would request that the 2012-13 budget be prepared without any reduction to the City Attorney's Office budget.

That said, I will provide you with some of the information you have requested. The mission of the City Attorney's Office is to address fully and professionally all of the City's need for legal services and to represent the people of Arizona in the prosecution of criminal acts and civil violations of the law in order to assure justice.

The civil division of the City Attorney's Office responds to all non-criminal matters arising from City operations and decision of Council or city management. The criminal division prosecutes misdemeanor matters and civil code violations. Misdemeanor prosecution entails violation of state law and city ordinances. Civil code violations are limited only to violation of the laws enacted by City council. While other agencies may prosecute violations of state law, no other agency will prosecute violations of city ordinances.

The Charter, state law, and practical circumstances dictate that legal matters, whether civil or criminal, be addressed. Not addressing these matters will increase the City's transactional and operational risk exposure and loss payout, diminish regulatory compliance, weaken its corporate governance, and affect its integrity as a viable governmental entity. As a result, the required legal services are not optional and the only alternative is consideration of the manner in which the services are provided.

Currently, the vast major of legal services are provided using attorneys employed by the City. This work may be outsourced to a private entity. The following, however, represents the cost of outsourcing:

Outside counsel billing rates:

Senior Attorneys	\$350-495; median = \$422.50
Attorneys	\$250-325; median = \$287.50
Legal Assistants	\$ 75-125; median = \$105.00

Comparable outside staffing costs:

6 Senior Attorneys (City Attorney, 3 Deputy City Attorneys, City Prosecutor, and Police Legal Advisor)

2040 x 6 = 12,240 hours x \$422.50 median billing rate = \$5,171,400

9 Attorneys (2 Assistant City Attorneys and 7 Assistant City Prosecutors)

2040 x 7 = 14,280 hours x \$285.50 median billing rate = \$5,241,780

4 Legal Assistants (3 civil, 1 criminal)

2040 x 4 = 8,160 hours x \$100.00 median billing rate = \$ 816,000

Total: \$11,229,180

It should also be noted that three significant cost areas are not incorporated into the total amount shown above. First, the City is currently addressing very substantial legal issues requiring the expertise and additional resources provided by outside counsel. Those costs will continue until these matters are resolved.

Secondly, this alternative scenario assumes no additional economic effects related to disintermediation, agency costs, and scaling costs. Disintermediation refers to the direct economic effect of the inefficiencies that result from the use of an outside agent; e.g., additional billing for education related to the situation being addressed, communication inefficiencies, travel time, etc.) Agency costs are economic effects of indirect disadvantages and differing motivations to result from using an outside agent. Scaling costs increases related to spreading an organization's allied internal costs (technology, human resources management, finance, administrative costs for employee benefits, etc.) over a reduced number of operating units.

Last, it should be noted that the above amount does not include billing by the outside firms of their internal re-billable costs (filing fees, research databases, copies, etc.) and third party costs (delivery services, court reporter fees, etc.)

The 2011-12 budget for the City Attorney's Office to handle all legal matters incorporated into the above estimated alternative cost was \$2,384,723. If furloughs—which each member of the City Attorney's Office took during the last four years—are added back into the Office's budget, it would total \$2,627,813. By comparison, the chart below shows that the City Attorney's Office continues to be the smallest per capita staffing and the lowest cost per employee of any other legal department of significant charter cities in Arizona. In short, the Office cannot reduce its operating budget further with a very significant impact on service delivery and continued increase in the use of outside resources and ultimately greater cost to the City.

City	Population	Legal Dept Budget	Legal Staff	Staff/Population	Budget/Staff
Glendale	226,721	\$2,378,306	27	9,340	\$ 88,085
Phoenix	1,445,632	\$20,291,290	203	7,121	\$ 99,957
Tucson	520,116	\$9,050,950	101.5	5,124	\$ 89,172
Mesa	439,041	\$9,701,740	58	7,569	\$167,271
Chandler	238,604	\$3,361,821	27	8,837	\$115,925
Scottsdale	217,385	\$5,505,549	53	4,101	\$103,878
Tempe	161,719	\$2,909,505	25	6,468	\$116,802

At this time, the City Attorney's Office is operating beyond maximum capacity. As a result, there are legal costs associated with the use of outside counsel that are not reflected in the Office's budget but which are assumed by other operating budgets. The average time for contract review and responsiveness in transactional matters is occasionally longer than is optimal and requires constant prioritization. The prosecution of criminal complaints and code violations must also be constantly prioritized and managed. Therefore, this Office can incur no further reduction whatsoever without a very significant impact on its service delivery, which would have far greater economic and social impact to the City and its citizens than the relatively small amount that would not otherwise be expended.

Fund/Division #: 1000-10410 Division Name: City Court # of FTEs: 13.7 A6000: \$1,156,509 A7000: \$406,759 TOTAL: \$1,563,268	SERVICE DESCRIPTION: Courtroom Services- Provides judicial officers, pro tem judges, 6 public defenders and staff to adjudicate cases in the City Court. This includes updating case files and applying sentencing provisions and completing legal forms which provides compliance with state laws and requirements.
	REQUIRED BY LAW/CODE/REG?: Mandated by Supreme Court Rules that cases must be adjudicated with certain information and defendant's signature and within prescribed timelines.
	CURRENT PERFORMANCE DATA: Responsible for staffing and operation of the equivalent of 4.5 courtrooms.
	REVENUE GENERATION: In order for the court to collect fines and fees, they must first be entered into the case management system. Certain provisions under Supreme Court Minimum Accounting Standards require separation of powers between cashiers and data entry. Courtroom clerks refer defendants to our front counter for payments, and to Fines Management staff for payment and for staff to create payment contracts if they are unable to pay fines and fees in full on the day of sentencing.
	SERVICE ALTERNATIVES: Judicial Officers would need to interview and discuss payment arrangements with defendants while they were in the courtroom. Judicial officers would have to prepare files doing clerical work currently performed by clerks. Judicial officers would have to do all computer entries.
	IMPACT OF CHANGING SERVICES: Confidential financial information discussed in the courtroom would violate defendant's right to privacy. Delays would occur in every case with no clerks. Judicial officers would have to perform all clerical functions in preparing cases and entering information into the case management system.
	A6000/A7000 BUDGET TOTALS: A6000- A7000 500401(92,907); 518800(273,991); 500600(3856); Division utilizes 50% of remaining A7000 accounts

Fund/Division #: 1000-10410 Division Name: City Court # of FTEs: 9.5 A6000: \$576,940 A7000: \$26,114 TOTAL: \$603,054	SERVICE DESCRIPTION: Fines Management Staff- Provides assistance to customers and responsible for receipting fines and fees due to the court and establishing payment contracts.
	REQUIRED BY LAW/CODE/REG?: Mandated time limits for receipting of money. Minimum Accounting Standards set by Supreme Court require some transactions to be completed by two different individuals.
	CURRENT PERFORMANCE DATA: During FY 10/11 5 staff members accounted for 30,371 receipts
	REVENUE GENERATION: Receipted approximately \$6 Million in gross receipts
	SERVICE ALTERNATIVES: Vendor Contract to accept court payments via web and phone. Cost of contract is unknown.
	IMPACT OF CHANGING SERVICES: Delayed customer service and delays in processing payments which could potentially be a violation of the Supreme Court

Minimum Accounting Standards.
A6000/A7000 BUDGET TOTALS: A6000; A7000 532400; 532500; Division utilizes 10% of the remaining A7000 accounts

Fund/Division #: 1000-10410 Division Name: City Court # of FTEs: 9 A6000: \$483,717 A7000: \$3,632 TOTAL: \$487,349	SERVICE DESCRIPTION: Records Staff-Responsible for providing public record requests, data entry, maintaining file room, processing appeals, and answering general switchboard.
	REQUIRED BY LAW/CODE/REG?: Mandated by Supreme Court Rules that courts protect records in a certain fashion and provide certified copies of records and process appeals.
	CURRENT PERFORMANCE DATA: During FY 10/11 staff processed 2,979 formal records requests and processed 55 Appeals
	REVENUE GENERATION: Research and copy fees in the amount of \$5,421 were collected during FY 10/11
	SERVICE ALTERNATIVES: Judicial officers would have to perform all these clerical functions including answering of the phones.
	IMPACT OF CHANGING SERVICES: Delay in the processing of records requests. Possible appeal processing delays which would potentially violate Arizona Appellate Rules. Maintaining accurate historical archived case records is a vital function of all courts for the integrity of record preservation. Judicial officers performing clerical functions.
	A6000/A7000 BUDGET TOTALS: A6000; Division utilizes 10% of the remaining A7000 accounts

Fund/Division #: 1000-10410 Division Name: City Court # of FTEs: 1 A6000: \$56,703 A7000: \$117,608 TOTAL: \$174,311	SERVICE DESCRIPTION: Jail Court- Provides daily initial appearance for all new arrests including weekends and holidays. Also resolves cases for defendants who are held in custody in the county jail.
	REQUIRED BY LAW/CODE/REG?: All defendants must be seen by a Judge within 24 hours of arrest per Arizona Criminal Rules of Procedure. No statutory requirement for local municipalities to have own jail court.
	CURRENT PERFORMANCE DATA: During the past 6 months there have been approximately 2,600 inmates processed thru Glendale's jail court. 2 half time Public Defender staff jail court during the week.
	REVENUE GENERATION: Would also eliminate contract with City of Peoria who contracts with Glendale Police Department for these jail services. Contract provided revenue in the amount of \$80,942 during FY 10/11. No pleas resulting in fines would be taken at the first court appearance in contracted entity. All individuals jailed would be required to be seen twice before a case could be resolved.
	SERVICE ALTERNATIVES: Eliminate 1,248 hours of Pro tem usage for 12 months. Enter into contract with the County for initial appearance and

incarceration services. Eliminating Glendale jail court would eliminate the two half Public Defender contracts and 1 FTE Clerk
IMPACT OF CHANGING SERVICES: Could contract with the county for all services. Reduction of 116 days of overtime costs for Clerks. Cost for county contract is unknown at this time. Potential jail cost impact to PD of \$1.9M. Violation of IGA with Peoria for jail court services. Potential violations of U.S. Constitution and Supreme Courts when defendants are not advised within 24 hours.
A6000/A7000 BUDGET TOTALS: A6000 Clerk Salary A7000- Acct 500401 Pro Tem Pay- \$63,648 A7000- Acct 518800 Public Defender \$42,000 A7000- Acct 500600- Overtime \$10,144; Division utilizes 5% of remaining A7000 accounts

Fund/Division #: 1000-10410 Division Name: City Court # of FTEs: 1.8 A6000: \$124,387 A7000: \$3,632 TOTAL: \$128,019	SERVICE DESCRIPTION: Administrative Support responsible for report writing, grant submissions, monitoring of multiple contracts, provides assistance to Presiding Judge and Court Administrator. Responsible for scheduling all courtrooms with a judge as well as scheduling meetings for Presiding Judge and Court Administrator. Maintains and tracks all Court Administrative orders, appointment of pro tem judges, public defenders and others. Monitors, teaches, coordinates and responsible for tracking Supreme Court mandated training.
	REQUIRED BY LAW/CODE/REG?: Administrative orders are required by Supreme Court Rules. Mandatory that a judge be scheduled to preside over every courtroom. Supreme Court mandated training (COJET) required for all judges and staff.
	CURRENT PERFORMANCE DATA:
	REVENUE GENERATION: Has written and submitted multiple grants awarding the court with approximately \$1.4 million for the past 4 years.
	SERVICE ALTERNATIVES:
	IMPACT OF CHANGING SERVICES: Judges would be responsible for doing all scheduling for all courtrooms. Presiding Judge and Court Administrator would have to assume responsibility of writing all reports, grants, grant monitoring, Court Administrative orders as well as scheduling all meetings. The Presiding Judge and Court Administrator would have to directly receive all internal city calls and all high profile requests.
	A6000/A7000 BUDGET TOTALS: A6000; Division utilizes 10% of the remaining A7000 accounts

Fund/Division #: 1000-10410 Division Name: City Court # of FTEs: 2 A6000: \$102,300 A7000: \$24,848 TOTAL: \$127,148	SERVICE DESCRIPTION: Protective Orders- Provides assistance to individuals who come to the Court to request a Protective Order. Pro Tem Judges preside over contested Protective Order hearings as a regular calendar on Mondays and Wednesdays. (416 Pro Tem Hours utilized for this service at \$51 per hour)
	REQUIRED BY LAW/CODE/REG?: Mandated by state law and Arizona Supreme Court Administrative Code (Every court must be available to issue orders)
	CURRENT PERFORMANCE DATA: Glendale has the highest number of Protective Orders filed per judge in Arizona; FY11-3,135; FY12- 2,709; FY thru Nov 2011- 1,090

REVENUE GENERATION:
None
SERVICE ALTERNATIVES:
All customers would need to be referred to other neighboring courts in violation of state law and Supreme Court Administrative Code.
IMPACT OF CHANGING SERVICES:
The volume that would be added to other courts could result in long waits with possible impact to victims in getting timely orders, potentially putting them in dangerous situations. This would make the Court ineligible to apply for any future domestic violence grants.
A6000/A7000 BUDGET TOTALS:
A6000- A7000- 500401 Pro Tem; Division utilizes 10% of remaining A7000 accounts

Fund/Division #: 1000-10410 Division Name: City Court # of FTEs: 1.75 A6000: \$108,490 A7000: \$1,816 TOTAL: \$110,306	SERVICE DESCRIPTION:
	Interpreters- Provides specialized and technical spanish translation in all court proceedings.
	REQUIRED BY LAW/CODE/REG?:
	Yes- City Court to provide to persons with limited English proficiency (LEP) services that are in compliance with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.; 45 C.F.R. § 80.1 et seq.; and 28 C.F.R. § 42.101-42.112).
	CURRENT PERFORMANCE DATA:
	During FY 10/11 the Interpreters provided translation in formal proceedings for 4,307 defendants. They also provide informal translation for many more which are not tracked. They identify and schedule interpreters for lesser used languages.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES:
	Use of Contract Interpreters and Language Line Phone Interpreting Services. Costs unknown.
	IMPACT OF CHANGING SERVICES:
	Possible violation of Title VI provisions requiring interpreting services for all court proceedings. Violation of Supreme Court Administrative Order on Language Access Plan.
	A6000/A7000 BUDGET TOTALS:
	A6000; Division utilizes 5% of the remaining A7000 accounts

Fund/Division #: 1000-10410 Division Name: City Court	SERVICE DESCRIPTION:
	Contract with the Administrative Office of the Courts for access and use of statewide case management system.
# of FTEs: 0	REQUIRED BY LAW/CODE/REG?:
	CURRENT PERFORMANCE DATA:
A6000: \$0 A7000: \$57,000 TOTAL: \$57,000	Court has been using the statewide system for over 10 years.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES:
	Use outside vendor to develop and implement a case management system.

IMPACT OF CHANGING SERVICES: Costs associated with developing a new system would be substantial and would also require additional IT staff to support the system.
A6000/A7000 BUDGET TOTALS: A7000- 518200

Fund/Division #: 1000-10410 Division Name: City Court # of FTEs: 0 A6000: \$0 A7000: \$21,991 TOTAL: \$21,991	SERVICE DESCRIPTION: Use of contract Interpreters for lesser used languages
	REQUIRED BY LAW/CODE/REG?: Yes- City Court to provide to persons with limited English proficiency (LEP) services that are in compliance with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.; 45 C.F.R. § 80.1 et seq.; and 28 C.F.R. § 42.101-42.112).
	CURRENT PERFORMANCE DATA: During FY 10/11 the court used contract interpreters for 132 cases
	REVENUE GENERATION:
	SERVICE ALTERNATIVES:
	IMPACT OF CHANGING SERVICES: Possible violation of Title VI provisions requiring interpreting services for all court proceedings. Violation of Supreme Court Administrative Order on Language Access Plan.
	A6000/A7000 BUDGET TOTALS: A7000- 518800

Fund/Division #: 1000-10410 Division Name: City Court # of FTEs: 0 A6000: \$12,328 A7000: \$0 TOTAL: \$12,328	SERVICE DESCRIPTION: Use of bi-lingual pay- 16 staff members are currently paid bi-lingual pay due to the volume of spanish speaking customers and the number of areas of services provided.
	REQUIRED BY LAW/CODE/REG?: Supreme Court Admin Order requiring Language Access Plan that includes the requirement for language translation on all court services.
	CURRENT PERFORMANCE DATA: The Court averages 350 formal spanish translation"" services each month. This does not include the informal coversational and customer service that is provided by bi-lingual staff which are not currently measured."
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: Reduce number of staff who are paid bi-lingual pay for these informal customer services.
	IMPACT OF CHANGING SERVICES: Potential delayed services to Spanish speaking only customers. Potential violation of Supreme Court admin order and equal protection clause of the United States Constitution.
	A6000/A7000 BUDGET TOTALS: A7000- Acct 502400-

Fund/Division #: 1000-10410 Division Name: City Court # of FTEs: 0 A6000: \$0 A7000: \$9,319 TOTAL: \$9,319	SERVICE DESCRIPTION: Professional Development
	REQUIRED BY LAW/CODE/REG?: Arizona Supreme Court Administrative Orders require Judges to attend Annual Judicial Conference and obtain 16 COJET hours and all court staff required to obtain 12 hours of COJET education each year. City ordinances require judicial officers be members of the State Bar Association.
	CURRENT PERFORMANCE DATA: All Judges and Court staff were in 100% compliance with COJET requirements for calendar year 2011. Mandatory dues were paid for all judicial officers.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: We already conduct many in-house training opportunities for staff but due to number of staff and need for ongoing operations not all requirements can be met using this program.
	IMPACT OF CHANGING SERVICES: Violation of Arizona Supreme Court Orders, Arizona State Law and city ordinances. \$2900 is used by the Presiding Judge to attend required conferences and meetings due to her appointment as Chairperson of the National Conference of Specialized Court Judges of the American Bar Association. Violation of city ordinance if dues not paid for judicial officers. Violation of Supreme Court Rules if judges do not attend mandatory Annual Judicial Conference as well as all staff achieving COJET requirements.
	A6000/A7000 BUDGET TOTALS: A7000- 511400

Fund/Division #: 1000-10410 Division Name: City Court # of FTEs: 0 A6000: \$0 A7000: \$7,000 TOTAL: \$7,000	SERVICE DESCRIPTION: Jury Costs associated with the summons of potential jurors and reimbursement of costs associated with Jury Trials
	REQUIRED BY LAW/CODE/REG?: Current law requires the court to offer a jury trial for certain offenses, therefore a roster of potential jurors must be obtained and made available for every jury trial setting.
	CURRENT PERFORMANCE DATA: Costs were expended for summons and mileage reimbursement.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES:
	IMPACT OF CHANGING SERVICES: Legislation that went into effect on January 1, 2012 may have an impact of reduced jury trials, however new legislation is pending that may counteract the law passed in 2011.
	A6000/A7000 BUDGET TOTALS: A7000- 531600

Fund/Division #: 1000-10410 Division Name: City Court # of FTEs: 0 A6000: \$0 A7000: \$6,240 TOTAL: \$6,240	SERVICE DESCRIPTION: Psychiatric Evaluations- ordered when a defendant's ability to understand their rights is possibly affected due to mental illness or defendant is unable to assist attorney in defense.
	REQUIRED BY LAW/CODE/REG?: Rule 11 of the Supreme Court Rules of Criminal Procedure
	CURRENT PERFORMANCE DATA: Approxiamtely 107 cases were ordered to have psychiatric evaluations during this past Fiscal Year. Line item is currently over budget by \$6,467. It is anticipated in FY 12/13 costs will increase as it was recently discovered not all bills had been submitted by the County for payment in the past.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: Prosecutor to dismiss any case involving a defendant with psychiatric issues.
	IMPACT OF CHANGING SERVICES: Danger to the citizens of Glendale by not processing cases involving defendants with psychiatric issues. Violation of defendant's rights, and possible delay in resolving these cases.
	A6000/A7000 BUDGET TOTALS: A7000- 518200

Fund/Division #: 1240-10510 Division Name: Court Security # of FTEs: 0 A6000: \$0 A7000: \$128,501 TOTAL: \$128,501	SERVICE DESCRIPTION: Security Services- Provides 3 guards to screen all individuals who enter the court for prohibited items
	REQUIRED BY LAW/CODE/REG?: No but contract currently in place with CBI Security
	CURRENT PERFORMANCE DATA: An average of 10,000 visitors come to the court each month. Security screeners have identified approximately 400 prohibited items each month, including weapons and contraband. Security staff also x-ray and screen all incoming mail and package deliveries for prohibited items.
	REVENUE GENERATION: None
	SERVICE ALTERNATIVES: Use of PD officers assigned to court.
	IMPACT OF CHANGING SERVICES: Elimination or reduction of security staff could impact the safety of both Court staff and the public. Use of Warrant Officers for Security would potentially reduce money collected on Fail to Pay Warrants.
	A6000/A7000 BUDGET TOTALS: A7000- Acct 518200

Fund/Division #: 1240-10510 Division Name: Court Security # of FTEs: 1 A6000: \$103,612 A7000: \$7,247 TOTAL: \$110,859	SERVICE DESCRIPTION: Use of Glendale Officer to oversee Court Security
	REQUIRED BY LAW/CODE/REG?:
	CURRENT PERFORMANCE DATA: Handles multiple arrest and courtroom stand-bys each month. Also assists with acquiring fingerprints on defendants. Conducts security sweeps"" of public safety complex. During FY 10/11 this officer made 154 arrests of which 42 were for fingerprint compliance."
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: Court would need to call PD dispatch or call Warrant Officers off the street to have an officer sent to court for all arrests made in the courtroom and general security matters occurring in and around the court.
	IMPACT OF CHANGING SERVICES: Would place additional resource need on Glendale PD. Potential to create dangerous situation for public and staff. Use of Warrant Officers for Security would potentially reduce money collected on Fail to Pay Warrants.
	A6000/A7000 BUDGET TOTALS: A6000; A7000 500600; Division utilizes 5% of remaining A7000 accounts

Fund/Division #: 1240-10510 Division Name: Court Security # of FTEs: 0 A6000: \$12,126 A7000: \$70,574 TOTAL: \$82,700	SERVICE DESCRIPTION: IT Support- Provides support and training for all hardware and specialized software issues for all court staff related to state computers (The Court is the unique city department that requires outside network services). Maintain and update several software applications that have been developed in-house. Works in partnership on cross-departmental technology projects, such as photo red light and electronic handheld citation ticketing devices.
	REQUIRED BY LAW/CODE/REG?: No- however funds from this account must be used pursuant to City Code Sec 13-9(a)
	CURRENT PERFORMANCE DATA: Systems analyst was contracted in April 2007 originally to deploy the Photo Enforcement program, however he has also developed over 12 different software applications that are used to enhance our current case management system as well as provide additional customer service functionality.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: Technology support would need to be provided by City and State IT. It is our understanding that City IT does not currently have the resources to support the court.
	IMPACT OF CHANGING SERVICES: Delay in service response and impact to City IT for services not currently provided.
	FTEs ASSOCIATED W/ SERVICE: Full Time Temporary Contract Staff
	A6000/A7000 BUDGET TOTALS: A6000; A7000 500400; Division utilizes 20% of remaining A7000 accounts

Fund/Division #: 1240-10510 Division Name: Court Security # of FTEs: 1 A6000: \$69,883 A7000: \$3,710 TOTAL: \$73,593	SERVICE DESCRIPTION: Compliance Specialist for DV Treatment Court- Tracks compliance information for all defendants placed in the Specialized Court.
	REQUIRED BY LAW/CODE/REG?: Position funded by 3 separate grants during the past 7 years of the program. It was understood the city committed to sustainability once grant funding was exhausted.
	CURRENT PERFORMANCE DATA: To date, more than 9,800 defendants have been sentenced to participate in TC, resulting in more than 36,000 review hearings prepared by the Comp Specialist.
	REVENUE GENERATION: Yes, staff member is responsible for tracking the \$100 per case DV assessment fee as well as any restitution ordered to victims and fees due to the Court.
	SERVICE ALTERNATIVES: Standard case processing would result in diminished oversight of defendants with violent case histories, rendering victims vulnerable.
	IMPACT OF CHANGING SERVICES: Could effect the continuation of the DV Treatment Court which has been shown to increase the compliance rate in defendants required to attend counseling. Restitution due victims would not receive this closely monitored attention.
	A6000/A7000 BUDGET TOTALS: A6000; Division utilizes 75% of remaining A7000 accounts

Fund/Division #: 1240-10510 Division Name: Court Security # of FTEs: 0 A6000: \$8,627 A7000: \$52,000 TOTAL: \$60,627	SERVICE DESCRIPTION: Temporary Pay- Judges
	REQUIRED BY LAW/CODE/REG?:
	CURRENT PERFORMANCE DATA: Funding was provided in this budget to ensure monies were available to pay for Pro Tem costs that have been paid via grant funds the past 4 months. Current grant ends 6-30-12
	REVENUE GENERATION:
	SERVICE ALTERNATIVES:
	IMPACT OF CHANGING SERVICES:
	A6000/A7000 BUDGET TOTALS: A6000; A7000 500401

Fund/Division #: 1240-10520 Division Name: Court Time Payments # of FTEs: 1 A6000: \$43,766 A7000: \$26,202 TOTAL: \$69,968	SERVICE DESCRIPTION: Fines Management Staff- Provides assistance to customers and responsible for receipting fines and fees due to the court and for establishing payment contracts.
	REQUIRED BY LAW/CODE/REG?: ARS 12-116 provides for limited use of funds for collection activities by courts and all expenses must be approved by the Supreme Court.
	CURRENT PERFORMANCE DATA: During budget reductions one of the Fines Management Staff was moved into this funding source. The staff member provides the same services as those noted above in Division 10410.
	REVENUE GENERATION: This employee accounted for 5720 receipts for total gross receipts of \$868,298.77 during the period of 7-1-10 to 6-30-11
	SERVICE ALTERNATIVES: Obtain a vendor contract to accept court payments via web and phone. Cost of contract is unknown.
	IMPACT OF CHANGING SERVICES: Delayed customer service and delays in processing payments which could potentially be a violation of the Supreme Court Minimum Accounting Standards.
	A6000/A7000 BUDGET TOTALS: A6000; A7000-52100

Fund/Division #: 1240-10520 Division Name: Court Time Payments # of FTEs: 0 A6000: \$7,171 A7000: \$50,479 TOTAL: \$57,650	SERVICE DESCRIPTION: 1.5 Temporary Staff used for Collection activities
	REQUIRED BY LAW/CODE/REG?: ARS 12-116 provides for limited use of funds for collection activities by courts and expenses must be approved by the Supreme Court.
	CURRENT PERFORMANCE DATA: 147 outgoing reminder calls made in current Fiscal Year by 1 FT temporary employee. Part time employee starting on 1-4-2012 will provide additional assistance.
	REVENUE GENERATION: 1 FT employee processed and receipted 5484 web and phone payments during the past 6 months for total receipts of \$716,600.
	SERVICE ALTERNATIVES: Re-distribute workload to other Clerks
	IMPACT OF CHANGING SERVICES: Delays in customer service to individuals who appear at the court. Potential Minimum Accounting Standard violations if payments not processed on same day of receipt. Would potentially violate agreement with the AOC to participate in FARE""."
	FTEs ASSOCIATED W/ SERVICE: 1.5 Temporary Contract Staff A6000/A7000 BUDGET TOTALS:

Fund/Division #: 1240-10530 Division Name: Fill the Gap # of FTEs: 0 A6000: \$0 A7000: \$57,000 TOTAL: \$57,000	SERVICE DESCRIPTION: Funds are used to purchase or replace equipment such as copy machines, security equipment and digital audio devices.
	REQUIRED BY LAW/CODE/REG?: Pursuant to ARS 12-102.02 funds are to provide assistance for the processing of criminal cases.
	CURRENT PERFORMANCE DATA: Funds were utilized this fiscal year to purchase a digital audio recording system for each courtroom which significantly improved the quality and accessibility to recorded proceedings.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES:
	IMPACT OF CHANGING SERVICES:

Fund/Division #: 1000-14115 Division Name: Audio/Visual # of FTEs: 1 A6000: \$75,231 A7000: \$16,695 TOTAL: \$91,926	SERVICE DESCRIPTION: Audio/Visual Division: <ul style="list-style-type: none"> • Division comprised of one staff member who manages and maintains entire audio visual inventory for the city • Lead A/V service provider for revenue generating A/V operations of Civic Center and Special Events Office • Lead audio director for all live broadcast public meetings • Other services provided include: Maintenance of audio visual equipment for 27 city buildings including Council Chambers, B3, 4th floor conference room, GRPSTC, Foothills Recreation & Aquatic Center, Adult Center, city pools and libraries • In charge of the design for citywide A/V equipment, integration and purchase of new equipment.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: <ul style="list-style-type: none"> • 75+ live broadcast and recorded public meetings per year • 60% of all Civic Center events require Audio/Visual services • 25-days per year of audio/visual services for citywide special events • Responds citywide approximately 10 hours per week for audio/visual service to citywide departments and divisions in need of repairs, set-up and assistance
	REVENUE GENERATION: Revenue is generated for the general fund through the rental of audio/video services at the Civic Center. <ul style="list-style-type: none"> • FY11 = \$48,341 • FY12 projected revenue = \$50,000 Acct # 1740-01740-424600
	SERVICE ALTERNATIVES: Outsourcing of the division with a private A/V company on retainer
	IMPACT OF CHANGING SERVICES: <ul style="list-style-type: none"> • The general fund would lose approximately \$50,000 per year in revenue • Outsourcing the division would require having an A/V company on retainer for the city at an estimated cost of \$250,000 annually (more than \$170,000 than the current FTE) • Outsourcing costs do not include repair, maintenance, special events, public meetings, etc... • Outsourcing costs will be passed to departments requiring A/V assistance and could create internal delays for audio assistance
	FTEs ASSOCIATED W/ SERVICE: 1 FTE. Division has been reduced by 50% from two FTEs to one as of FY11.
	A6000/A7000 BUDGET TOTALS: A6000: \$138,549 (*See note to left column, this FTE A6000 line item is currently approximately \$75,000 due to the elimination of an FTE.) A7000: \$15,860 (Resources for this A7000 include approximately 65% for equipment, repair and maintenance and 25% for event production.)

<p>Fund/Division #: 1740-11710 Division Name: Civic Center</p> <p># of FTEs: 6</p> <p>A6000: \$427,731 A7000: \$314,640 TOTAL: \$742,371</p>	<p>SERVICE DESCRIPTION:</p> <p>Rental Services: Provide 40,000 square-feet of rental space for meetings, conferences, trade shows and specific social events like weddings, graduations, proms, bar mitzvahs and private parties.</p> <p>Facility Management: Sales, Event Coordination and Marketing: Booking events that generate general fund revenue, coordination of those events including scheduling, room set-up, billing, permits, insurance requirements, catering, audio-visual needs and table/chairs/linens. Marketing and advertising of the facility to select targeted audiences via the media, event planning associations and publications.</p> <p>Operation & Maintenance: Manage and maintain the budget and day-to-day operation and maintenance of the Civic Center and the Annex, including utility costs, facility repairs purchasing of supplies, landscaping, cleanliness and appearance. Hiring of temporary event staff, coordination of set-up and tear down of events and overall inventory of facility. Managing and maintaining the city's audio visual inventory and budget.</p> <p>Administrative: Assist guests with an average 280-event days a year, collect and process client checks, monthly and annual budget preps and review including CIP, utility reports, catering commissions, temporary staff contracts, coordinating meetings with staff and clients, internal communication, HR paperwork, payroll, revenue deposits, procard management, check requests and the monitoring of RFS.</p>
	<p>REQUIRED BY LAW/CODE/REG?: No</p>
	<p>CURRENT PERFORMANCE DATA:</p> <ul style="list-style-type: none"> • For the past five years, the facility has averaged 280-event days a year hosting approximately 62,000 guests from around the state of Arizona. • For the past five years, the Civic Center has ranked as one of the top five best rental facilities in the state from Arizona Business Magazine. • 90% of clients rank the Civic Center with high satisfaction in guest evaluations. • Monthly email blasts reaching 18,000 clients a year. • Ad placement online and print for trade publications (such as wedding magazines/websites) reaching targeted audience of approximately 220,000 the past three years.
	<p>REVENUE GENERATION:</p> <ul style="list-style-type: none"> • FY11 revenue = \$405,800 • FY12 revenue projected at \$425,000 (This revenue includes audio/visual, see below.) <p>Acct #:1740-01740-423400, 1740-01740-424400</p>
	<p>SERVICE ALTERNATIVES: No service alternative with comparable amenities available in the Historic Downtown or Centerline Area.</p>
	<p>IMPACT OF CHANGING SERVICES: Ending service would:</p> <ul style="list-style-type: none"> • Greatly decrease the economic impact of approximately 62,000 guests who visit and spend money in downtown businesses • Diminish focus of revitalization in downtown Centerline District

- Outsourcing costs would require an RFP to determine current market rates and exact figures

FTEs ASSOCIATED W/ SERVICE:

6 FTEs assigned to division. Division has been reduced from seven FTEs to six as of FY11.

<p>Fund/Division #: 1000/1870-14110/Special Events Division Name: Special Events</p> <p># of FTEs: 3.75</p> <p>A6000: \$267,539 A7000: \$721,111 TOTAL: \$988,650</p>	<p>SERVICE DESCRIPTION: Produce the City's Seven Signature Festivals in Historic Downtown Glendale to support downtown shopping district and economic growth of area.</p> <ul style="list-style-type: none"> • Event production responsibilities include developing event site plans, creating policies and procedures, soliciting sponsorships, negotiating contracts with external vendors and suppliers, hiring talent, supervising production staff, directing event logistics, developing media and promotional campaigns, determining equipment and labor needs, preparing event site, etc. • In addition to event production, services also include developing an advertising and promotional plan for Glendale's festivals to attract shoppers and foot traffic to the area and brand downtown as a destination for visitors/shoppers to generate revenue for area merchants. • In addition to event production, the division is responsible for management and oversight of the largest free holiday light display of its kind in the state of Arizona. The display, which takes approximately 3 months to install (more than 5,000 labor hours), remains lit for 2 months. Special Events staff responds to light outages during the season and coordinates reports with city's electrician. <p>REQUIRED BY LAW/CODE/REG?: No</p> <p>CURRENT PERFORMANCE DATA:</p> <ul style="list-style-type: none"> • More than 400,000 people attend Glendale's festivals annually. But, just as important, more than 1 million people visit downtown throughout the year as a result of the advertising, branding, publicity and promotion generated from the festivals. • In addition to the hundreds of thousands of visitors they attract each year, Glendale's festivals showcase the entire city and generates statewide exposure to downtown. For example, AAA Highroads magazine recently selected Glendale Glitters as the fifth best festival in Arizona, outranking the Fiesta Bowl, Barrett-Jackson Collector Car Auction and Country Thunder. • Glendale Glitters also was selected as the "Best Festival in the Valley" by azcentral.com. • Nearly half of all people attending downtown festivals live outside Glendale and nearly 10% of those are visiting from out of state. This demonstrates the impact festivals have in attracting visitors to Glendale. • Glendale's festivals serve as a driver for economic development activity. For example, the newly opened Gaslight Inn was purchased by out-of-state business people who saw the property while visiting downtown to attend the 2011 Glendale Glitter & Glow event. • Other boutique shops in Catlin Court and Old Towne have also opened due to the increased awareness of the area and pedestrian traffic generated by city festivals. • The occupancy rate of downtown properties remain comparable to the Valley-wide average due to the advertising and resulting foot traffic created by Glendale festivals. <p>REVENUE GENERATION: In total, the special events office generates approximately \$452,000 in revenue annually as delineated below. Surveys conducted by IFEA determined that two city festivals alone (Glendale Glitters Spectacular Weekend and Glendale Chocolate Affaire) generate more than \$3 million in economic impact annually for Glendale. These festivals generate approximately \$400,000 in revenue through the following accounts: 1870-14321-451400, 1870-14322-451400, 1870-14323-451400, 1870-14324-451400, 1870-14325-451400, 1870-14327-451400, 1870-14328-451400.</p> <p>SERVICE ALTERNATIVES: There is no alternative that would cost the city less for its current service/staff. The only alternative, a private event</p>
---	---

production company, would cost the city twice as much money for staffing alone (\$500,000) for the same level and caliber of festivals we are producing today. This does not include production/rental expenses, paying for attractions, hiring entertainment, etc.

IMPACT OF CHANGING SERVICES:

Special Events funding has been reduced by over 25% in the last three years and 2 events have been eliminated. Glendale will lose a key economic driver:

- Reduced downtown sales tax collections, especially during the busy holiday shopping season.
- According to downtown merchants, it's very likely that a number of existing businesses in Old Towne and Catlin Court would go out of business if city festivals were eliminated or reduced.
- Significantly reduced downtown pedestrian traffic throughout the year
- Exposure and advertising days for downtown businesses will be substantially diminished.
- Finally, it's difficult for cities to re-establish themselves as a destination and attract visitors and shoppers once festivals are gone.

FTEs ASSOCIATED W/ SERVICE:

3.75 FTEs are assigned to the 14110 division.

Fund/Division #: 1000-14110 Division Name: Special Events # of FTEs: 0 A6000: \$0 A7000: \$0 TOTAL: \$0	<div>SERVICE DESCRIPTION: Attracting New and Unique Events to Glendale:</div> <ul style="list-style-type: none"> • Responsibilities include meeting with private special event producers, attending industry outreach events, monitoring Valley's special events calendar, etc. • This attracts visitors to our community that positively impacts local business activity and city sales tax revenues. <div>REQUIRED BY LAW/CODE/REG?: No</div> <div>CURRENT PERFORMANCE DATA:</div> <ul style="list-style-type: none"> • The Office of Special Events has assisted in bringing more than 100 events to Glendale over the last several years.
--	--

<ul style="list-style-type: none"> • Some of these events include Westgate Rocks New Year's Eve, Front Porch Festival, First Saturdays, NABI 10K Run, Step Out Against Diabetes and the Arab-American Festival. • There are so many events now taking place in Glendale that many residents throughout the Valley, as well as visitors to the area, often visit our city for the sole purpose of attending an event. Thus, bringing new events to Glendale serve as economic development drivers for the city.
REVENUE GENERATION: The 100-plus events are associated with the generation and collection of revenues to the city as a result of the influx of visitors attending these events.
SERVICE ALTERNATIVES: N/A
IMPACT OF CHANGING SERVICES: These events continue to increase the number of visitors to the city's downtown and Sports & Entertainment district, thereby increasing sales tax revenues. Thus, if this service is eliminated or reduced, the important role that special events have served over the past two decades in attracting visitors and generating revenue for the city would be greatly diminished.
FTEs ASSOCIATED W/ SERVICE: See above
A6000/A7000 BUDGET TOTALS: A7000: no funding designated to attract or support outside events.

Fund/Division #: 1000-14110 Division Name: Special Events # of FTEs: 0 A6000: \$0 A7000: \$0 TOTAL: \$0	SERVICE DESCRIPTION: Operating and Managing Glendale's Parking Concession Service: <ul style="list-style-type: none"> • Hiring parking staff; coordinating set-up and equipment needs with Transportation, Police and contractors; supplying tickets and directing parking ticket sales; settling parking receipts daily; making deposits; and tracking expenses and receipts.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: <ul style="list-style-type: none"> • Created new, dedicated revenue stream to the city's General Fund • The parking concession operates during all city festivals (14 total days annually). • Enhanced service benefit for event attendees wanting to park closer to event site.
	REVENUE GENERATION: The net revenue generated from Glendale's parking concession during events is deposited into the city's General Fund. In FY11, \$45,367 was deposited into the General Fund Account 1000-01000-421370.
	SERVICE ALTERNATIVES: N/A
	IMPACT OF CHANGING SERVICES: Eliminating this service will remove this new, dedicated revenue stream to the city's General Fund.
	FTEs ASSOCIATED W/ SERVICE: See above
	A6000/A7000 BUDGET TOTALS:

<p>Fund/Division #: 1000-14110 Division Name: Special Events</p> <p># of FTEs: 0</p> <p>A6000: \$0 A7000: \$0 TOTAL: \$0</p>	<p>SERVICE DESCRIPTION: Manage the City's Special Event Permit Application Process:</p> <ul style="list-style-type: none"> • Responds to queries from and providing customer service to individuals, groups, promoters, schools, churches, etc., about holding potential events on city property and the processes to follow per the city's Special Events Ordinance. • Meeting with applicants and coordinating/communicating the applicant's permit information with city departments throughout the organization. These departments, which all have representatives on the city's Special Events Committee, include Police, Transportation, Sanitation, Water Department, Fire, Risk Management, Planning, Building Safety, Fire Marshal's Office, Tax & License, etc.
	<p>REQUIRED BY LAW/CODE/REG?: Yes - city code</p> <p>CURRENT PERFORMANCE DATA:</p> <ul style="list-style-type: none"> • The division facilitates the coordination of 50 revenue-generating events annually through the administration of the Special Event Permit Application process • Responds to approximately 200 calls and email inquiries from customers with questions on the city's ordinance, permit process and requirements, etc. • Serves as the city's point of contact for outside groups interested in holding special events in Glendale. <p>REVENUE GENERATION:</p> <ul style="list-style-type: none"> • Revenue is approximately \$3,000 annually through the special event permit process and deposited into General Fund Account 1000-14110-450300. • Many of the 50 annual events generate city revenue, as approximately 25,000 attended these events last year, thus contributing to the city's tax collections. <p>SERVICE ALTERNATIVES: Permitting service is required by City Code.</p> <p>IMPACT OF CHANGING SERVICES: 50% of one FTE's time is committed to operating the Special Event Permit Application process. Per city ordinance, this is required by code in order to hold an event on city property. Permitting services would need to be provided by another city department.</p> <p>FTEs ASSOCIATED W/ SERVICE: See above</p>

This produces a positive economic impact and increases leisure, business and group travel spending in the region. Duties include:</p> <ul style="list-style-type: none"> • Develop & implement the CVB's annual business plan. • Develop and manage sales programs and strategies to secure convention, group and leisure travel business. • Produce annual Glendale and West Valley Regional Travel Planner • Manage CVB membership recruitment and retention programs and annual membership renewal processes including lead development, sales calls, record keeping and reporting. • Fulfills member programs and member benefits. • Organize & conduct site-visit tours for domestic and international meeting planners, tour operators, travel agencies and travel writers. • Participate in industry outreach and educational programs such as Meeting Planner International, Hospitality Sales and Marketing Association International and Valley Hotel and Resort Association. • Attend travel and trade shows to promote Glendale and the West Valley to leisure, convention, tour and trade travel markets. <p>REQUIRED BY LAW/CODE/REG?:</p> <p>No</p> <p>CURRENT PERFORMANCE DATA:</p> <ul style="list-style-type: none"> • Tourism Impact/Revenue Generation: The Glendale CVB/Tourism Office generates bed tax, retail and restaurant sales tax revenue for GCVB members and West Valley tourism-related businesses through promotion and marketing • Fulfilled more than 100,000 travel, tour and trade leads through direct mail and email. • 96.7% membership renewal after first year in operation (industry CVB membership renewal standard is 75%). • Distribute 55,000 copies of the annual Glendale & West Valley Regional Travel Planner • 32 million visitors annually to West Valley attractions (Source: Madden Media) • Since the CVB has been in operation (July 2010), hotel occupancy has increased 5% • Glendale is represented in nearly 12 local, national and international tourism associations. • The CVB manages an average of one customized site-visit tour per month with travel writers, tour operators, etc. that, in turn, bring business through air travel, booked conferences and media placement in highly valued travel publications. • Generated \$411,705 in publicity value over last year through earned media placement. • Placement of more than 100 print ads in target publications. <p>REVENUE GENERATION:</p> <ul style="list-style-type: none"> • The Arizona Office of Tourism reports that for every \$1 spent in tourism marketing, \$7 is returned in visitor spending. • Bed tax collections: \$914,836 in calendar year 2010 (most recent budget data) • Membership fees: \$20,000 (1870-14311-460870) <p>SERVICE ALTERNATIVES:</p> <p>Sole Source: Glendale manages the only CVB in the West Valley. Thus, there would be no other entity to represent and promote Glendale and the region as a preferred visitor destination.</p> <p>IMPACT OF CHANGING SERVICES:</p> <p>The Arizona Office of Tourism reports that for every \$1 spent in tourism marketing, \$7 is returned in visitor spending. If</p>
---	--

<p>service ended, leisure, sports and convention marketing and sales initiatives will be eliminated. As evidenced by the increasing hotel occupancy numbers since the CVB opened, we believe this will result in a significant decline in visitors and tourism spending from travelers and put Glendale at a competitive disadvantage with Phoenix and East Valley cities, which have a CVB.</p>
<p>FTEs ASSOCIATED W/ SERVICE: 2.5 FTE's are assigned to the division and are responsible for the operation of the CVB, the Visitor Center, coordination of all downtown events and sports & entertainment visitor outreach. Division has been reduced by one full time contract employee, from 3.5 to 2.5 as of FY11.</p>
<p>A6000/A7000 BUDGET TOTALS: 14311 has no A6000, see belowA7000: \$30,000This revenue is entirely generated by CVB membership fees and reflects the budgeted amount the division is allowed to spend each year.</p>

<p>Fund/Division #: 1000/1870-10820/14310 Division Name: Tourism/Souvenir Program # of FTEs: 0 A6000: \$165,381 A7000: \$46,247 TOTAL: \$211,628</p>	<p>SERVICE DESCRIPTION: Operation of the Glendale Visitor Center:</p> <ul style="list-style-type: none"> • Staffing of the Visitor Center 6-days a week with extended hours during mega events, special events and festivals. • Answer a high volume of phone calls and email communications from visitors and residents and requests for travel information. • Manage the tourism website, www.VisitGlendale.com and related social media including Facebook and Twitter • Participate and serve on Tourism committees including Governor's Tourism Advisory Council and Visitor Center Advisory Committee. • Manage the Glendale Visitor Center Gift Shop.
	<p>REQUIRED BY LAW/CODE/REG?: As a designated local visitor information center (LVIC) for the state of Arizona, Glendale is required by the state to meet specific regulations, including mandated hours of operation, brochures on display from all regions of the state, trained staff, 24-hour information available, drinking water, telephones and restrooms available for visitors and ADA compliance.</p>
	<p>CURRENT PERFORMANCE DATA:</p> <ul style="list-style-type: none"> • 15,000 walk-in visitors annually • 7,600 phone calls annually • Distributes 55,000 Visitor Guides • Distributes 10,000 Shop Glendale cards and 100,000 additional brochures annually • 15,000 visitors monthly to tourism website • 8,100 subscribers to monthly e-newsletter • 500+ brochures on statewide attractions on display. • The Glendale Visitor Center has received perfect evaluation scoring annually from the state since opening in October 2000. It is an example of the highest quality visitor center in Arizona
	<p>REVENUE GENERATION: This service is associated with the collection of revenue. Research indicates that travelers/visitors who utilize the services of visitor centers spend \$47 more in the local community and additional time at tourist attractions. (Source: Destination Marketing Association International)</p>

SERVICE ALTERNATIVES: Sole Source: There would be no visitor center in Downtown Glendale.
IMPACT OF CHANGING SERVICES: Ending service would diminish the city's ability to generate visitor spending in Glendale. If service ended, travelers would no longer have a call-to-action to begin their travel in Downtown Glendale or a central source for visitor information. Furthermore, the Visitor Center provides the city with a visitor/tourism tie-in to the "mega events" hosted in Glendale. During the 2012 Fiesta Bowl event, the visitor center averaged a 137% increase in visitor activity and assistance from the month prior.
FTEs ASSOCIATED W/ SERVICE: See above
A6000/A7000 BUDGET TOTALS: A6000: \$165,381 A7000: \$41,247 - 90% of A7000 line item is comprised of visitor outreach services and programs -- advertising placements, brochure and collateral production and lead generation and fulfillment (postage). A7000: \$5,000: Tourism Souvenir Program. This amount reflects what the division is allowed to spend. Expenditures are based on gift shop sales.

Fund/Division #: 1000-10820 Division Name: Tourism # of FTEs: 0 A6000: \$0 A7000: \$0 TOTAL: \$0	SERVICE DESCRIPTION: Coordination of all Downtown Events: In partnership with the downtown business community, the Glendale CVB coordinates nearly 100 event days annually.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: <ul style="list-style-type: none"> • This year, some downtown merchants have reported an increase of up to 80% in sales during event days. • An average of 30% of these event attendees are first-time visitors to downtown Glendale. • 15,000 walk-in visitors to the Glendale Visitor Center annually.
	REVENUE GENERATION: <ul style="list-style-type: none"> • This service is associated with the collection of revenue through an increase in visitor spending during event days. • Research indicates that travelers/visitors who utilize the services of visitor centers spend \$47 more in the local community and additional time at tourist attractions. (Source: Destination Marketing Association International)
	SERVICE ALTERNATIVES: Sole Source: Central coordination of all downtown events and activities would be eliminated.
	IMPACT OF CHANGING SERVICES: Without the management of the programs through the CVB/Visitor Center, downtown shopping and dining promotions would significantly decrease and monthly downtown activity will be diminished. This will have a direct impact on downtown merchants, who would need to manage events by themselves. In addition, city sales tax collections and number of visitors to the downtown would decrease significantly.
	FTEs ASSOCIATED W/ SERVICE: See above
	A6000/A7000 BUDGET TOTALS:

Fund/Division #: 1281-10840 Division Name: Mkt'g - Stadium Events # of FTEs: 0 A6000: \$0 A7000: \$91,615 TOTAL: \$91,615	<div>SERVICE DESCRIPTION: Sports & Entertainment Visitor Outreach: Promote and market Glendale as a destination to generate commerce and spur visitor spending in relation to the events taking place at Glendale's Sports & Entertainment District. Services include advertising in print publications and on websites in local, regional and team markets. Services include the creation and/or implementation of brochures, maps, press kits, postage and advertising in print publications and on websites in local, regional and team markets for entertainment district activities and events.</div> <div>REQUIRED BY LAW/CODE/REG?: No</div> <div>CURRENT PERFORMANCE DATA: <ul style="list-style-type: none"> • Funding allows the city to outreach to the 5-6 million visitors to Glendale's Sports & Entertainment District annually • 5% increase in hotel occupancy over the last 1½ years • Camelback Ranch-Glendale has the third-highest attendance among all Spring Training facilities in the Valley </div> <div>REVENUE GENERATION: <ul style="list-style-type: none"> • This service generates visitor spending and is associated with the collection of revenue in Glendale's Sports & Entertainment District: • The city collected approximately \$8 million in sales tax revenue from the city's Sports & Entertainment District in FY10. • The city collected \$914,836 in bed-tax revenue in calendar year 2010 </div> <div>SERVICE ALTERNATIVES: This service helps ensure the city's return on investment in the area is maximized through visitor spending as no one is marketing the city's entire entertainment district as individual entities are only marketing their own facilities/ events.</div> <div>IMPACT OF CHANGING SERVICES: The city's growing tourism industry serves as a tremendous economic driver for the entire city. Reducing this particular service will have a direct impact on visitor-related sales tax collections. Thus, it's in the city's best interest to maximize its return on investment through the advertisement and promotion of the entertainment district as a preferred destination.</div> <div>FTEs ASSOCIATED W/ SERVICE: See above</div> <div>A6000/A7000 BUDGET TOTALS: A7000: \$91,615 – This line item has been reduced by 46% as a result of budget cuts over the last three years. This budget is used for visitor and media outreach relating to mega events held in Glendale. These include the Fiesta Bowl, National Football Championship, Wrestlemania, Spring Training, NCAA Men's Basketball Tournament, etc.</div>

Fund/Division #: 1000-10710 Division Name: City Auditor # of FTEs: 2 A6000: \$230,763 A7000: \$7,607 TOTAL: \$238,370	SERVICE DESCRIPTION: Conduct citywide audits to ensure compliance with laws, regulations, policies and procedures, accomplishment of goals, reliability of financial data, safeguarding of assets and adequacy of information systems. Provide ongoing assessment of internal controls.
	REQUIRED BY LAW/CODE/REG?: Audits provide essential accountability and transparency per the United States Government Accountability Office. Internal auditing improves risk management, control and governance processes per the Institute of Internal Auditors.
	CURRENT PERFORMANCE DATA: July to December 2011: two performance audits, three cash audits, one contract audit, three department procurement card audits and two special projects.
	REVENUE GENERATION: Past audits have identified overpayments to vendors, additional revenues owed to the city by external parties and lack of compliance with contract terms and conditions by vendors.
	SERVICE ALTERNATIVES: A) Outsource the audit function. B) Terminate the audit function - no secondary level of oversight and reduced accountability.
	IMPACT OF CHANGING SERVICES: Outsourcing will result in increased costs to the city as internal auditor rates may range anywhere from \$65/hr (junior auditor) to over \$200/hr. Terminating the function will result in reduced levels of corporate governance, reduced levels of accountability and increased risk of abuse, waste and fraud.

Fund/Division #: 1000-10710 Division Name: City Auditor # of FTEs: 0.5 A6000: \$22,000 A7000: \$1,500 TOTAL: \$23,500	SERVICE DESCRIPTION: Part-time (20 hrs) administrative support to audit function.
	REQUIRED BY LAW/CODE/REG?: Provides support to the audit function that is essential per the Government Accountability Office and the Institute of Internal Auditors.
	CURRENT PERFORMANCE DATA: Assists auditors with internal and external research, document review and maintenance of the electronic audit work paper filing system. "
	REVENUE GENERATION: Performs administrative tasks and research allowing auditors to focus more time on auditing.
	SERVICE ALTERNATIVES: A) Outsource the audit support function. B) Terminate the audit support function.
	IMPACT OF CHANGING SERVICES: Lack of administrative support will increase costs and reduce efficiencies as auditors will now need to perform these tasks at higher rates of pay and take time away from auditing.

Fund/Division #: 1000-11360 Division Name: Purchasing # of FTEs: 2 A6000: \$155,231 A7000: \$3,024 TOTAL: \$158,255	SERVICE DESCRIPTION: Develop and manage invitation for bids, requests for proposals, review sole source and emergency purchases, review state contracts and cooperative agreements, manage contract amendments and process purchase orders.
	REQUIRED BY LAW/CODE/REG?: City Code: Part I, Article VIII - Contracts. Part II, Chapter 2, Administration, Article V, Financial Affairs - Purchasing Procedure.
	CURRENT PERFORMANCE DATA: Manage over \$20M in contracts, developed and managed 15 IFBs/RFPs, approved 40 sole source purchase or emergency requests and processed 450 purchase orders.
	REVENUE GENERATION: Reduces overall risk to the city and ensures the city receives the best price for goods and services through managed competition. Ensures compliance with the city's procurement code and city directives.
	SERVICE ALTERNATIVES: Transfer the function to city departments.
	IMPACT OF CHANGING SERVICES: City procurements could be more expensive or not in compliance with laws and regulations if adequate review or research is not performed by trained professionals. Increased risk of waste, abuse, fraud and liability if laws and regulations are not followed.

Purchasing Totals	A6000	A7000	A7500	TOTAL	FTE

Fund/Division #: 1000-11370 Division Name: Warehouse # of FTEs: 4.75 A6000: \$245,656 A7000: \$21,847 TOTAL: \$267,503	SERVICE DESCRIPTION: Order, store and secure over \$1 million in city inventory. Manage the auction of city surplus property. Manage and collect city surplus recyclable metal revenue. Function as the administrator for the city's procurement card program. Support emergency operations when required.
	REQUIRED BY LAW/CODE/REG?: City Code: Part II, Chapter 2, Administration, Article V, Financial Affairs, Purchasing Procedure - Warehousing Stores, Pool Stock. Article V, Sale of City Property, Disposal of Surplus or Obsolete Property; ARTICLE VII, Unclaimed Personal Property.
	CURRENT PERFORMANCE DATA: Centralize and manage citywide inventory. Transport, store, and redistribute city surplus property. Manage the citywide procurement card program. Coordinate and manage the citywide auction program for city surplus property and RICO vehicles.
	REVENUE GENERATION: Processed over \$442,000 in auction revenue (accounts 455000 and 455200).
	SERVICE ALTERNATIVES: A) Decentralize the inventory process and have departments order, maintain and store their own inventory. B) Outsource the auction process. C) Transfer the collection and reconciliation of surplus recyclable materials to another department.
	IMPACT OF CHANGING SERVICES: Decentralization may result in reduced levels of internal control, increased risk of theft or loss of property and increased cost if inventory is not ordered at the lowest price in the correct quantities. Outsourcing the auction function would still require oversight by a city contract administrator.

<p>Fund/Division #: 1000-15610 Division Name: Building Safety</p> <p># of FTEs: 10</p> <p>A6000: \$832,359 A7000: \$76,564 TOTAL: \$908,923</p>	<p>SERVICE DESCRIPTION: Inspection of all new or remodeled construction for compliance with safety codes. Inspections for business licenses to confirm approval or denial of license. Inspects special events such as Fiesta Bowl, BCS and Super Bowl and all city special events often after hours and weekends and holidays. Assists Economic Development by managing inspection services on priority projects in order to meet desired opening dates for businesses. Abatement of Dangerous and Damaged Buildings involves requiring the repair or demolition of damaged buildings, tracking the status of cases and scheduling of hearings. Provides assistance to PD in abating homes that have a history of criminal activity that are sub-standard-- generated 19 cases last fiscal year. Foreclosed properties have increased the workload significantly.</p>
	<p>REQUIRED BY LAW/CODE/REG?: Yes, city code, state law (ADA), Federal law (Fair Housing Act).</p>
	<p>CURRENT PERFORMANCE DATA: Answer all requests for information via phone within 24 hours. Performs all inspections within 24 working hours of request. Resolve all complaints or issues within 48 hours. Provide all project updates to DH weekly and urgent issues daily. Perform all MPE plan reviews within published time schedule. Perform quality assurance checks on inspections weekly. For FY10/11 39,538 inspections were performed. Year to date for FY11/12 inspections are 18,702. For FY10/11 there were 83 abatement cases and 181 inspections. Year to date for FY11/12 abatement cases are 41 and inspections are 83. in contrast, prior to 2005, there were less than 6 per year. Abatement program does not have a budget-- but since the activity has increased from a few cases a year in 2005-- funding has become difficult. Funds are taken from professional development and professional and contractual. Staff finds funding for demolitions and fencing through other programs in the city--although not always successful.</p>
	<p>REVENUE GENERATION: Permit revenue covers inspection services. Revenue in FY11/12 to date is \$507,060. FY 10/11 was \$1,018,758. 1000-01000-406200.</p>
	<p>SERVICE ALTERNATIVES: Alternative is to hire outside agency to provide inspection services. Historically, agency staff is not as reliable nor as knowledgeable as permanent staff. We have found them to inconsistently apply local amendments and regulations. They have not understood the political environment nor the customer service expectations of the city and our residents. Our expectations of inspectors includes the responsibility to not just perform an inspection, but to assist the customer in meeting their deadlines for opening and being a part of the development team. This is how we have been successful on complex projects with tight deadlines. City codes require inspections, eliminating service requires change to city code and would negatively impact our ISO rating. Alternative for Abatement is to hire outside agency to provide this service, but since these cases require political savvy and constant updating and contact with the property owners, it is doubtful outsourcing would be successful.</p>
	<p>IMPACT OF CHANGING SERVICES: Contracting the service may not offer cost savings (past exp showed contractors or agencies cost more). Other cities that contract out services have a much lower ISO rating. Eliminating service means no inspections. This impacts the safety of our residents and business owners and will negatively impact our ISO rating for the city (which affects insurance rates for our citizens and businesses). This program cannot be totally eliminated, since many of these properties are extreme safety hazards, or attract criminal activity. Discontinuing assistance to PD would impact their ability to eliminate criminal activity in neighborhoods.</p>

Fund/Division #: 1000-15610 Division Name: Building Safety # of FTEs: 8 A6000: \$653,278 A7000: \$27,644 TOTAL: \$680,922	<div data-bbox="485 69 1974 321"> <p>SERVICE DESCRIPTION: Plan reviews all new or remodel projects for compliance with safety codes prior to issuing permits. Meet with developers and design professionals prior to and during plan review process. Assist at the public counter on more complex code questions or issues. Reviews plans for special events such as Fiesta Bowl, BCS, Super Bowl, and city special events. Assists inspection team with inspections on Fiesta Bowl, BCS and Super Bowl for more complex life safety issues. Provides training to citizens on small projects. Works on amendments to proposed codes. Assists Economic Development by expediting plan reviews for priority projects.</p> </div> <div data-bbox="485 321 1974 394"> <p>REQUIRED BY LAW/CODE/REG?: Yes, city code, state law (ADA), Federal Law (Fair Housing Act).</p> </div> <div data-bbox="485 394 1974 613"> <p>CURRENT PERFORMANCE DATA: Answer all requests for information via phone or web within 24 hours. Perform all plan reviews within published time schedule. Perform quality assurance checks on plan reviews weekly. Meets with inspection staff monthly for feedback on plan review quality. Number of plan reviews completed in FY10/11 was 3,485. Year to date FY11/12 plan reviews are 1,584, Plan review revenue covers these services. Revenue in FY11/12 to date is \$243,516. FY10/11 was \$611,476. 1000-01000-422600</p> </div> <div data-bbox="485 613 1974 686"> <p>REVENUE GENERATION: \$611,476</p> </div> <div data-bbox="485 686 1974 1011"> <p>SERVICE ALTERNATIVES: Alternative is to hire outside agency to provide plan review services. Historically, agencies are not as reliable nor as knowledgeable as permanent staff. For example, we hired an agency to perform residential plan review, on their first several reviews our permanent staff also completed the same reviews. After comparing the agency's review against ours, multiple major items were missed. This was after specifically reviewing all of our ordinances and amendments and expectations with the actual reviewer. This experience was repeated with another agency. City codes require plan review, eliminating service requires change to city code and would negatively impact our ISO rating. Other alternative is to have a self-certification process in which registered architects and engineers certify that their plans comply with all city codes and ordinances and would not require plan review.</p> </div> <div data-bbox="485 1011 1974 1367"> <p>IMPACT OF CHANGING SERVICES: Contracting the service may not offer cost savings (past exp showed contractors cost more). Other cities that contract out services have a much lower ISO rating. Eliminating service means no review of plans prior to permits being issued. Any corrections to ensure compliance with life safety codes would be necessary in the field where time is money for the developer. This would require more time per inspection stop. This impacts the safety of our residents and business owners and will negatively impact our ISO rating for the city (which affects insurance rates for our citizens and businesses). Self-certification program would same impact/concerns as above. It would also impact significantly the inspection team. Verification of compliance with ordinances would be shifted to inspectors in the field. Inspections would take longer to perform and inspection team would not have equal expertise as plans examiners, especially for structural, electrical and complex life safety req.</p> </div>
--	---

<p>Fund/Division #: 1000-15610 /15620</p> <p>Division Name: Building Safety and Development Services</p> <p># of FTEs: 9</p> <p>A6000: \$617,906</p> <p>A7000: \$23,565</p> <p>TOTAL: \$641,471</p>	<p>SERVICE DESCRIPTION: Issues all construction permits and routes and tracks plans for all development projects to all depts. in development process. Responds to all requests for development info via phone, walk-in or internet. Collects all revenue for permits and plan review. Includes review of business licenses. Issues permits for special events such as Fiesta Bowl, BCS, Super Bowl and city special events. Provides training to citizens on a variety of development projects. Provides interpretation of difficult code requirements and collects all statistical information for dept. Assists Economic Development by streamlining the permitting process for priority projects (expedited review).</p> <p>REQUIRED BY LAW/CODE/REG?: Yes, city code and some state and federal regulations (FEMA).</p> <p>CURRENT PERFORMANCE DATA: Answer all requests for information via phone or web within 24 hours. Assist customers at counter within 5 min. Issue permits within 48 hours of approval. Responds to all public records requests, and coordinates all utility clearances (gas, elec) daily. Reports all permit activity monthly to internal and external agencies and depts. 4,935 permits were issued in FY10/11, an increase over FY09/10 of 8%. Permits to date is 2157. Number of customers served at the public counter was 9,611 in FY10/11 and to date is 4,126. Number of phone calls in FY10/11 was 13,733 and to date is 5,973. Permit revenue covers work related to routing and tracking plans, issuing permits. Permit Revenue in FY11/12 to date is \$507,060. FY 10/11 was \$1,018,758. 1000-01000-406200.</p> <p>REVENUE GENERATION: \$1,018,758</p> <p>SERVICE ALTERNATIVES: Alternative is to hire outside agency to provide services at the public counter. Historically, agencies are not as reliable nor as knowledgeable as permanent staff. Outside agencies are not invested in the community nor in the outcomes of decisions and lack political savvy. Agencies have not been consistent in applying local amendments, or regulations, nor do they have knowledge of precedents or historical data. City codes require permits to be issued and plans to be reviewed, eliminating service requires change to code and would negatively impact our ISO rating for the city. Phones could be answered by an automated system, eliminating first contact by staff.</p> <p>IMPACT OF CHANGING SERVICES: Contracting the service may not offer cost savings (past experience showed contractors or agencies cost more). Eliminating service means no permits issued, so no plan review is required and inspections are not necessary. This impacts the safety of our residents and business owners and will negatively impact our ISO rating for the city (which affects insurance rates for our citizens and businesses).</p>

Enforcement of these community standards promotes the health and safety of neighborhoods, impacts Glendale resident's quality of life and property values. Inspections are performed on weekdays and weekends at private properties including residential, rental, and commercial properties and include the issuance of notices, civil citations, and abatement actions.</p> </div> <div data-bbox="485 297 1969 479"> <p>REQUIRED BY LAW/CODE/REG?: Yes. Enforcement is required by the City Zoning Ordinance and City Code Chapters 9, 24, 25, 29.1 and 33 which are related to a variety of code violations including nuisances (vegetation, graffiti, and fugitive dust), building without a permit, life safety issues, infestation, property maintenance, illegal signs, landscaping, illegal parking, and stormwater enforcement in residential areas.</p> </div> <div data-bbox="485 479 1969 695"> <p>CURRENT PERFORMANCE DATA: Neighborhood Inspectors respond to resident calls for service as well as proactively initiating cases. During FY2011 the Department received and responded to 12,564 resident calls, handled 16,015 cases; proactively initiated 11,673, conducted 43,799 inspections, and resolved 85% of all cases within 30 days. During the first six months of FY2012 the Department received and responded to 5,751 resident calls, handled 6,417 cases, proactively initiated 4,751 cases, conducted 19,417 inspections, and resolved 89% of all cases within 30 days.</p> </div> <div data-bbox="485 695 1969 771"> <p>REVENUE GENERATION: \$0</p> </div> <div data-bbox="485 771 1969 881"> <p>SERVICE ALTERNATIVES: City Codes can be enforced by the Police Department or other city staff if such authority is designated by the City Manager or position responsible for enforcing specific sections of City Code.</p> </div> <div data-bbox="485 881 1969 1058"> <p>IMPACT OF CHANGING SERVICES: Reduction or elimination of Neighborhood Inspection Services will adversely impact the safety of neighborhoods, individual properties, community appearance, property values and reduce or eliminate the city's ability to address unsafe and hazardous City Code violations in a timely manner. This will also impact the city's responsiveness to citizen complaints, inquiries and requests.</p> </div>
---	--

Fund/Division #: 1000-14410 Division Name: Code Compliance # of FTEs: 0 A6000: \$0 A7000: \$5,563 TOTAL: \$5,563	<div data-bbox="485 1130 1969 1450"> <p>SERVICE DESCRIPTION: Clean and Lien Program: The Clean and Lien Program is administered to abate code violations on vacant/abandoned properties by contract and the property owner is billed for the costs. A lien is placed on the property if the bill is not paid within a specified time. The Clean & Lien Program is intended to eliminate code violations on vacant/abandoned properties that create health & safety issues and to protect neighborhoods from blight and deterioration that negatively impacts quality of life and property values. Funding for this program comes out of the Department's general fund (Dept.: 14410, Fund: 1000, Account: 518200 and Dept.:14410, Fund: 1000, Account: 530800 when cleaning and liening of properties is required in excess of funding budgeted for this program.) CDBG funds also support this program within eligible neighborhoods.</p> </div> <div data-bbox="485 1450 1969 1529"> <p>REQUIRED BY LAW/CODE/REG?: Yes, enforcement of the Clean and Lien Program is authorized by Arizona Revised Statutes and codified in Chapter 25 of the</p> </div>
---	--

Glendale City Code.
<p>CURRENT PERFORMANCE DATA: During FY 2011 code violations were abated by contract on 313 vacant/abandoned properties at a cost of \$42,670 (\$25,501 general fund and \$17,169 CDBG funding.) A total of \$45,803 (\$30,268 general fund and \$15,535 CDBG funding) was received in reimbursements. During the first six months of FY2012, code violations have been abated by contract at 135 vacant/abandoned properties at a cost of \$25,211 (\$16,349 general fund and \$8,862 CDBG funding.) A total of \$19,078 (\$13,118 general fund and \$5,960 CDBG funding) Reimbursements received through Dept: 14410, Fund: 1000, Account: 530800 are used to supplement the Clean and Lien Program which is initially funded by Dept: 14410, Fund: 1000, Account: 518200.</p>
<p>REVENUE GENERATION: \$13,118</p>
<p>SERVICE ALTERNATIVES: 1) Stop coordinating the clean and lienning of property violations on private properties. 2) Abate code violations using city staff and lien the responsible party for the costs associated with city staff abating the code violations. 3) Conduct abatement of violations by using volunteers.</p>
<p>IMPACT OF CHANGING SERVICES: 1) Ending this program will cause code violations to remain on vacant properties until they are addressed by the responsible party associated with the property. This will negatively impact the health and safety of our neighborhoods and timely resolution of code violations. 2) Use of city resources to abate violations will eliminate the third party bid process currently used by Code Compliance. 3) Coordination of volunteers would be required.</p>
<p>FTEs ASSOCIATED W/ SERVICE: 0 No one employee is dedicated to this service. The responsibility is shared amongst Department staff.</p>

<p>Fund/Division #: 1000-14410 Division Name: Code Compliance</p> <p># of FTEs: 0</p> <p>A6000: \$0 A7000: \$60 TOTAL: \$60</p>	<p>SERVICE DESCRIPTION: Volunteer Sign Removal Program: Volunteers remove and dispose of temporary signs that have been illegally placed in the city's right-of-way.</p>
	<p>REQUIRED BY LAW/CODE/REG?: This service is not required, however it does address the blight created throughout the city when signs are illegally placed and left in the city's right-of-way.</p>
	<p>CURRENT PERFORMANCE DATA: Volunteers removed 15,404 illegal signs in FY2011 which allowed Neighborhood Inspectors to focus more time addressing code violations at individual properties. During the first six months of FY2012 volunteers have removed 8,659 illegal signs throughout the city.</p>
	<p>REVENUE GENERATION: \$0</p>
	<p>SERVICE ALTERNATIVES: Alternatives include having city staff remove illegally placed signs or going out to RFP and identifying a private contractor to provide this service.</p>
	<p>IMPACT OF CHANGING SERVICES: 1) Reducing or ending this program would create a greater amount of blighted signage throughout the city. 2) Using city staff</p>

or a contractor to provide the service could increase costs associated with this program.

FTEs ASSOCIATED W/ SERVICE:

Fund/Division #: 1000-15910 Division Name: Planning Administration # of FTEs: 3 A6000: \$257,586 A7000: \$49,232 TOTAL: \$306,818	SERVICE DESCRIPTION: Planning Commission, Historic Preservation Commission and Board of Adjustment. Administers the Citizen Participation Ordinance for the city. Prepares staff reports for Planning Commission, Historic Preservation Commission, Board of Adjustment and Council Communications. Provides support to the Council Sustainability Committee.
	REQUIRED BY LAW/CODE/REG?: City.
	CURRENT PERFORMANCE DATA: Provides preparation and proofreading of all department correspondence (applicant letters, staff reports). Ensure all legal advertising and posting and city requirements are met. Provide support to designated designated Boards and Commissions and the Committee. Maintain documents, files, office supplies, ensure scheduling, prepares agendas and minutes for all meetings
	REVENUE GENERATION: Fees are collected for land use applications that require Planning Commission and Board of Adjustment action. See data listed under current planning for revenue.
	SERVICE ALTERNATIVES: Glendale is the sole source provider. Staff streamlined services by sending correspondences by e-mail and transmitting minutes internally vs outsourcing to reduce cost.
	IMPACT OF CHANGING SERVICES: Resources have already been reduced and outsourced. The applicant is now responsible for the cost of notice of public hearing and notification letters to citizens. This position assists other departments as needed.

Fund/Division #: 1000-15930 Division Name: Current Planning # of FTEs: 4 A6000: \$318,399 A7000: \$0 TOTAL: \$318,399	SERVICE DESCRIPTION: Current Planning services including the review of land use applications, entitlement work such as general plan amendments, rezoning applications, conditional use permits, preliminary and final plats, variances, design review, and customer service.
	REQUIRED BY LAW/CODE/REG?: Government.
	CURRENT PERFORMANCE DATA: Assist and provide guidance to citizens regarding city ordinances, codes, regulations, plans etc. Review and process land use applications such as rezoning, and design review to ensure quality land use and development within the city. Present and attend public hearings and neighborhood meetings as required. This function takes in approximately 100 formal inquiries which results in approximately 40 applications. Review plans to ensure they comply with city ordinance and stipulations approved by Planning Commission and City Council. Planning Staff reviews approximately 732 plans annually.
	REVENUE GENERATION: Fees are collected for land use applications. Accounts associated are # 1000-01000-410000 and 100-01000-410200. Amount of revenues is approximately \$140,000.00.
	SERVICE ALTERNATIVES: Glendale is the sole source provider. Service is based on understanding the vision of the City Manager and goals of the City Council. The political ramification makes the service a vested interest to the overall development of the city.
	IMPACT OF CHANGING SERVICES: Resources have already been reduced and outsourced. This position assists other departments as needed.

A6000/A7000 BUDGET TOTALS:

A6000: \$318,399. A7000: Money is shared with #15930 as the actions overlap

Fund/Division #: 1000-15940 Division Name: Long-Range Planning & Research # of FTEs: 2 A6000: \$126,116 A7000: \$10,000 TOTAL: \$136,116	<div>SERVICE DESCRIPTION: Special Projects. Consists of zoning text amendments, creation of overlay districts, Census 2010, Council District redistricting, Loop 303 Corridor initiative. GIS, mapping services, special projects from City Manager's Office. Acts as the liaison to the Maricopa Association of Governments (MAG). Review proposed legislation and provides policy and technical guidance to the Intergovernmental Programs Department each legislative session. Annexation services and population estimates are provided for the entire city.</div> <div>REQUIRED BY LAW/CODE/REG?: City.</div> <div>CURRENT PERFORMANCE DATA: Conducts research and provide guidance on topics of special interest driven by the Planning Director and City Manager's Office. Revise the Zoning Ordinance as deemed necessary by the Planning Director. Provide supporting documents for land use applications for public hearings and neighborhood meetings. Assist with special projects created by the Economic Development Department and the City Manager's office. Work with other departments regarding different databases for city functions. On average this service provides approximately 60 maps and other data. This service is vital to several services within the department and other departments.</div> <div>REVENUE GENERATION: These functions are a vested interest to the city as its objective is to aid in providing quality services citywide. The revenues generated from this service is outlined in the current planning division. This service does contribute to the bottom line of the general fund revenues as it provides assistance to high profile projects from other departments. A7000 funds are under the Planning Administration 15910</div> <div>SERVICE ALTERNATIVES: Glendale is the sole source provider due to the unique services provided and the political nature of the service. The service is based on understanding the vision of the City Manager and the goals of City Council to ensure a quality built environment.</div> <div>IMPACT OF CHANGING SERVICES: Some zoning text amendments are mandated by state law if a topic pertains to land use. Census activity and redistricting are federally mandated. GIS and mapping are essential services to Planning Department operations. Mapping is used by many departments. Special projects are a high priority to the organization. The GIS and mapping service has been reduced as there is only one person responsible for preparing and maintaining this critical service.</div>

Fund/Division #: 1000-16010 Division Name: Economic Development # of FTEs: 2.25 A6000: \$233,934 A7000: \$19,475 TOTAL: \$253,409	SERVICE DESCRIPTION: Business Retention & Expansion - A core pillar of the Economic Development Department is to support those businesses that have already made an investment in Glendale and assist whenever possible with expansion and/or additional growth endeavors. These efforts illustrate the priority we continue to place on retaining Glendale's valued partners in the business community and building upon a track record that shows Glendale's commitment to being a business-friendly community.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Approximately 80% of new jobs and capital investment comes from existing companies located within Glendale. Economic Development's retention efforts, in partnership with Glendale Community College, SBDC, and ASU West has resulted in maintaining or expanding eight companies in Glendale thereby retaining 1,120 jobs to date for FY 11/12. Revenues associated with this service listed in the column to the right is the combined total annual estimated direct revenue from business retention & expansion projects. This figure is determined and verified by a third-party economist, Applied Economics. These revenues go into the general fund.
	REVENUE GENERATION: \$9,900,000 - Over the term of the Leases \$1,320,000 - Annual Estimated Direct Revenue
	SERVICE ALTERNATIVES: Hire specialized consultants to conduct this work and/or eliminate this core area of department function.
	IMPACT OF CHANGING SERVICES: If the city chooses not to maintain this award winning economic development program, the result would be an inability to retain and expand business already located in Glendale. This would result in a reduction of future opportunities and revenues generated by this function for the general fund (e.g. - 9.9 million generated thus far in FY 11/12) from these efforts. In addition, the ability to identify and partner on new programs, such as the Procurement Technical Assistance Center (PTAC) as well as other opportunities would be lost. This would result in difficulties with business outreach. Should the city decide to contract this out, existing relationships would need to be rebuilt, thus impacting the revenues generated from this core function of the department. The fees associated with contracting this function would be cost prohibitive.
	A6000/A7000 BUDGET TOTALS: A6000 Total: \$233,933.59 FTE Breakout JM - 25%, DM - 85%, RL - 5%, BF - 30%, JP - 30%, SR - 50% A7000 Total: \$19,475.33

Fund/Division #: 1000-16010 Division Name: Economic Development # of FTEs: 2.5 A6000: \$230,176 A7000: \$16,791 TOTAL: \$246,967	SERVICE DESCRIPTION: Redevelopment/Centerline - A core pillar of Economic Development is citywide redevelopment of commercial sites throughout Glendale, with a focus on key sites, in an effort to capitalize on current market demands, increase revenue generation, and improve the overall aesthetic image of the city. Redevelopment of Glendale's Centerline district incorporates all functional areas of the department to create a vibrant city center. Our redevelopment priorities include: expanding our outreach and assistance to downtown businesses; continue encouraging and bringing investment to the Centerline district; and focus on growing an energetic culture in the downtown with emphasis on creating additional nighttime entertainment opportunities.
	REQUIRED BY LAW/CODE/REG?: No

<p>CURRENT PERFORMANCE DATA:</p> <p>This core area of the Economic Development Department focuses on citywide redevelopment and the Centerline Project. Programs in this area include the Visual Improvement Program which resulted in over \$93,000 being invested in Glendale in FY 10/11. An additional \$130,000 is allocated for FY 11/12. The Department has attracted or assisted in attracting over 150 new jobs to Centerline over the past 2 years. The department has leased the former Bead Museum building, generating an additional \$20,000 in revenues to the General Fund in FY 11/12 while establishing 38 new events in the downtown that will generate additional sales tax revenue for the downtown area. The department is working with property owners to bring over \$1,000,000 dollars of new investment in Centerline properties, as well as securing \$300,000 Federal EPA grant to support the redevelopment of the old Thunderbird lounge site.</p> <p>Revenues associated with this service listed in the column to the right is the combined total from the estimated direct revenue impacts from redevelopment projects determined by our economic impact analysis. These revenues go into the general fund.</p>	
<p>REVENUE GENERATION:</p> <p>\$268,000 - Annual Estimated Direct Revenue</p>	
<p>SERVICE ALTERNATIVES:</p> <p>Hire specialized consultants to conduct this work and/or eliminate this core area of department function.</p>	
<p>IMPACT OF CHANGING SERVICES:</p> <p>If the city chooses not to maintain this core area of Economic Development, the result would be an inability for the city to maximize on reinvestment opportunities that present themselves, maintain current businesses assistance and expansion programs, and continue the effective aesthetic improvement programs that has aided properties located in the downtown and Centerline areas, which has aided in drawing new visitors, business, and investment to the City's core. Business redevelopment and reinvestment generates general fund revenues through additional sales, new jobs, and expanding business operations. In addition, the city's ability to respond to some of the more complex processes often involved in returning infill parcels to economic viability would be absent, as the program provides a direct contact/ombudsman who coordinates with various departments, private parties, and when needed federal organizations to expedite development. Should the city decide to contract this out, the relationships that have been years in development would be lost, thus impacting the revenues generated from this core function of the department. The fees associated with contracting this function would be cost prohibitive.</p>	
<p>A6000/A7000 BUDGET TOTALS:</p> <p>A6000 Total: \$230,176.48 FTE Breakout - RL - 90%. BF -30%, JP - 30%. MP - 75%, SR - 25% A7000 Total \$16,791.33</p>	

<p>Fund/Division #: 1000-16010</p> <p>Division Name: Economic Development</p> <p># of FTEs: 2.25</p> <p>A6000: \$225,031</p> <p>A7000: \$19,475</p>	<p>SERVICE DESCRIPTION:</p> <p>Business Attraction - A core pillar of the Economic Development Department is the focus on building strategic relationships with both large corporations and small businesses, as well as vested parties interested and involved in business location decisions. Through our partnerships with GPEC and the Arizona Commerce Authority, along with relationship building, and maintaining a consistent knowledge of inventory, we are able to build and retain a network of business location decision makers and associated parties to generate prospects and locate new businesses within Glendale to create quality economic development.</p> <p>REQUIRED BY LAW/CODE/REG?:</p>
---	---

TOTAL: \$244,506	No
	<p>CURRENT PERFORMANCE DATA: In FY 12 to date, 8 new businesses located in the city of Glendale generating 508 new jobs for residents. These locates resulted in the department's ability to meet council objectives as well as generate direct revenue (annually) for the general fund. Revenues associated with this service listed in the column to the right is the combined total annual estimated direct revenue from business attraction projects determined by our economic impact analysis. These revenues go into the general fund.</p>
	<p>REVENUE GENERATION: \$2,540,000 - Annual Estimated Direct Revenue</p>
	<p>SERVICE ALTERNATIVES: Hire specialized consultants to conduct this work and/or eliminate this core area of department function.</p>
	<p>IMPACT OF CHANGING SERVICES: If the city chooses not to maintain this core area of Economic Development, the result would be an inability to develop opportunities for new capital investment. This would result in a deficit of the current revenues generated by this function for the general fund (e.g. - 2.54 million generated thus far in FY12) from locates. In addition, the city would not have the ability to respond to investment opportunities; therefore hindering the city's ability to generate new revenue. Should the city decide to contract this out, the existing relationships, along with potential prospects, in queue would be lost; thus impacting the revenues generated from this core function of the department. The fees associated with contracting this function would be cost prohibitive.</p>
	<p>A6000/A7000 BUDGET TOTALS: A6000 Total: \$225,030.89 FTE Breakout JM - 75%, DM - 15%, RL - 5%, BF - 40%, JP - 40%, MP - 25%, SR - 25% A7000 Total: \$19,475.33</p>

<p>Fund/Division #: 1000-16010 Division Name: Economic Development</p>	<p>SERVICE DESCRIPTION: GPEC Annual Contract provides the city with a variety of economic development resources from this regional body including locate leads, site selection services, marketing resources, and networking resources.</p>
<p># of FTEs: 0</p>	<p>REQUIRED BY LAW/CODE/REG?: No</p>
<p>A6000: \$0 A7000: \$90,000 TOTAL: \$90,000</p>	<p>CURRENT PERFORMANCE DATA: GPEC services/relationship is used frequently by Economic Development. Staff attends monthly meetings and communicates frequently with GPEC staff on prospective businesses, marketing efforts, and regional economic development legislation. Most recently in FY 12 the Economic Development Department benefited from its membership with GPEC by locating a GPEC lead, Alaska Federal Credit Union. Revenues associated with this service listed in the column to the right is the combined total from the estimated revenue impacts from GPEC locates. These revenues go into the general fund.</p>
	<p>REVENUE GENERATION: \$204,106</p>
	<p>SERVICE ALTERNATIVES: GPEC is the only regional Economic Development Organization.</p>

IMPACT OF CHANGING SERVICES:

If the city chooses not to continue contracting with GPEC for its services, the Economic Development Department would be at a huge competitive disadvantage citywide as all other major cities/towns in the Valley are GPEC members and have access to leads, business prospects, resources, marketing tools, that we would otherwise not be privy to without membership. The annual projected revenue generated by GPEC locates in Glendale is \$204,106 which is nearly 3 times the cost of membership.

Fund/Division #: 1000-16010 Division Name: Economic Development # of FTEs: 0 A6000: \$0 A7000: \$25,000 TOTAL: \$25,000	SERVICE DESCRIPTION: Glendale Chamber of Commerce contracted membership that provides lead generation, partnerships in our BR&E program, cohosts events for companies and site selectors.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Glendale Chamber of Commerce contracted membership that provides lead generation, partnership in our BR&E program, cohosts events for companies and site selectors.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: No this is the city's only Chamber of Commerce
	IMPACT OF CHANGING SERVICES: If the city chooses not to retain this relationship the city would lose partnerships, and the city would have to pick up costs of business networking events.

Fund/Division #: 1000-16010 Division Name: Economic Development # of FTEs: 0 A6000: \$0 A7000: \$7,800 TOTAL: \$7,800	SERVICE DESCRIPTION: GIS Planning is a tool for identifying existing inventory in the city
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Glendale Prospector used on Department website to identify existing industrial and office inventory
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: We will be switching to CoStar once our annual contract with GIS Planning expires. This service provided by CoStar is at no additional cost to the Department
	IMPACT OF CHANGING SERVICES: The Glendale Prospector provides an inventory of existing buildings available in Glendale and is indispensable in our business attraction efforts

Fund/Division #: 1000-16010 Division Name: Economic Development # of FTEs: 0 A6000: \$0 A7000: \$2,320 TOTAL: \$2,320	SERVICE DESCRIPTION: Costar online services enables us to analyze, interpret and gain unmatched insight on commercial property values, market conditions and current availabilities.
	REQUIRED BY LAW/CODE/REG?: No, however we could not do our jobs and respond to the open market and our clients without this service.
	CURRENT PERFORMANCE DATA: Costar services are used frequently on an as-needed basis to access the most up-to-date information. Costar is also used to run monthly occupancy rate reports which are used in the City's quarterly financial reports
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: There are no free services that offer this information they are all prescription based. The price we pay for this Costar service is significantly reduced via a group contract through GPEC.
	IMPACT OF CHANGING SERVICES: If the city chooses not to continue using this service, the function of the Economic Development Department would be severely hindered as this service provides access/knowledge of the city's inventory at any given time. Knowing our inventory and what is available is directly related to attracting new businesses and assisting those looking to expand or relocate.

Fund/Division #: 1000-16010 Division Name: Economic Development # of FTEs: 0 A6000: \$0 A7000: \$1,869 TOTAL: \$1,869	SERVICE DESCRIPTION: Sites USA/ReGIS - annual service contract that provides demographic software that is updated with census and U.S. government data. Software allows for detailed demographic reports to be run for any specific area a client may request.
	REQUIRED BY LAW/CODE/REG?: No, however we could not do our jobs and respond to the open market and our clients without this service.
	CURRENT PERFORMANCE DATA: ReGIS demographic reports are provided to all prospective locates and to city management on an as-requested basis. Many business prospects rely heavily on this data when making a decision to locate within the city.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: U.S. Census website - limited information available not customizable to client needs
	IMPACT OF CHANGING SERVICES: If the city chooses not to continue using this service, the function of the Economic Development Department would be greatly impacted as clients demand and require this type of information often times on the spot. Without the ability to provide accurate demographic reports that are customized to the needs of the client, the Economic Development Department could not fulfill its mission as assigned.

Fund/Division #: 1000-16010 Division Name: Economic Development # of FTEs: 0 A6000: \$0 A7000: \$1,075 TOTAL: \$1,075	SERVICE DESCRIPTION: Blane Canada - Business Retention software. Main contract is with APS and Glendale pays a subsidized rate to be included.
	REQUIRED BY LAW/CODE/REG?: No, however we could not do our jobs and respond to the open market and our clients without this service.
	CURRENT PERFORMANCE DATA: Provides service/information necessary to perform Economic Development Department's BR&E function.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: There are no free services that offer this information they are all prescription based. The price we pay for this service is significantly reduced via a group contract through APS
	IMPACT OF CHANGING SERVICES:

Fund/Division #: 1000-16010 Division Name: Economic Development # of FTEs: 0 A6000: \$0 A7000: \$375 TOTAL: \$375	SERVICE DESCRIPTION: Site Selector Database provides list of worldwide site selectors
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: List of worldwide Site Selectors that assist with daily economic development business attraction
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: There are other services that are now free of charge that the department is transitioning to and will no longer be utilizing this service after this fiscal year
	IMPACT OF CHANGING SERVICES: The department has already chosen to discontinue use of this service after this fiscal year as new services that are now offered for free are available

Fund/Division #: 1000-16025 Division Name: Business Development # of FTEs: 0 A6000: \$0 A7000: \$204,000 TOTAL: \$204,000	SERVICE DESCRIPTION: Consultants - Tom Hocking and SRJ Consulting. In order to pursue and capture economic opportunities, at times the Economic Development Department through the City Manager's office require the assistance of outside consultants to manage the complex processes related to/but not limited to: revenue forecasting and bond term negotiations for projects.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Specialized consultants manage the complex processes related to/but not limited to: revenue forecasting and bond term negotiations, legislative affairs for projects.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES:
	IMPACT OF CHANGING SERVICES:

If the city chooses not to hire/maintain contracts with consultants for specific economic development projects, the ability to respond to some of the more complex processes often involved would be absent, therefore hindering the city's position in important negotiations.

Fund/Division #: 1000-16025 Division Name: Business Development # of FTEs: 0 A6000: \$0 A7000: \$174,583 TOTAL: \$174,583	SERVICE DESCRIPTION: Consultants - Contingencies including Bond Consultant and Legislative consultant - In order to pursue and capture economic opportunities, at times the Economic Development Department through the City Manager's office require the assistance of outside consultants to manage the complex processes related to/but not limited to: revenue forecasting, bond term negotiations for projects, and legislation. We currently have several consultants under contract that are related to Economic Development projects within the city, however additional consultants may be hired as needed and directed by the City Manager.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Specialized consultants manage the complex processes related to/but not limited to: revenue forecasting and bond term negotiations, legislative affairs for projects.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES:
	IMPACT OF CHANGING SERVICES: If the city chooses not to hire/maintain contracts with consultants for specific economic development projects, the ability to respond to some of the more complex processes often involved would be absent, therefore hindering the city's position in important negotiations.

Fund/Division #: 1000-16210 Division Name: Rebates and Incentives # of FTEs: 0 A6000: \$0 A7000: \$388,000 TOTAL: \$388,000	SERVICE DESCRIPTION: Rebates and Incentives are contractually agreed upon as part of development agreements that have been approved by City Council
	REQUIRED BY LAW/CODE/REG?: Yes
	CURRENT PERFORMANCE DATA: For FY 2012 the department has three development agreement obligations with outstanding amounts. Allocated payments for FY13 are as follows: Coca Cola - \$50,000; Sands Motor Company - \$50,000; and Bechtel - \$288,000. These amounts will be paid if/when the terms of the respective Development Agreements are met.
	REVENUE GENERATION: The total estimated direct economic impact associated with these development agreements have already been calculated in the totals for Business Attraction/Business Retention & Expansion
	SERVICE ALTERNATIVES:
	IMPACT OF CHANGING SERVICES: Should the city not offer rebates/incentives under any circumstances, the city's ability to compete for and retain those companies that provide significant revenues to the general fund would be compromised, resulting in overall losses of revenue

coming back into the city's coffers.

Fund/Division #: 1000-11310 & 11320 Division Name: Accounting and Finance Admin # of FTEs: 11.5 A6000: \$600,379 A7000: \$28,196 TOTAL: \$628,575	SERVICE DESCRIPTION: Accounting
	REQUIRED BY LAW/CODE/REG?: An annual audit is required per ARS 9-481. An annual audit is also required for grant reporting and our bond covenants
	CURRENT PERFORMANCE DATA: Responsible for accounting for all city revenues, expenditures, capital assets, debt service and grants for the City of Glendale in accordance with generally accepted accounting principles and standards issued by the Governmental Accounting Standards Board. The division is also responsible for preparing internal monthly financial reports, financial reports for various external agencies such as the IRS, the State, and various bond agencies. The division prepared reports for 73 grants and 39 donations, prepared reconciliations for approximately 100 funds, processed 6,598 journal entries and worked diligently with the auditors in completing the Comprehensive Annual Financial Report (CAFR), receiving a clean opinion. In addition, GFOA has recognized our CAFR for an award for 24 years.
	REVENUE GENERATION: N/A
	SERVICE ALTERNATIVES: An external competitive bid for contractual services would be required
	IMPACT OF CHANGING SERVICES: If the city chose to outsource this function, then the cost of outsourcing would need to be allocated to pay the professional and contractual services.
Fund/Division #: 1000-11310 & 11320 Division Name: Accounting and Finance Admin # of FTEs: 3 A6000: \$193,659 A7000: \$10,100 TOTAL: \$203,759	SERVICE DESCRIPTION: Payroll
	REQUIRED BY LAW/CODE/REG?: IRS and state reporting requirements related to payroll withholding and reporting
	CURRENT PERFORMANCE DATA: Responsible for preparing bi-weekly payroll for the City of Glendale, implementing payroll changes, processing garnishments and working with all departments on issues arising with the City's time and labor data system. This work group also prepares quarterly and annual reports, annual W-2's and accompanying schedules required by the IRS. The payroll team processed payroll for 2,700 employees for the year 2011.
	REVENUE GENERATION: N/A
	SERVICE ALTERNATIVES: An external competitive bid for contractual services would be required
	IMPACT OF CHANGING SERVICES: If the city chose to outsource this function, then the cost of outsourcing would need to be allocated to pay the professional and contractual services.

Fund/Division #: 1000-11310 & 11320 Division Name: Accounting and Finance Admin # of FTEs: 3 A6000: \$193,659 A7000: \$10,099 TOTAL: \$203,758	SERVICE DESCRIPTION: Accounts Payable
	REQUIRED BY LAW/CODE/REG?: Annual 1099 reports required by IRS
	CURRENT PERFORMANCE DATA: Responsible for processing invoices, purchase orders, and payments for all City of Glendale vendors, coordinating and managing control group invoice/PO input and training staff on control group processes, which involves departments entering their payment requests, and filing annual Form 1099 and accompanying schedules required by the IRS. The accounts payable team entered/processed 114,763 vouchers, and issued 14,635 checks.
	REVENUE GENERATION: N/A
	SERVICE ALTERNATIVES: An external competitive bid for contractual services would be required
	IMPACT OF CHANGING SERVICES: If the city chose to outsource this function, then the cost of outsourcing would need to be allocated to pay the professional and contractual services.
Fund/Division #: 1000-11310 & 11340 Division Name: Tax and license and finance admin # of FTEs: 4 A6000: \$273,083 A7000: \$7,915 TOTAL: \$280,998	SERVICE DESCRIPTION: Auditing
	REQUIRED BY LAW/CODE/REG?: City Code Chapter 21
	CURRENT PERFORMANCE DATA: Conducts multi-jurisdictional audits, estimates, desk reviews, and field audits.
	REVENUE GENERATION: \$1,300,000
	SERVICE ALTERNATIVES: An external competitive bid for contractual services would be required.
	IMPACT OF CHANGING SERVICES: If the city chose to outsource this function then the cost of outsourcing needs to be allocated to pay the professional and contractual services. Other impacts include loss of revenue because most auditing contractors fees are a percentage of amounts collected.
Fund/Division #: 1000-11310 & 11340 Division Name: Tax and license and finance admin # of FTEs: 1 A6000: \$78,271 A7000: \$152,762	SERVICE DESCRIPTION: Sales tax accounting
	REQUIRED BY LAW/CODE/REG?: City Code Chapter 21
	CURRENT PERFORMANCE DATA: Processes sales tax returns, assists taxpayers to resolve account issues, ensures accurate reporting, reviews refund requests and amended returns for validity.
	REVENUE GENERATION:

TOTAL: \$231,033	This work assists w/generating the dollars listed under the Cashiering/lockbox area
	SERVICE ALTERNATIVES: An external competitive bid for contractual services would be required.
	IMPACT OF CHANGING SERVICES: If the city chose to outsource this function then the cost of outsourcing needs to be allocated to pay the professional and contractual services. Other impacts could include loss of revenue due to taxpayers filing deductions that are not allowed, not filing correctly, etc.
Fund/Division #: 1000-11310 & 11340	SERVICE DESCRIPTION: System software support
Division Name: Tax and license and finance admin	REQUIRED BY LAW/CODE/REG?:
# of FTEs: 1.5	CURRENT PERFORMANCE DATA: Provides technological services (software updates, system patches, development of reports, trouble-shooting when system operational problems occur, etc) for Tax Mantra, Icapture, Documentum, Harris/Northstar, Inovah, etc. These are the data systems for the Utility Billing and Tax & License Divisions.
A6000: \$156,326	REVENUE GENERATION: N/A
A7000: \$5,665	SERVICE ALTERNATIVES: An external competitive bid for contractual services would be required.
TOTAL: \$161,991	IMPACT OF CHANGING SERVICES: If the city chose to outsource this function then the cost of outsourcing needs to be allocated to pay the professional and contractual services. Cost of external IT experts typically higher than the cost of internal IT staff. Further, it is likely that there would be loss of staff production due to interruption of system if the contractor is not on-site at all times during operating hours. There is also the potential for loss of sales tax and utility account data and information if external contractor fails to perform services in a timely manner.
Fund/Division #: 1000-11310 & 11340	SERVICE DESCRIPTION: Licensing/inspection
Division Name: Tax and license and finance admin	REQUIRED BY LAW/CODE/REG?: City Code Chapter 21
# of FTEs: 2	CURRENT PERFORMANCE DATA: Process approximately 3,423 new business license applications each year. Attend approximately 15 special events each year licensing approximately 800 vendors.
A6000: \$134,186	REVENUE GENERATION: \$68,460 for the 3,423 new business license applications. This is the revenue associated only with the initial application fee. The actual business license fee and sales tax revenue are captured in the cashiering/lockbox revenue figure of \$237M (below)
A7000: \$8,976	SERVICE ALTERNATIVES: An external competitive bid for contractual services would be required.
TOTAL: \$143,162	IMPACT OF CHANGING SERVICES: If the city chose to outsource this function then the cost of outsourcing needs to be allocated to pay the professional and

contractual services. Other impacts include loss of city sales tax and business licensing revenue, businesses not held accountable, an increase in businesses conducting business without a license, and health and safety due to licensing approval process.

Fund/Division #: 1000-11310 & 11340 Division Name: Tax and license and finance admin # of FTEs: 2 A6000: \$133,819 A7000: \$7,915 TOTAL: \$141,734	SERVICE DESCRIPTION: Collections
	REQUIRED BY LAW/CODE/REG?: City Code Chapter 21
	CURRENT PERFORMANCE DATA: Processes utility and sales tax liens, bankruptcy cases, abatement requests, etc. Works delinquent water and taxpayer accounts by following up with the taxpayer by phone, mail, etc.
	REVENUE GENERATION: \$120,000
	SERVICE ALTERNATIVES: An external competitive bid for contractual services would be required.
	IMPACT OF CHANGING SERVICES: If the city chose to outsource this function then the cost of outsourcing needs to be allocated to pay the professional and contractual services. Other impacts could include slower turnaround in processing accounts and the lack of ability to expeditiously collect immediately after going delinquent thus reducing the ability to collect.

Fund/Division #: 1000-11380 Division Name: Lease payment # of FTEs: 0 A6000: \$0 A7000: \$0 TOTAL: \$0	SERVICE DESCRIPTION: These budgeted funds address the debt service associated with lease payments for leases related to the purchase of the Northern Crossing and Hickman properties, and fire trucks and related equipment. These leases are outlined in Schedule 8 of the annual budget book
	REQUIRED BY LAW/CODE/REG?:
	CURRENT PERFORMANCE DATA:
	REVENUE GENERATION:
	SERVICE ALTERNATIVES:
	IMPACT OF CHANGING SERVICES:

Fund/Division #: 1000-11390 Division Name: Merchant Fees # of FTEs: 0 A6000: \$0 A7000: \$199,687 TOTAL: \$199,687	SERVICE DESCRIPTION: These budgeted funds address the cost of accepting credit card payments for city services. The current fee is 1.7% and is a 19% reduction from the former 2.1% fee. All merchants that accept credit card payments are subject to a merchant fee.
	REQUIRED BY LAW/CODE/REG?:
	CURRENT PERFORMANCE DATA:
	REVENUE GENERATION:
	SERVICE ALTERNATIVES:
	IMPACT OF CHANGING SERVICES:

Fund/Division #: 1000-89800 Division Name: 1000 Advisor Fees # of FTEs: 0 A6000: \$0 A7000: \$90,000 TOTAL: \$90,000	SERVICE DESCRIPTION: Our investment advisor provides us with investment options and advise relative to the investing activities of the City and in accordance with the investment policy of the City.

Example: Air conditioner, carpet, seating replacement
	REQUIRED BY LAW/CODE/REG?: Contractual Agreement
	CURRENT PERFORMANCE DATA:
	REVENUE GENERATION:
	SERVICE ALTERNATIVES:
	IMPACT OF CHANGING SERVICES:

Fund/Division #: 1790-11400 Division Name: AZSTA Stadium Tax Refund # of FTEs: 0 A6000: \$0 A7000: \$1,745,900 TOTAL: \$1,745,900	SERVICE DESCRIPTION: Per contractual agreement with the AZSTA the city rebates General Fund sales tax received for activities that occur at the stadium.
	REQUIRED BY LAW/CODE/REG?: Contractual Agreement
	CURRENT PERFORMANCE DATA:
	REVENUE GENERATION: \$1,745,900
	SERVICE ALTERNATIVES:
	IMPACT OF CHANGING SERVICES:

Fund/Division #: 2360-17020 Division Name: Customer Service Office # of FTEs: 5.5 A6000: \$375,998 A7000: \$522,556 TOTAL: \$898,554	SERVICE DESCRIPTION: Billing
	REQUIRED BY LAW/CODE/REG?: City Code Chapter 33
	CURRENT PERFORMANCE DATA: We currently prepare approximately 52,000 water bills a month, produce approximately 7,500 e-bills a month, send 6,000 delinquent disconnect notices a month, schedule approximately 1,000 disconnects each month, review and adjust accounts for 680 sewer appeals annually, and process approximately 200 refunds each month for finalized account with a remaining balance.
	REVENUE GENERATION: This work assists w/generating the dollars listed under the Cashiering/lockbox area
	SERVICE ALTERNATIVES: An external competitive bid for contractual services would be required.
	IMPACT OF CHANGING SERVICES: If the city chose to outsource this function then the cost of outsourcing needs to be allocated to pay the professional and contractual services.

Fund/Division #: 2360-17020 Division Name: Customer Service Office # of FTEs: 9.75 A6000: \$462,599 A7000: \$312,500 TOTAL: \$775,099	SERVICE DESCRIPTION: Cashiering/Lockbox
	REQUIRED BY LAW/CODE/REG?: City Code Chapter 33
	CURRENT PERFORMANCE DATA: We currently process approximately 125,000 documents/payments through lockbox (mail) each month, and assist approximately 8,000 customers each month that come into the lobby.
	REVENUE GENERATION: \$237,776,597
	SERVICE ALTERNATIVES: Reduce hours of operation or outsource utility billing payment service. For the sales tax collection component, there is the option to allow the state to collect and record sales tax. By doing so we will experience a 2 -3 day delay before monthly sales tax would be remitted by ADOR. As a result there would be a loss of interest and investment income. Makes an impact on our ability to pay bills and make bond payments if sales tax revenue is not received timely. Potential loss of revenue due to taxpayers filing incorrect local taxes to the state as this would be confusing. Another impact is the lack of internal review of returns for incorrect exemptions, adjustments resulting in audit issues.
	IMPACT OF CHANGING SERVICES: If the city chose to outsource this function then the cost of outsourcing needs to be allocated to pay the professional and contractual services. Other impacts include reduction in customer service, increase lobby traffic and longer wait times.

Fund/Division #: 2360-17020 Division Name: Customer Service Office # of FTEs: 12.25 A6000: \$704,477 A7000: \$12,500 TOTAL: \$716,977	SERVICE DESCRIPTION: Customer Service (Phones, Walk-Up Counter)
	REQUIRED BY LAW/CODE/REG?: City Code Chapter 33
	CURRENT PERFORMANCE DATA: We currently answer approximately 10,000 water services and tax and license calls each month and assist over 1,000 customers each month that come into the lobby with obtaining a business license and establishing water service. We currently review, evaluate, and edit approximately 35,000 taxpayer returns, business license applications, etc. each month.
	REVENUE GENERATION: This work assists w/generating the dollars listed under the Cashiering/lockbox area
	SERVICE ALTERNATIVES: Considerable reduction of hours of operation or an external competitive bid for contractual services would be required.
	IMPACT OF CHANGING SERVICES: If the city chose to outsource this function then the cost of outsourcing needs to be allocated to pay the professional and contractual services. Other impacts could include possible reduction in customer service, longer call wait times, increased lobby traffic and increased wait times for assistance

Fund/Division #: 2360-17020 Division Name: Customer Service Office # of FTEs: 4 A6000: \$216,390 A7000: \$12,500 TOTAL: \$228,890	SERVICE DESCRIPTION: Collections
	REQUIRED BY LAW/CODE/REG?: City Code Chapter 33
	CURRENT PERFORMANCE DATA: We currently work over 1,000 delinquent accounts each year, sending over 4,000 collection letters, and making over 1,000 phone calls.
	REVENUE GENERATION: \$788,000
	SERVICE ALTERNATIVES: An external competitive bid for contractual services would be required.
	IMPACT OF CHANGING SERVICES: If the city chose to outsource this function then the cost of outsourcing needs to be allocated to pay the professional and contractual services. Other impacts include slower turnaround in processing accounts and the lack of ability to expeditiously collect immediately after going delinquent thus reducing the ability to collect.

Fund/Division #: 2360-17020 Division Name: Customer Service Office # of FTEs: 2 A6000: \$136,002 A7000: \$0 TOTAL: \$136,002	SERVICE DESCRIPTION: Sales tax accounting
	REQUIRED BY LAW/CODE/REG?: City Code Chapter 21
	CURRENT PERFORMANCE DATA: Processes sales tax returns, assists taxpayers to resolve account issues, ensures accurate reporting, reviews refund requests and amended returns for validity.
	REVENUE GENERATION: This work assists w/generating the dollars listed under the Cashiering/lockbox area
	SERVICE ALTERNATIVES: An external competitive bid for contractual services would be required.
	IMPACT OF CHANGING SERVICES: If the city chose to outsource this function then the cost of outsourcing needs to be allocated to pay the professional and contractual services. Fund/Division #: 1000-11610 Division Name: Budget & Research # of FTEs: 2.4 A6000: \$236,179 A7000: \$9,731 TOTAL: \$245,910	SERVICE DESCRIPTION: Preparation of the city manager's annual balanced budget in conjunction with all city departments and presentation to Mayor/Council in various public forums resulting in final budget adoption. Includes revenue and expenditure projections for approximately 76 different funding sources. This work also involves the development of various forecasting scenarios for the GF, designated sales tax funds, etc based on assumptions about expenditures and revenues.
	REQUIRED BY LAW/CODE/REG?: Yes. Article VI: Finance and Taxation in the City Charter outlines the annual budget requirements including setting maximum appropriation levels and the property tax levy. ARS 42-17101: Arizona state law requires publication of various budget schedules prior to a public hearing on the proposed budget and adoption. State law requires a governing board to adopt a budget on or before the third Monday in July each fiscal year. This action requires the development of a balanced budget for 78+ funds and presentation to City Council for review, modification and eventual adoption.
	CURRENT PERFORMANCE DATA: Prepares annual budget document including revenue and expenditure projections for all city funds related to operating, capital, debt service and contingency budget appropriations. Provides detailed budget summaries and schedules in accordance with financial guidelines and policies, and summarizes departmental operational goals & objectives for the operating, capital and debt service budgets. Recognized by the Government Finance Officers Association with the Distinguished Budget Presentation Award for 24 consecutive years.
	REVENUE GENERATION: n/a
	SERVICE ALTERNATIVES: Decentralization of budget preparation and budget balancing duties throughout the organization or an external competitive bid for contractual services to provide budget guidance in accordance with the city charter and Arizona state laws would be required.
	IMPACT OF CHANGING SERVICES: If the city decides to decentralize all or parts of this function, then other departments will need to balance and prioritize existing functions with the decentralized budget tasks & duties they would be picking up. If the city were to outsource this function, then the cost of outsourcing would need to be allocated to pay the professional & contractual expenses.
	FTEs ASSOCIATED W/ SERVICE: 6 FTE's are assigned to the division and 40% of A6000 & A7000 resources within Div 11610 are estimated for this task.

Fund/Division #: 1000-11610 Division Name: Budget & Research # of FTEs: 0.9 A6000: \$88,568 A7000: \$3,649 TOTAL: \$92,217	SERVICE DESCRIPTION: Monthly expenditure and revenue analysis of budget to actual for 78+ operating funds, investigation and research of variances, and financial reporting to executive leadership and operational staff throughout the organization.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Monthly reporting includes the development of automated Business Intelligence and PSoft reports depicting revenues, expenses and fund balance analysis. Specialized or ad hoc type reporting and analysis is prepared as needed for executive leadership and departmental managers and supervisors. This work leverages data systems technology to improve the accuracy and breadth of data collected and analyzed, ensure data integrity and minimize manual processes.

REVENUE GENERATION: n/a, but revenue recovery efforts can be initiated and enhanced based on pro-active revenue reporting, analysis, trending and dissemination of such data to operational departments.
SERVICE ALTERNATIVES: Decentralization of budget preparation and budget balancing duties throughout the organization or an external competitive bid for contractual services to provide budget guidance in accordance with the city charter and Arizona state laws would be required.
IMPACT OF CHANGING SERVICES: If the city decides to decentralize all or parts of this function, then other departments will need to balance and prioritize existing functions with the decentralized budget tasks & duties they would be picking up. If the city were to outsource this function, then the cost of outsourcing would need to be allocated to pay the professional & contractual expenses.
FTEs ASSOCIATED W/ SERVICE: 15% of resources within Div 11610 are estimated for this task.

Fund/Division #: 1000-11610 Division Name: Budget & Research # of FTEs: 0.9 A6000: \$88,568 A7000: \$3,649 TOTAL: \$92,217	SERVICE DESCRIPTION: Capital program development, analysis and budget monitoring including funding analysis for 24+ capital funds, property tax rate scenario modeling, debt limitation analysis, voter authorization analysis, and analysis of proposed operating and maintenance costs for capital plan projects. Financial management of the 24+ capital funds is ongoing as the funding needs of capital projects change due to modified scopes of work, unexpected emergencies, etc.
	REQUIRED BY LAW/CODE/REG?: See explanation in line 1 above. AZ state constitution and AZ state law require formal CC adoption of the property tax levy each FY. Article IX, sections 18 & 19, ARS 42-13204 and 42-17051, etc.
	CURRENT PERFORMANCE DATA: Each year the city's capital plan is updated via extensive input from virtually all city departments. Projects are balanced against Council's strategic goals as well as variables that affect the city's ability to generate the required funds to pay for them and balanced against related O&M costs. This results in a balanced 10 year CIP that includes fund summaries, project narratives, and financial and operating summaries that are published in the annual budget book. The CIP encompasses all capital funding sources such as general obligation bonds, water/sewer revenues, designated sales tax revenues, grants, etc
	REVENUE GENERATION: This service is associated with the collection of both primary (\$3M) and secondary (\$18M) property taxes, as well as the collection of development impact fees (\$0.7M).
	SERVICE ALTERNATIVES: Decentralization of budget preparation and budget balancing duties throughout the organization or an external competitive bid for contractual services to provide budget guidance in accordance with the city charter and Arizona state laws would be required.
	IMPACT OF CHANGING SERVICES: If the city decides to decentralize all or parts of this function, then other departments will need to balance and prioritize existing functions with the decentralized budget tasks & duties they would be picking up. If the city were to outsource this function, then the cost of outsourcing would need to be allocated to pay the professional & contractual expenses.
	FTEs ASSOCIATED W/ SERVICE:

<p>Fund/Division #: 1000-11610 Division Name: Budget & Research # of FTEs: 0.6 A6000: \$59,045 A7000: \$2,433 TOTAL: \$61,478</p>	<p>SERVICE DESCRIPTION: Salary & benefits cost modeling, analysis and forecasting. Approx. 75% of the GF & HURF operating budget is tied to employee compensation including salary, medicare, social security, pension and other benefits. City wide full time equivalents total almost 2,000 and annual changes in compensation, pension contributions increases or decreases, benefit withholding changes, etc. are accounted for each individual employee for the development of the upcoming FY's budget and monitoring of the current FY's budget.</p> <p>REQUIRED BY LAW/CODE/REG?: Yes. Article VI: Finance and Taxation in the City Charter outlines the annual budget requirements including setting maximum appropriation levels and the property tax levy. ARS 42-17101: Arizona state law requires publication of various budget schedules prior to a public hearing on the proposed budget and adoption. State law requires a governing board to adopt a budget on or before the third Monday in July each fiscal year. This action requires the development of a balanced budget for 78+ funds and presentation to City Council for review, modification and eventual adoption.</p> <p>CURRENT PERFORMANCE DATA: The salary forecast is run several times a year to support financial reporting needed during various stages of the budget process. Diff b/w Submission FY 2013 Budget	\$0	\$0	\$0	\$0	0.00
<hr/>					
FY 2013 Draft Budget	\$590,851	\$24,327	\$7,513	\$622,691	5.00

Fund/Division #: 1000-11620 Division Name: Grants Administration # of FTEs: 0.4 A6000: \$22,691 A7000: \$348 TOTAL: \$23,039	SERVICE DESCRIPTION: Program Manager for \$2.324M Energy Efficiency and Conservation Block Grant program, a three-year American Recovery and Reinvestment Act stimulus grant. Work includes overseeing the management of 13 individual projects to ensure they are complete by the grant deadline, filing required quarterly and monthly reports, and being the primary point of contact with the Department of Energy. Work also includes identifying eligible rebates and allocating them for reinvestment in additional energy efficiency improvements.
	REQUIRED BY LAW/CODE/REG?: Yes. The administration of the EECBG grant is contractually obligated by the federal Department of Energy.
	CURRENT PERFORMANCE DATA: The \$2.324M Energy Efficiency and Conservation Block Grant is one of the largest single grants the city has ever received and the successful management of the grant has resulted in no audit findings by DOE.
	REVENUE GENERATION: Administration of the EECBG grant is expected to generate over \$23,060 in fiscal year 2012 in salary chargebacks and an additional \$11,287 in the first half of FY 2013.
	SERVICE ALTERNATIVES: Decentralization of program management throughout the organization or hiring a part-time program manager for the duration of the grant.
	IMPACT OF CHANGING SERVICES: If this function is decentralized, departments which have one on the 13 projects under this grant would need to communicate the progress with DOE, file quarterly and monthly reports, and ensure all federal grant requirements are met with oversight by the Executive Director-Financial Services.

Fund/Division #: 1000-11620 Division Name: Grants Administration # of FTEs: 0.35 A6000: \$19,855 A7000: \$305 TOTAL: \$20,160	SERVICE DESCRIPTION: The Grants Administration division is responsible for researching grant opportunities and writing all or portions of grant applications for priority projects that advance the mission, goals and objectives established by the City Council and senior management.
	REQUIRED BY LAW/CODE/REG?: n/a.
	CURRENT PERFORMANCE DATA: The Senior Management Assistant-Grants disseminates information about grant opportunities, writes grant applications, helps city staff prepare grant application documents and ensures implementation is done in accordance with grant requirements and the city's grant policies and procedures, and maintains a grants database that tracks grant funded projects.
	REVENUE GENERATION: The city received over \$21M in federal grant funding in FY11. The Senior Management Assistant-Grants was directly involved in receiving \$1.2M in federal funding for the organization in FY11.
	SERVICE ALTERNATIVES: Decentralization of grants administration function throughout the organization or an external competitive bid for contractual services to provide grants administration.

IMPACT OF CHANGING SERVICES:

Having a centralized function enables the city to effectively track and monitor grant applications and awards and ensure grant requirements are met. Decentralizing this function or outsourcing it could result in grant contracts inadvertently being mismanaged to the point of having to pay back grant funding or losing the opportunity to apply for future funding.

Fund/Division #: 1000-11620 Division Name: Grants Administration # of FTEs: 0.15 A6000: \$8,509 A7000: \$131 TOTAL: \$8,640	SERVICE DESCRIPTION: Provides senior management assistance to the Financial Services Executive Director, Chief Budget Officer, and Chief Financial Officer. This work includes, but is not limited to the following: preparing responses to public records and media requests for the Financial Services Department, conducting research and writing material required for official documents the department produces such as Preliminary Offering Statements (for bond issuances), the annual budget book, etc.
	REQUIRED BY LAW/CODE/REG?: Yes. ARS 39-121, Public Records Law
	CURRENT PERFORMANCE DATA: Responded to 40 public records and media requests over the past 6 months. Work includes analyzing data, collecting information, and writing responses that summarize the documents requested.
	REVENUE GENERATION: n/a.
	SERVICE ALTERNATIVES: Decentralization of function to Financial Services Executive Director, Chief Financial Officer, Chief Budget Officer, and Revenue Administrator.
	IMPACT OF CHANGING SERVICES: Impact of changing this service would require other senior staff in the Financial Services department to gather data and respond to public records and media requests, research information and write material for official documents. This could cause a significant delay in the response time for public records and media requests or other departmental services.

Fund/Division #: 1000-11620 Division Name: Grants Administration # of FTEs: 0.1 A6000: \$5,673 A7000: \$87 TOTAL: \$5,760	SERVICE DESCRIPTION: Administers the city's From the Heart program and serves as administrator for the organization for Proposition 202 Funding (Indian Gaming Grants).
	REQUIRED BY LAW/CODE/REG?: Yes. From the Heart-City Ordinance No. 1949; Indian Gaming Grants-ARS 5-601.02 (H)(4).
	CURRENT PERFORMANCE DATA: The From the Heart program received 30 applications in 2011 and awarded 18 non-profit organizations \$183,915. Since the program began in 1997, \$2.25M has been awarded to non-profit agencies serving the Glendale community.
	REVENUE GENERATION: n/a.
	SERVICE ALTERNATIVES: Decentralizing administration of these two programs to other staff in the organization.
	IMPACT OF CHANGING SERVICES: Executive Director of Financial Services would be responsible for administration of these two programs.

<p>Fund/Division #: 1000-10910</p> <p>Division Name: Intergovernmental Programs</p> <p># of FTEs: 4</p> <p>A6000: \$384,091</p> <p>A7000: \$20,251</p> <p>TOTAL: \$404,342</p>	<p>SERVICE DESCRIPTION: The Intergovernmental Programs Department consists of Brent Stoddard, Ryan Peters, Jenna Goad and Deanne Burt. We coordinate the legislative and external activities and programs of the City of Glendale. We carry out the state and federal legislative agenda for the City Council. We perform lobbying activities and represent the City's interest with local, state and federal elected officials and coordinate with their respective staff. We research and review state and federal legislation impacting the City, and we share and gather input on the bills from City departments and the Council. We develop reports and policy recommendations to the management and City Council. We staff the Mayor and Council on the various federal, state and regional policy committees they sit on including, the Maricopa Association of Governments (MAG), the Regional Public Transit Authority (RPTA), Metro Light Rail, the Arizona Municipal Water Users Association (AMWUA), the Arizona League of Cities and Towns, the National League of Cities (NLC), Westmarc and others. We travel with Mayor and Council to staff them at their policy committees and travel to represent the City during regional peer review systems. We identify funding opportunities to complete transportation and infrastructure projects in the City and help guide the proposals through their respective processes. We protect the City's interests in various stakeholder processes and work to resolve City issues with external partners. We develop and produce the comprehensive Neighborhood Legislative Link program to train, educate and engage citizens in the legislative process. We carry out other special projects as directed by the City Manager.</p> <p>REQUIRED BY LAW/CODE/REG?: No</p> <p>CURRENT PERFORMANCE DATA: We track over 450 pieces of legislation on the state and federal level each year. We protected the state shared revenues of the City. We successfully passed legislation protecting the interest of the City in the sports and entertainment district. In 2011 we secured tens of millions of dollars in regional, state and federal sources for the City of Glendale for highway, transit, public safety, bike and pedestrian and other projects critical to the City of Glendale. We have approximately 100 citizens registered in the Legislative Link program so that they can stay informed of issues important to them and their neighborhoods.</p> <p>REVENUE GENERATION:</p> <p>SERVICE ALTERNATIVES: There are no alternatives to the job functions of the Department.</p> <p>IMPACT OF CHANGING SERVICES: Reductions or ending the service would result in the Council and Manager not being staffed on the various policy committees. The City of Glendale would no longer have representation before the different levels of government putting the City's interests at risk. The City would not be able to apprise legislators of the impact that proposed legislation would have on City operations. Glendale would not be represented in the stakeholder groups where limited resources are allocated to the priority projects of those participating. Legislative information and engagement would only happen as provided to the Council in a generic form as it is distributed from the League. The community leaders and citizens would not have the ability to stay informed during the legislative process.</p>
--	---

Fund/Division #: 1000-10910 Division Name: Intergovernmental Programs # of FTEs: 0 A6000: \$0 A7000: \$276,675 TOTAL: \$276,675	SERVICE DESCRIPTION: The Intergovernmental Programs Department manages the contracts of consultants who help protect the City's interest on the state and federal level. These state services include providing comprehensive services for the city on issues related to economic development, governmental relations, public and media relations, planning, marketing and others. On the federal side we receive full-service federal government relations services, comprehensive legislative and executive branch strategic advice, liaison services and legislative advocacy, in particular the securing of federal authorization and appropriation language needed to provide federal support for a wide range of local programs and projects. In addition we receive support through contracted services under a regional contract with 14 West Valley communities to secure funding for Luke Air Force Base and advocate for Luke to receive the active duty F35 training mission.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: The consultants have been successful in assisting the City in passing legislation, securing federal funds, stopping dramatic cuts in funding and in progressing in the process to secure the F35 training mission.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: Alternative is for the City to provide these services through additional in-house staff or different outside contractors.
	IMPACT OF CHANGING SERVICES: Additional costs of staffing, increased costs of travel, a decrease in representation of the City, and putting the Luke Air Force Base mission and viability in jeopardy.

Fund/Division #: 1820-32050-32058, 32060 and 32070-32073 Division Name: State Funded CAP # of FTEs: 7 A6000: \$518,609 A7000: \$1,084,090 TOTAL: \$1,602,699	SERVICE DESCRIPTION: Through its assessment and case management process, CAP helps families move obstacles that block the achievement of self-sufficiency in a variety of ways. CAP's main focus and primary functions are in four distinct program areas: Community Services, Emergency Services, Housing Programs and Case Management services that target low-income individuals and families with Glendale city limits. Utility, Rent and Mortgage crisis programs are accessed by an Education Workshops.
	REQUIRED BY LAW/CODE/REG?: City & Federal funding
	CURRENT PERFORMANCE DATA: Self- Sufficiency program that allows the city to provide high quality social services to the most vulnerable citizens of Glendale. Glendale CAP is a leading agency in facilitating and coordinating partnerships with agencies that serve low-income residents. Our partnership efforts continuously assist clients that are in need of social services. Many times clients are assisted with both Glendale CAP and faith-based resources to resolve their crisis situation. Funds funnel through several accounts for this program. A strong partnership exists with Arizona Community Action Association which provides additional program resources for Glendale residents in need.
	REVENUE GENERATION: n/a

	REQUIRED BY LAW/CODE/REG?:
	CURRENT PERFORMANCE DATA:
	REVENUE GENERATION:
	SERVICE ALTERNATIVES:
	IMPACT OF CHANGING SERVICES:
Fund/Division #: 1000-15015 Division Name: Neighborhood Partnership # of FTEs: 0 A6000: \$0 A7000: \$0 TOTAL: \$0	SERVICE DESCRIPTION: Commission on Persons with Disabilities. Citizens commission that advises the council in relation to issues regarding disabled residents of the city.
	REQUIRED BY LAW/CODE/REG?: Council
	CURRENT PERFORMANCE DATA: Commission is meeting and beginning to develop a work plan. This group is an advisory commission to the Council on items related persons with Disabilities
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: Adjusting the size of the commission and how often they meet is an option. This could be housed out of another department.
	IMPACT OF CHANGING SERVICES: This would reduce the advisory capacity of the commission to the council members.

Fund/Division #: 1000-15015 Division Name: Neighborhood Partnership # of FTEs: 0 A6000: \$0 A7000: \$0 TOTAL: \$0	SERVICE DESCRIPTION: Commission on Neighborhoods. Citizens commission provides guidance and recommendations regarding neighborhoods in Glendale to the NPO and looks for further ways to assist neighborhoods.
	REQUIRED BY LAW/CODE/REG?: Council
	CURRENT PERFORMANCE DATA: Advises the Council regarding policies, strategies and programs related to the development, preservation and revitalization of Glendale Neighborhoods
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: Adjusting the size of the commission and how often they meet is an option. This could also be housed out of another department.
	IMPACT OF CHANGING SERVICES: This would reduce the advisory capacity of the commission to the council members as they would no longer .

Fund/Division #: 1000-15015 Division Name: Neighborhood Partnership # of FTEs: 0 A6000: \$0 A7000: \$0 TOTAL: \$0	SERVICE DESCRIPTION: Citizen Mediation. Trained citizen mediators resolve neighborhood disputes through mediation services, such as barking dogs, noise, overgrown trees, etc
	REQUIRED BY LAW/CODE/REG?: Council
	CURRENT PERFORMANCE DATA: Each year approximately 60 mediation cases are opened and between 60-70 new cases are opened.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: Outsourcing externally, but savings would not be generated.
	IMPACT OF CHANGING SERVICES: The cost of the mediation program would increase if it were to go to an outside consultant, in addition to the consultant not understanding the political nor technical side of the city.

Fund/Division #: 1000-15015 Division Name: Neighborhood Partnership # of FTEs: 0 A6000: \$0 A7000: \$0 TOTAL: \$0	SERVICE DESCRIPTION: Community Volunteer Program. Numerous projects are conducted with a variety of partner groups, such as painting address numbers on curbs, Removal of Blight in communities ,MLK day fruit picking with 200 volunteers,Paint-A-Thon, and Serve Day, etc) .
	REQUIRED BY LAW/CODE/REG?: Council
	CURRENT PERFORMANCE DATA: Community Volunteer project continue to serve the entire city. In a typical Fiscal year this department can run approximately 70 volunteer projects, with 2,600 volunteers, 10,000 volunteer hours, and a value of \$217,000 for their

volunteer work.
REVENUE GENERATION: None
SERVICE ALTERNATIVES: Other departments that already have a presence in the field such as code compliance could start the process for the applicants to apply for volunteer help since they already refer them to Neighborhood Partnership.
IMPACT OF CHANGING SERVICES: This should free up staff time in the office to do other functions within the program

Fund/Division #: 1000-15015 Division Name: Neighborhood Partnership # of FTEs: 0 A6000: \$0 A7000: \$0 TOTAL: \$0	SERVICE DESCRIPTION: Assist in Homeless Prevention. Annual count of homeless in the city.
	REQUIRED BY LAW/CODE/REG?: MAG Regional Committee on the Homeless
	CURRENT PERFORMANCE DATA: Continues to manage the program efficiently with the reduction of funds available
	REVENUE GENERATION: Funds are in another departments budget
	SERVICE ALTERNATIVES: Reassign this function all to one division. Community Revitalization.
	IMPACT OF CHANGING SERVICES: None

Fund/Division #: 1000-15015 Division Name: Neighborhood Partnership # of FTEs: 0 A6000: \$0 A7000: \$0 TOTAL: \$0	SERVICE DESCRIPTION: Adopt-A-Neighborhood program. Matches faith based organizations with challenged neighborhoods resulting in long-term relationships and addresses those in needs in the neighborhoods, such as providing assistance with painting, yards, and even other services.
	REQUIRED BY LAW/CODE/REG?:
	CURRENT PERFORMANCE DATA: This is ongoing program throughout the City of Glendale
	REVENUE GENERATION: None
	SERVICE ALTERNATIVES: Faith based organizations would be left to stand alone to do community outreach to neighborhoods.
	IMPACT OF CHANGING SERVICES: They may not be able to direct their efforts and resources in the city to where they are most needed in the city of Glendale and would lost the city in facilitating their efforts.

Fund/Division #: 1000-15015 Division Name: Neighborhood Partnership # of FTEs: 0 A6000: \$0 A7000: \$0 TOTAL: \$0	SERVICE DESCRIPTION: Civic participation and Community Education. Strong communications with residents providing them with information about programs and services that improve their quality of life as well as hosting events such as the Holiday open house and Leadership Forum. In addition to Community Educational Programs such as Glendale University and HOA classes, the NPO partners with organizations such as Thunderbird graduate school to offer citizen education opportunities
	REQUIRED BY LAW/CODE/REG?: City Council
	CURRENT PERFORMANCE DATA: Neighborhood Partnership maintains a high level of civic participation with residents and neighborhoods and attendance
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: Base level marketing could be handled by the marketing department. ***Utilize an online virtual reality class to draw those that want to do an online class as university's do. Then create a more advanced class in house, we may get a better response
	IMPACT OF CHANGING SERVICES: Changes could result in resident insecurities as some neighborhoods have limited capacity for developing valuable resources on their own

Fund/Division #: 1000-15015 Division Name: Neighborhood Partnership # of FTEs: 0 A6000: \$0 A7000: \$0 TOTAL: \$0	SERVICE DESCRIPTION: Neighborhood Capacity Building and Outreach. Working with neighborhoods on an ongoing basis to assist and problem solve, make referrals, schedule neighborhood meetings, and prepare neighborhood newsletters
	REQUIRED BY LAW/CODE/REG?: Council
	CURRENT PERFORMANCE DATA: Register and maintain over 200 neighborhood groups
	REVENUE GENERATION: N/A
	SERVICE ALTERNATIVES: Neighborhoods would have to communicate directly with other city departments
	IMPACT OF CHANGING SERVICES: Neighborhoods would lose key contact for communicating with the city as well as working within their neighborhoods.

Fund/Division #: 2500-17910 Division Name: Community Housing # of FTEs: 24 A6000: \$1,609,390 A7000: \$10,891,317 TOTAL: \$12,500,707	SERVICE DESCRIPTION: Federally funded programs administered by Community Housing are outlined below.
	REQUIRED BY LAW/CODE/REG?: Yes
	CURRENT PERFORMANCE DATA: Meets Federal High Performer standards
	REVENUE GENERATION: See each program below
	SERVICE ALTERNATIVES: See each program below
	IMPACT OF CHANGING SERVICES: See each program below

Fund/Division #: 2500-17910 Division Name: Community Housing # of FTEs: 0 A6000: \$0 A7000: \$0 TOTAL: \$0	SERVICE DESCRIPTION: 100% Federal funds provided by HUD for modernization of the public housing properties
	REQUIRED BY LAW/CODE/REG?: Yes.
	CURRENT PERFORMANCE DATA: High Performer for financial aspects and utilization of funding. Program requirements are: <ul style="list-style-type: none"> • annual unit inspections, special inspections, move-in inspections, reinspections for fails • ongoing annual family eligibility recertification, • rent review at any time the family requests (also known as interim examinations) • applications intake • waiting list management • weekly, monthly, quarterly, annual reporting to HUD
	REVENUE GENERATION: No
	SERVICE ALTERNATIVES: The alternative would be to reject the federal funds.
	IMPACT OF CHANGING SERVICES: As the city is required to maintain the property as public housing for 20 years, the city would have to fund 100% of modernization efforts. These projects are currently contracted through the city's procurement process.
	A6000/A7000 BUDGET TOTALS: 100% Federally funded - included in total cost above.

Fund/Division #: 2500-17910 Division Name: Community Housing # of FTEs: 0 A6000: \$0 A7000: \$0 TOTAL: \$0	SERVICE DESCRIPTION: Conventional Public Housing - This program is approximately 80% federally funded. assistance to 155 eligible Glendale families, the elderly, and disabled. Public Housing units in Glendale are city-owned and operated, receiving a subsidy from the federal government to assist the city in operating and maintaining the properties and the program. <ul style="list-style-type: none"> • The city is owner/operator for public housing, i.e., the landlord. As such the city is responsible for monthly rent collections as well as ongoing property maintenance. This includes providing 24/7 on call maintenance. • 155 Glendale families are assisted through this program.o 378 persons assistedo 187 of them are under the age of 18. • 92% of Glendale families assisted have household income in the very low and extremely low category.
	REQUIRED BY LAW/CODE/REG?: Yes. Federally required due to funding mechanism. As the public housing properties receive federal capital funds for modernization activities, the city must ensure the property is operated and maintained as public housing for a 20-year period that begins on the latest date on which modernization is complete or federal assistance is provided. The city receives federal capital funds every year for ongoing public housing modernization projects.
	CURRENT PERFORMANCE DATA: Public Housing program continues to meet HUD High Performer standards in finance, management operations, physical condition and capital fund program processes by meeting all HUD requirements for assisting 155 Glendale families. This assistance is not one-time-only, but ongoing, providing long-term rental assistance for Glendale's most needy families.In October 2011, Glendale Public Housing received a near perfect score of 99% in the HUD physical condition inspection.
	REVENUE GENERATION: City collects rent on units in the Public Housing complexes. approx. amount of \$300,800 per year. These funds are used by the program for administrative and operating expenses.
	SERVICE ALTERNATIVES: Alternatives are to outsource/privatize the administration of the programs, or to dispose of the public housing properties.
	IMPACT OF CHANGING SERVICES: City responsible for meeting all federal requirements. Audit findings would be against the City. Regulatory funding requirements - city must comply with the following - ensure properties operated and maintained as public housing for 10 years for operating subsidy, 20 years for Capital Funds.Maintenance outsourcing - must meet federal requirements, the city will remain responsible for ongoing fed inspection results. Can contract with outside entity to administer, default or noncompliance remains the city's responsibility, reflecting upon performance = funding sanctions. Disposition - no release from responsibility for 20 years. If ended , gap to be filled by private industry, if sufficient # of affordable housing units.
	A6000/A7000 BUDGET TOTALS: This program is approximately 80% federally funded - included in total cost above.Only \$307,000 is General Funds, and \$242,850 of this amount is paid back to the city in charge-backs, leaving only \$64,150 of general funds to put toward maintenance of the public housing complexes

Fund/Division #: 2500-17910 Division Name: Community Housing # of FTEs: 0 A6000: \$0 A7000: \$0 TOTAL: \$0	<div data-bbox="485 50 1965 477"> <p>SERVICE DESCRIPTION: Section 8 Housing Choice Voucher Program 100% Federally Funded –</p> <ul style="list-style-type: none"> • Federal rental assistance program provided to 1,553 eligible Glendale families, the elderly, and disabled, within the city of Glendale. Staff responsible for unit inspections, reasonable rent check, eligibility at admission, ongoing annual recertifications, interim examinations. The program is designed to lessen the concentration of low- and very-low income families, the elderly and the disabled in predominantly high poverty areas. • Glendale Section 8 consists of 1,054 vouchers “owned” by Glendale and an additional 499 vouchers owned by other housing authorities for families that reside in Glendale. The Housing division is responsible for the ongoing administration of these vouchers as well. • Over 1,500 Glendale families are assisted through this program. o 4,069 persons assisted o 1,929 of them are under the age of 18. • 93% of Glendale families assisted have household income in the very low and extremely low category. </div> <div data-bbox="485 477 1965 553"> <p>REQUIRED BY LAW/CODE/REG?: Yes</p> </div> <div data-bbox="485 553 1965 1089"> <p>CURRENT PERFORMANCE DATA: Meets Federal High Performer standards for finance, inspections, file completion, voucher use, landlord marketing, waiting list and application processes. assists over 1,500 Glendale very low and extremely low income families with ongoing rental assistance. Program requirements are:</p> <ul style="list-style-type: none"> • annual unit inspections, special inspections, move-in inspections, reinspections for fails • ongoing annual family eligibility recertification, • rent review at any time the family requests (also known as interim examinations) • applications intake • waiting list management • weekly, monthly, quarterly, annual reporting to HUD • landlord marketing • voucher usage • over 800 Glendale landlords receive rental income each month. • This assistance is ongoing and requires constant and consistent file management by staff who receive ongoing HUD training to meet HUD program requirements and pass federal program audits </div> <div data-bbox="485 1089 1965 1166"> <p>REVENUE GENERATION: Section 8 does not generate revenue but is 100% federally funded.</p> </div> <div data-bbox="485 1166 1965 1242"> <p>SERVICE ALTERNATIVES: Outsource/privatize , or stop offering rental assistance through the Section 8 program altogether.</p> </div> <div data-bbox="485 1242 1965 1458"> <p>IMPACT OF CHANGING SERVICES:</p> <ul style="list-style-type: none"> • Outsource/privatize - The downside to this is the City will remain responsible for meeting all federal program requirements for all aspects. Any audit findings would be against the City. • Stop the program altogether – this will end assistance for more than 1,500 families in Glendale. This action will have the effect of either pushing them into substandard housing or into homelessness. As the program assists over 1,900 children under the age of 18, the effects will negatively affect Glendale families. </div> <div data-bbox="485 1458 1965 1524"> <p>A6000/A7000 BUDGET TOTALS: 100% Federal Funded Program - included in total cost above.</p> </div>

<p>Fund/Division #: 1000-15220</p> <p>Division Name: Library</p> <p># of FTEs: 5.5</p> <p>A6000: \$399,073</p> <p>A7000: \$0</p> <p>TOTAL: \$399,073</p>	<p>SERVICE DESCRIPTION:</p> <p>Library Administration: Financial Services: Responsible for the administrative and financial services, provides support functions, including personnel, budget management, purchasing, accounts payable & receivable, payroll and contract administration. Library Technology Coordinator: Responsible for the updating and enhancement of the library's website, maintaining the Library automation system (Horizon), ensuring that all cataloging, circulation, acquisitions, email, online public access catalog, and all other operations are secure, stable, and functioning properly at all times. Collection Development staff is responsible for the selection, ordering and the materials budget of the library's diverse collection. Security Guards: Responsible for the security and safety of staff and patrons. The Courier: Responsible for the movement of materials between the libraries. Managment Assistant, Recreation Accounts Coordinator, Account Specialists, Technology Coordinator, Security Guards (Temps), Courier, Collection Development,</p>
	<p>REQUIRED BY LAW/CODE/REG?:</p> <p>No</p>
	<p>CURRENT PERFORMANCE DATA:</p> <p>The Library Technology Coordinator updates the library's website which had 2,158, 268 website hits, and maintained the library system with no downtime to staff and patrons, and resulted in 1,317, 433 catalog searches. The Collection Development staff selects and orders materials for 3 library facilities and coordinates the collection, collation, organization and archiving of library statistics. Six contracted security guards provided a safe and secure presence 114 hours at the 3 locations.</p>
	<p>REVENUE GENERATION:</p>
	<p>SERVICE ALTERNATIVES:</p> <p>1) Reduce security guards coverage (at all 3 locations and work with Glendale PD to address security issues; 2) Reduce staff in the library technology and collections development.</p>
	<p>IMPACT OF CHANGING SERVICES:</p> <p>1) Staff and patrons would have no recourse when dealing with abusive and violent patrons, other than calling the Police, the safety of patrons and staff could be comprised if there were no security guards; 2) The library system if not maintained would result in down time for patrons and staff who utilize it on a daily basis. The library's website may not be updated and current due to the city webmasters workload. The selecting and ordering of the collection would be vendor driven and may not reflect the diverse community in which the libraries serve. Important statistics would be more difficult to track and impact the ability to report grant statistics to grantors, the application for new grants, library staff, surveys and other city departments.</p>
	<p>FTEs ASSOCIATED W/ SERVICE:</p> <p>5.5 + 6 Temps Security Guards</p>

Fund/Division #: 1000-15220 Division Name: Library # of FTEs: 5.5 A6000: \$393,160 A7000: \$0 TOTAL: \$393,160	SERVICE DESCRIPTION: Tech Services: Responsible for ordering and receiving materials, cataloging, and processing of library materials and the automated functions of the library system. Librarians, Librarian Operations Supervisor, Librarian Assistants, Technical Assistants (Temps)
	REQUIRED BY LAW/CODE/REG?:
	CURRENT PERFORMANCE DATA: 23,454 items were ordered and 16,648 received, 303,869 items were cataloged and processed, 14,830 periodicals were checked-in.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: Increase the amount of items outsourced for cataloging and processing by staff, thus reducing staff by 1.5 FTEs and 2 Temps
	IMPACT OF CHANGING SERVICES: Cataloging records will not be as precise and users would lose some searching functionality when searching for items. Increase of vendor-driven cataloged and processed items would strain the current processing budget.
	FTEs ASSOCIATED W/ SERVICE: 5.5 FTE + 2 Temps

Fund/Division #: 1840-36006 Division Name: Grant Approp - Library # of FTEs: 0 A6000: \$50,000 A7000: \$500,000 TOTAL: \$550,000	SERVICE DESCRIPTION: No cash backing exists for the grant reserve appropriation until an actual grant is accepted by the city and funding source for the grant is identified. Individual grant projects or divisions are created to track grant awards after the appropriate council communication is acted upon by Mayor/Council during evening meetings. Any unused grant reserve appropriation expires at fiscal year end and is not carried over into the next fiscal year.

Fund/Division #: 1000-15230 Division Name: Arts Maintenance - Admin. # of FTEs: 0 A6000: \$1,285 A7000: \$16,796 TOTAL: \$18,081	SERVICE DESCRIPTION: This program is run by 1 FTE (paid for in the Library budget) and a 19-hour/week position that assists with the maintenance and coordination of the City's Art Program (i.e. - arranging repair, cleaning of art, education programs).
	REQUIRED BY LAW/CODE/REG?: No, however there is a City Ordinance that requires a 1% CIP set-aside for the Municipal Arts Program.
	CURRENT PERFORMANCE DATA: The City maintains 370 different pieces of art in its municipal arts portfolio and is responsible for their well-being.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: 1. Assign duties to Arts Coordinator position and adjust staffing accordingly; 2) Shift a portion of the Arts Coordinator's GF

salary into 15310.
IMPACT OF CHANGING SERVICES: Potential reduction of service and ability to coordinate events as supported by the 1% municipal arts fund. Shifting of salary will more quickly deplete the 1% of the Arts fund.

Fund/Division #: 1220-15310 Division Name: Arts Maintenance # of FTEs: 0 A6000: \$1,407 A7000: \$124,775 TOTAL: \$126,182	SERVICE DESCRIPTION: This is the special CIP 1% fund set up to fund the City Art Program. It is used to purchase new art, performance art, art at special events and to maintain the City's collection.
	REQUIRED BY LAW/CODE/REG?: No, however there is a City Ordinance that requires a 1% CIP set-aside for the Municipal Arts Program.
	CURRENT PERFORMANCE DATA: The City maintains 370 different pieces of art in its municipal arts portfolio; sponsors the annual Plein Air event at the Chocolate Festival (\$3500), an interactive arts event at the Jazz Festival (\$18,000), the annual summer arts camp (\$12,000); it sponsors an annual Performing Arts Grant Program (\$40,000).
	REVENUE GENERATION: The summer arts camp charges a small registration fee that raised \$760 in FY 11-12 which was deposited into account # 1220-15310-457650.
	SERVICE ALTERNATIVES: 1) Temporarily defer funding of new art acquisition & enter in reciprocal art loan programs with other local public entities; 2) Reduce sponsorship of art at city special events; 3) Eliminate the Summer arts camp; 4) Shift a portion of the General Funded Arts Coordinator position to the municipal arts fund; 5) Eliminate the program.
	IMPACT OF CHANGING SERVICES: 1) City would not purchase art from local artists and this may raise concerns by local artists and those affiliated with Glendale art; 2) Special events will not be as dynamic for the Centerline area; 3) There may be concerns raised by those in the Glendale art community who patronize this program; 4) This would be a temporary measure and will deplete the 1% for the Arts fund more quickly, which will impact the fund balance; 5) Program would focus on maintenance only and less advocacy.
	FTEs ASSOCIATED W/ SERVICE: 1 FTE paid for from 15220 - Library and a 19 hour/week contractual position

Outsourcing will not give the quality of service current staff provide.</p> <p>FTEs ASSOCIATED W/ SERVICE: 5 full time general fund employees, 1 self sustaining fund employee, 1 temporary employee (general fund) and 10-15 part-time employees (self sustaining fund)</p> <p>A6000/A7000 BUDGET TOTALS: A6000 (14670) = \$109,608 + \$67,202 + \$254 temp; (14840) \$2754 temp; A7000 (14670)=\$3,320 Temp + \$823; A7000 (14840) = \$164,013</p>
--	---

Fund/Division #: 1880-14840 Division Name: Sports Self Sustaining # of FTEs: 1.93 A6000: \$100,984 A7000: \$8,286 TOTAL: \$109,270	SERVICE DESCRIPTION: Field Allocation Services: Currently over 20 private youth sports organizations participate in the allocation program. These organizations include youth football, soccer, lacrosse, baseball and softball entities. All remaining fields are opened for general use by both youth and adult teams. Weekend tournaments are also a part of the allocation/rental process. All revenue generated from field rentals and allocations are divided between the self sustaining and general fund. General fund money is used for maintenance operation of the facilities.
	REQUIRED BY LAW/CODE/REG?: Same as above.
	CURRENT PERFORMANCE DATA: Approximately 12,000 hours of fields are reserved annually. Currently there are 60 weekend tournaments scheduled at Sahuaro Ranch or Paseo Sports Complexes.
	REVENUE GENERATION: Revenue from field rentals, allocations and tournaments amount to approximately \$197,000 annually (#1880-14840). Revenue is split between the general fund and the sports self sustaining fund. This is the primary funding source for the maintenance and operations of these services.
	SERVICE ALTERNATIVES: 1) Explore outsourcing this function to a reservation management company; 2) Eliminate the service.
	IMPACT OF CHANGING SERVICES: 1) Outsourcing this might be complicated and will result in loss of control; 2) If service is eliminated, then there is no reservation system in place and it would be first-come first serve, which will make it difficult to find and secure places to practice and play.
	A6000/A7000 BUDGET TOTALS: A6000 (14670) = \$81,643 + \$508 Temp; (14840) \$18,833 A7000 (14670)=\$6,640 Temp + \$1646

Fund/Division #: 1880-14840 Division Name: Sports Self Sustaining # of FTEs: 1.93 A6000: \$115,346 A7000: \$6,215 TOTAL: \$121,561	SERVICE DESCRIPTION: Field Preparation: Facilities such as Foothills, Paseo and Sahuaro Ranch Sports Complexes need to be prepared daily (including weekends) for reservations, allocation and weekend tournament usage. There is a level of expectation that customers demand when paying money to utilize facilities. Facilities need to be maintained daily, sometimes twice daily.
	REQUIRED BY LAW/CODE/REG?: Same as above.
	CURRENT PERFORMANCE DATA: Same as above, the activities compliment each other.
	REVENUE GENERATION: Same as above, the activities compliment each other.
	SERVICE ALTERNATIVES: This service could be outsourced and staff reduced appropriately.
	IMPACT OF CHANGING SERVICES: Although this can be outsourced, the quality of the service may suffer. Park users may have a greater challenge finding a neighborhood park with a prepared field on which they can to practice or participate. The quality of the the experience and

quality of the practice field will deteriorate.
A6000/A7000 BUDGET TOTALS: A6000 (14670) = \$96,132 + \$381 Temp (14840) \$18,833 A7000 (14670)=\$4,980 Temp + \$1235

Fund/Division #: 1880-14840 Division Name: Sports Self Sustaining # of FTEs: 0.1 A6000: \$6,278 A7000: \$0 TOTAL: \$6,278	SERVICE DESCRIPTION: Small Youth Clinics: Introductory youth clinics are offered to children between the ages of 3 & 7 years of age. These clinics teach basic fundamentals of kicking, hitting, throwing and teamwork. Participants from clinics are provided skills to allow them to participate in the numerous youth sports organizations throughout the west valley.
	REQUIRED BY LAW/CODE/REG?: Same as above.
	CURRENT PERFORMANCE DATA: Approximately 100 children annually participate in this activity.
	REVENUE GENERATION: Approximately \$5,000 in revenue annually. All revenue pays for program costs with no money left over.
	SERVICE ALTERNATIVES: Eliminate program
	IMPACT OF CHANGING SERVICES: Service would be provided by a private organization.

Fund/Division #: 1880-14840 Division Name: Sports Self Sustaining # of FTEs: 1.04 A6000: \$68,737 A7000: \$2,072 TOTAL: \$70,809	SERVICE DESCRIPTION: Adult Softball Leagues: Men's, Women's and Coed leagues are offered at Sahauro Ranch Sports Complex in addition to Foothills Sports Complex. Revenue from the leagues assist with staffing costs, officials, awards and supplies. Facilities need to be maintained daily (sometimes twice daily).
	REQUIRED BY LAW/CODE/REG?: Same as above.
	CURRENT PERFORMANCE DATA: Approximately 5,000 adult participants annually
	REVENUE GENERATION: Approximately \$165,000 in revenue annually (#1880-14840). All revenue pays for direct program costs such as field staff, officials, supplies and awards. Approximately \$20,000 in additional revenue is made to assist with maintenance operations.
	SERVICE ALTERNATIVES: 1) Outsource and adjust staff levels as appropriate; 2) Eliminate program and adjust staff levels as appropriate.
	IMPACT OF CHANGING SERVICES: 1) Outsourcing will result in a loss of initial revenue and there may be customer-use issues that arise; 2) Elimination of program will result in loss of revenue and detract from the quality of life in Glendale.
	A6000/A7000 BUDGET TOTALS: A6000 (14670) = \$49,778 + \$127 Temp; (14840) \$18,832; A7000 (14670) = \$1,660 Temp + \$412

Fund/Division #: 1885-13190 Division Name: GESD ES Ballfields # of FTEs: 0.05 A6000: \$0 A7000: \$0 TOTAL: \$0	SERVICE DESCRIPTION: IGA with GESD. School responsible for mowing, irrigation, trash removal, drinking fountain. City responsible for maintenance and operating costs for the lighting system, infield sprinkler system, infield preparations, backstop fencing, bleachers and benches. City reserves fields for rentals and allocations.
	REQUIRED BY LAW/CODE/REG?: Yes - IGA
	CURRENT PERFORMANCE DATA: FY11, there were approximately 550 field rentals and allocations.
	REVENUE GENERATION: Approximately \$18,500 in revenue from field rentals and allocations. (\$9,250 going to self-sustaining fund 1880-14840 and \$9250 going to General Fund 1000-424000). FY11 ending balance in Sinking Fund - \$21,000.
	SERVICE ALTERNATIVES: 1. Reduce service levels. 2. Cancel IGA.
	IMPACT OF CHANGING SERVICES: Both service alternatives would result in a reduction in revenue.

Fund/Division #: 1885-13234 Division Name: Ironwood HS Light # of FTEs: 0 A6000: \$0 A7000: \$0 TOTAL: \$0	SERVICE DESCRIPTION: IGA with school to provide for sports field lighting repairs and maintenance. School operates lights during school year, City pays maintenance on lights and operates during the summer months.
	REQUIRED BY LAW/CODE/REG?: Yes - IGA
	CURRENT PERFORMANCE DATA: With the elimination of the summer baseball/softball program, the City no longer utilizes the fields in the summer months.
	REVENUE GENERATION: FY 11 ending balance- \$23,818.71
	SERVICE ALTERNATIVES: Cancel IGA.
	IMPACT OF CHANGING SERVICES: Cancellation of the IGA might result in concerns as to other existing IGA's.

Fund/Division #: 1880-14830 Division Name: Rec Self Sust-Foothills Rec # of FTEs: 1 A6000: \$81,026 A7000: \$174,862 TOTAL: \$255,888	SERVICE DESCRIPTION: The Special Interest Class Division (SIC) of the Parks & Recreation Department is a self-sustaining program that provides the community an opportunity to explore or enhance skill development in a particular area of interest. These value added classes are held throughout Glendale in partnership with various contracted vendors and hourly employees. This division structures pricing with the expectation of revenue generation.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: In FY 2010-2011, 823 SIC classes were held that had 5,747 participants; 1,933 Youth Participants, and 3,814 Adult Participants. This program is self-sustaining.
	REVENUE GENERATION: 14830-421400-\$331,273
	SERVICE ALTERNATIVES: 1) Increase price of classes to generate sufficient revenue to shift a General Fund expense to the special revenue account; 2) Outsource this function and reduce staff as appropriate.
	IMPACT OF CHANGING SERVICES: 1) An increase in price may result in an initial reduction in revenue; 2) Outsourcing this function would result in elimination of current FTE and a possible reduction in revenue for the FRAC.

Fund/Division #: 1000-14680 Division Name: Aquatics # of FTEs: 0 A6000: \$0 A7000: \$0 TOTAL: \$0	SERVICE DESCRIPTION: The aquatics division provides various programming such as recreational swimming, water aerobics, private and group swim lessons, high school and private swim & dive teams.
	REQUIRED BY LAW/CODE/REG?: The Aquatics Program is not required. However, there are numerous state and federal requirements that guide its operation.
	CURRENT PERFORMANCE DATA: 77,527 Rec Swim Participants 3,037 Swim Lessons; Participants 374 Private Swim Lessons (priced to self sustain)
	REVENUE GENERATION: Rec swim \$79,322 (1000-421400- \$39,661, 1880-14890 \$39,661), Swim lessons \$47,317 (1880-14890), Private Lessons \$4,067 (1880-14890) Rental Income \$13,124 (1880-14890)
	SERVICE ALTERNATIVES: 1) Increase gate fees at Rose Lane Pool to match those exacted at FRAC; 2) Outsource the program; 3) Reduce hours of service; 4) Temporarily shut the program down.
	IMPACT OF CHANGING SERVICES: 1) Gate fee increase will result in approximately \$50,000, but may deter use of facility by those in low/moderate income area; 2) May result in loss of control and ability to respond with immediacy; 3) A reduced summer swim season may result in patron concerns; 4) The swim community will raise concerns. Even if temporarily closed, there will be ongoing maintenance costs.
	A6000/A7000 BUDGET TOTALS:

Fund/Division #: 1000-14680 Division Name: Aquatics # of FTEs: 0.25 A6000: \$22,314 A7000: \$110,000 TOTAL: \$132,314	SERVICE DESCRIPTION: Recreational Swim

	SERVICE ALTERNATIVES:
	IMPACT OF CHANGING SERVICES:

Fund/Division #: 1000/1880-14640/14825 Division Name: Adult Ctr/Adult Ctr. Self-Sust # of FTEs: 3 A6000: \$202,314 A7000: \$101,879 TOTAL: \$304,193	SERVICE DESCRIPTION: Glendale Adult Center provides services and programs to everyone 18 years and older. The center provides onsite programs such as exercise equipment and classes, health and wellness classes, social activities, special events and entertainment, travel trips, computer usage and classes, billiards, library, lapidary, games and activities, and reduced lunch program.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: A total of 162,690 users per year, 80% of the Center users are 60 years old or older. Currently 3,118 active members (874 non residents). Examples of participation: 52,751 participant hours in the fitness programs; 41,076 participant hours in the games and activity areas; 15,999 participant hours in the computer lab; 8,390 participant hours in the specialty clubs: lapidary, sewing/knitting and ceramics 26,126 volunteer hours/ \$533,936 value – Managed and supervised by FTE's 26,000 congregate meals served by the YWCA – No center membership required, 1,200 participated in the special events (7) with a 97% “extremely satisfied” results in the surveys. The facility is also used for rentals and generates income (\$65,000 in FY 2010-2011).
	REVENUE GENERATION: From fiscal year 2010-11 the total revenues: 1880-14825-421600 \$100, 1880-14825-423400 \$65,000, 1880-14825-450600 \$600 Total of all \$65,700
	SERVICE ALTERNATIVES: 1) Increase the annual facility use fee from \$10 to \$15 per year to offset some additional operating costs; 2) Reduce and eliminate hours of operation Saturday and weekday hours 5-7p.m. (would reduce expenditures by approx. \$20,000; 3) Consider leasing the second floor and derive revenue; 4) Explore outsourcing of the Adult Center and its functions.
	IMPACT OF CHANGING SERVICES: 1) Some members may raise issues with fee increases, loss of participation; 2) Reduced hours may reduced revenue and increase service complaints and less coverage during peak hours of use 8 a.m. - 4 p.m. may result in customer service complaints; 3) Would result in new use for 2nd floor and possible revenue stream, could result in extra front desk duties and security issues within the center; 5) Will be challenging to find a potential operator of facility and there might be a loss of control over the facility.
	FTEs ASSOCIATED W/ SERVICE:

3 FTE with additional 11 part time staff as needed at 5-19 hours per week for front desk operations and to assist with the 62 hours per week of open to the public.
A6000/A7000 BUDGET TOTALS: A6000 (1000-14640) \$193,786, A7000 (1000-14640) \$38,097, A6000 (1880-14825) \$8,528, A7000 (1880-14825) \$85,009

Fund/Division #: 1000/1880-14640/14825 Division Name: Adult Ctr/Adult Ctr. Self-Sust # of FTEs: 2 A6000: \$120,922 A7000: \$33,972 TOTAL: \$154,894	SERVICE DESCRIPTION: The Adult Center provides onsite programs such as exercise equipment and classes, health and wellness classes, social activities, special events and entertainment, travel trips, computer usage and classes, billiards, library, lapidary, games and activities, and congregate meals.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Currently 3,118 active members (874 non residents). Examples of participation would include: 52,751 participant hours in the fitness programs; 15,999 participant hours in the computer lab; 26,126 volunteer hours/ \$533,936 value – Managed and supervised by FTE's; and 26,000 congregate meals served by the YWCA;
	REVENUE GENERATION: 1880-14825-421400 \$75,000
	SERVICE ALTERNATIVES: 1) Raise fees and fund programs through self sustaining funds; 2) Annual fee membership increaseThe increase to the annual membership and adjust the program fees which will cover some additional operating costs; 3) Outsource all programing.
	IMPACT OF CHANGING SERVICES: 1) Increased funds may reduce participants and impact income challeged persons; 2) Creating one annual membership fee may raise concern by VII members; 3) The outsourcing of programs may result in slightly hire fees.
	FTEs ASSOCIATED W/ SERVICE: 2 FTE and 1 part time staff at 19 hours or less per week
	A6000/A7000 BUDGET TOTALS: (1000-14640) A 6000 \$120,922, A7000 \$10,236, (1880-14825)\$23,736

Fund/Division #: 1000/1880-14640/14825 Division Name: Adult Ctr/Adult Ctr. Self-Sust # of FTEs: 0 A6000: \$0 A7000: \$5,200 TOTAL: \$5,200	SERVICE DESCRIPTION: The City of Glendale Adaptive Recreation Program provides meaningful leisure and physical activities for persons with disabilities.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Adaptive Program survey results: 93% overall excellent satisfaction, 99% will recommend the programs to others, 91% benefited from the program. Approximately 800 participants benefit from these programs.
	REVENUE GENERATION: 1880-14825-421400 \$3,000
	SERVICE ALTERNATIVES: 1) Work with a non-profit to take over program; 2) Eliminate program.
	IMPACT OF CHANGING SERVICES: 1) Would result in a new partnership program and city would not longer have a direct role (i.e. - Special Olympics AZ); 2) May result in citizen concerns.
	A6000/A7000 BUDGET TOTALS: (1880 14825) A7000 \$2,900 (1000 14640) A7000 \$2,300

Fund/Division #: 1000/1880-14640/14825 Division Name: Adult Ctr/Adult Ctr. Self-Sust # of FTEs: 3 A6000: \$167,444 A7000: \$8,000 TOTAL: \$175,444	SERVICE DESCRIPTION: Support Services provides facility support(set up, tear down, repairs and maint., floor care and maint.) for the entire Parks, Recreation and Library Services Department. It services the Adult Center, the City Hall amphitheater stage; Foothills Recreation and Aquatics Center, the four community center facilities and is also assisting the Library system. The staff also provides event support for special activities such as dedications such as Arbor Day, neighborhood events, and internal staff events such as United Way activities.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Tasks are performed on a variety of schedules based on programs and city services. Room set up and take down is a daily activity at the Adult Center. Repair maintenance and floor care is completed as necessary. The Adult Center is over 30,000 square feet with 18 rooms of space. In 20101-11 the Adult Center 1100 rentals requiring set ups and tear down of tables, chairs and equipment. Staff also assisted with rental set ups and tear downs at the Foothills Recreation and Aquatics Center, City Hall B rooms and other recreation centers throughout the year. Staff provides assistance for 2 - 3 special events a month. Other miscellaneous duties as assigned such as repair or cleaning to tables and chairs, program equipment, and minor building painting and cleaning.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: 1) Reduce level of service and staff accordingly; 2) Explore the possibility of combining with other city staff (i.e. - Civic Center) to leverage resources; 3) Hire temporary contract employees to perform work and reduce staff accordingly.
	IMPACT OF CHANGING SERVICES:

1) Will result in service delays that may have to be absorbed by staff in facilities serviced by Support Services staff; 2) Staff might no longer be in the department and it would be critical to plan usage ahead. Also, support staff do assist with routine maintenance activities that would have to be absorbed by other department facility staff; 3) Contract employees may be able to perform the tasks, however, there may be less buy-in and more turn-over rates.
FTEs ASSOCIATED W/ SERVICE: 3 FTE and 1 part time staff with 19 hours or less per week.
A6000/A7000 BUDGET TOTALS: (1000 14840) A 6000 \$167,455, (1000-14640)A7000 \$8,000

Fund/Division #: 1000-14700 Division Name: Marketing - Parks & Rec # of FTEs: 1 A6000: \$57,070 A7000: \$18,315 TOTAL: \$75,385	SERVICE DESCRIPTION: Responsible for reviewing, approving, creating, copywriting reviews, marketing, and publishing all Parks, Recreation and Library Services program materials (i.e. - My Community; SPLASH book; Horizons). In addition to department publications, creates program flyers, posters, brochures, logos, banners and displays. Creates internally used forms and department presentations. Includes printing projects on two- color digital duplicator press.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Completed 255 Parks and Recreation marketing projects and 85 Library Services marketing projects; includes four editions of the My Community magazine which is a 52 page publication. Also includes four editions of the Foothills update publication, six editions of the Horizon's publication and one yearly Splashbook. Also includes several single program flyers, park signage, a department logo, facility brochures and several other projects. Approximately 30,000 info items distributed.
	REVENUE GENERATION: \$4000 received annually for advertisements in publications.
	SERVICE ALTERNATIVES: 1) Outsource this service and reduce staff accordingly; 2) Re-distribute and have existing staff absorb; 3) Work with Marketing Department to shift key functions; 4) Consider transitioning position to department special revenue account.
	IMPACT OF CHANGING SERVICES: 1) Potential loss of service control and may result in increased expenses due to fees charged by graphic designers; 2) Expertise in marketing and graphics services would be missing and promotion of activities/events might suffer; 3) Marketing may have workload issues which would ultimately impact timeliness; 4) If shifted to special revenue account, might be at expenses of need operational funds.

Fund/Division #: 1000-14630 Division Name: Recreation Support Services # of FTEs: 4 A6000: \$202,969 A7000: \$335,642 TOTAL: \$538,611	SERVICE DESCRIPTION: This division is responsible for the recreation division front-line customer service and clerical work needed to keep the division functioning. Staff are responsible for park ramada reservations, special use permits, ballfield reservations, activity registrations, GRASP registrations, municipal complex reservations, and answering all general inquiry questions about programs, services, parks, facilities, special events, etc. In addition, staff internally support the department by completing all HR paperwork, PA's, contracts, Time & Labor liaison, temp paycheck distribution, department supply ordering, RFS liaison, commission support, etc.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Staff average 175-200 customer phone calls per day. Complete 1650 park ramada reservations, 700 special use permits, 1850 ballfield reservations, weekly daycare payments for 200 participants, and 1350 municipal complex reservations. Also process 10,000 class registrations along with administrative staff at Adult Center and Foothills. Provide HR support for 96 FTE and 300 temp staff. Included in this budget are the fleet and shop charges for all of the department's 37 vehicles & park equipment.
	REVENUE GENERATION: Park ramada reservations- \$140,000 (100-4240, 100-13040-424010, 100-13040-424011), Beer Permits/Special Use Permits- \$15,000 (100-4218), MCP reservations- \$6,000 (100-4240)
	SERVICE ALTERNATIVES: Options limited with respect to section of department. Possibly reduce hours that are open to the public and reduce staff accordingly (i.e. - reduce by at least one FTE).
	IMPACT OF CHANGING SERVICES: This is the hub of the department and where the majority of our patrons call for information and registration. There would be customer impacts, which might lead to dissatisfaction with overall department services levels.
	A6000/A7000 BUDGET TOTALS: A6000- \$201,510 FTE's \$35 OT ere's \$1424 shift differential, A7000- \$335,642

Fund/Division #: 1000-14610 Division Name: Parks & Recreation Admin. # of FTEs: 2 A6000: \$151,758 A7000: \$0 TOTAL: \$151,758	SERVICE DESCRIPTION: The is the managerial staff of the customer service division. It is responsible for the supervision of the Recreation Support Services staff and functions, the Marketing division and also maintains the Rec-Trac System. It also consists of an accountant position that assists with processing the financial systems of the department.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: See comments above for performance data of recreation support staff. The accountant position prepares close to 1000 voucher requests, over 45 purchase requisitions, monitors and processes over 60 procard accounts, citizen refunds, journal entries and department budget reporting.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES:

The day to day management is essential to the department. However, financial services have been combined with others in the department and redistributed. It can be reduced by one FTE as appropriate.
IMPACT OF CHANGING SERVICES: It will result in an increased workload for remaining staff.
A6000/A7000 BUDGET TOTALS: A6000-\$151,758 (1000-14630)

Fund/Division #: 1000-14610 Division Name: Parks & Recreation Admin. # of FTEs: 1 A6000: \$182,091 A7000: \$1,100 TOTAL: \$183,191	SERVICE DESCRIPTION: This is the department Executive Director position. It is responsible for strategic leadership, direction, general management and support to all department employees to provide Parks, Recreation and Library, while ensuring quality services for these two areas in our community.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: This is an important position. The Executive Director is accountable for department FTE's and temp positions; all contracts, grants; three citizen boards and commissions; IGA's; a \$14.3 million operating department budget; the department's assets (parks, art, library services, swimming pools, etc.); responsible for all operating divisions of the department; the provision of all programs and services; and meeting community needs.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: Sound leadership of the department is essential. However, it is always possible to eliminate the position and re-organize the various divisions into other city departments.
	IMPACT OF CHANGING SERVICES: Strategic leadership is important and various department functions can not efficiently operate without direct-report, oversight and direction.

Fund/Division #: 1880-14820 Division Name: Rec Self Sust-Administration # of FTEs: 0 A6000: \$0 A7000: \$15,360 TOTAL: \$15,360	SERVICE DESCRIPTION: Administrative account for all self-sustaining funds. Used for credit card fees and marketing charges.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA:
	REVENUE GENERATION:
	SERVICE ALTERNATIVES:
	IMPACT OF CHANGING SERVICES:

Fund/Division #: 1880-14850 Division Name: Youth and Teen Self Sustaining # of FTEs: 5 A6000: \$237,136 A7000: \$80,615 TOTAL: \$317,751	SERVICE DESCRIPTION: The Youth and Teen Division operates five licensed after school programs which generate revenue. These programs are licensed and regulated by State. These programs also are registered with the Department of Economic Security to be reimbursed if qualifying families attend our programs. We also offer two Licensed Programs in the summer that generate revenue and are open from 7:00 a.m. to 6:00 p.m.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: FY 2010-2011 Program Participants: Canyon Elem. =2,186; Kachina Elem. = 1,108; Pioneer Elem. = 366; Sahuaro Ranch = 5,892 Desert Mirage = 6,618
	REVENUE GENERATION: 1880-14850-421400 - \$288,320
	SERVICE ALTERNATIVES: 1) Grow the program by incorporating license programs at schools that do not have extended day care and increase revenue; 2) Eliminate the program.
	IMPACT OF CHANGING SERVICES: 1) Entrepreneurial growth could sustain GRASP drop-in part-time employees; 2) May cause concern raised by community about latch key kids.
	FTEs ASSOCIATED W/ SERVICE: 5 FTEs are paid from this division and 10 temporary staff with up to 19 hours a week. However, one of the FTE is assigned to the drop in GF program so this division operates with 4 FTE's and 10 temporary staff.

Fund/Division #: 1000-14650 Division Name: Youth and Teen # of FTEs: 6 A6000: \$369,002 A7000: \$137,711 TOTAL: \$506,713	SERVICE DESCRIPTION: GRASP Drop-in programs at four locations. Children in grades 1-8 can participate in supervised outdoor activities, games, study time, and other recreational activities. Program hours are free from school dismissal to 6 p.m.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: FY 2010-2011 Program Participants: Glend. Com. Ctr= 14,640; O'Neil Rec Ctr = 13,920; Rose Lane Ctr = 9,360; Barcelona Middle = 6,480
	REVENUE GENERATION: 1880-14850-421400 - \$13500
	SERVICE ALTERNATIVES: 1) Use the 1880 fund balance to sustain the temp pay staff in the GRASP Drop-in programs; 2) Eliminate the program.
	IMPACT OF CHANGING SERVICES: 1) This is a viable option and is contingent on the number of children in the program; 2) may cause concern in the community.
	FTEs ASSOCIATED W/ SERVICE: 6 FTEs are assigned to this division and 7 temporary staff with up to 19 hours a week. 1 additional FTE from 14850 is also

works in this area so this division operates with 7 FTE and the 7 temporary staff.
A6000/A7000 BUDGET TOTALS: A6000 - \$358,852 FTE's + \$10,151 Temp ere's A7000 - \$137,711

Fund/Division #: 1880-14850 Division Name: Youth and Teen Self Sustaining # of FTEs: 0 A6000: \$0 A7000: \$0 TOTAL: \$0	SERVICE DESCRIPTION: Summer Drop-in
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: FY 2010 - 2011 Program Participants: Copperwood = 1,632; Bicentennial = 960; Glendale Community Center = 1,312; Kachina = 672; Marshall Ranch = 928; O'Neil Rec Center=768; Pioneer = 1088; Rose Lane Rec Ctr.= 544 (\$75 per student for the summer session)
	REVENUE GENERATION: 1880-14850-421400 - \$18000
	SERVICE ALTERNATIVES: 1)Reduce summer locations; 2) Raise fees; 3) Eliminate the program.
	IMPACT OF CHANGING SERVICES: 1) A reduction in locations may result in one less place that is a supervised safe-haven for youth; 2) Any increase in fees may have cause concerns by users, however it would help the program become even more self-sustaining; 3) This may concern within the community, however, there are private sector firms that may see it as an opportunity.
	FTEs ASSOCIATED W/ SERVICE: Included in 6 FTE noted above and 16 temporary staff with up to 19 hours a week
	A6000/A7000 BUDGET TOTALS: Included above

Fund/Division #: 1000-14620 Division Name: Glendale Community Center # of FTEs: 2 A6000: \$128,212 A7000: \$18,607 TOTAL: \$146,819	SERVICE DESCRIPTION: The Glendale Community Center is located at 54th & Ocotillo and offers three programs: The YWCA Senior Program facilitated by the YWCA, a GRASP Youth After School Program (GRASP) and a Teen Program. It is also used for rentals.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: In FY 2010-2011, the Center serviced 24,633 Youth; 11,900 Teens, and 9,120 seniors.
	REVENUE GENERATION: Only revenue is for Youth drop in and is identified above. The revenue for rental in 2010-2011 was \$2,192.00 (1880-14892).
	SERVICE ALTERNATIVES: 1) Eliminating the teen program would save \$511 per month and \$6,134 annually in p/t staffing costs. Teens would be referred to other agencies for teen programs in the area or a non-profit group could be approached to offer a teen program and reduce staff accordingly; 2) Eliminate the youth program would save \$6,140 in p/t staffing costs. A non-profit could be

approached to offer a youth program; 3) Outsource the functions of the facility; 4) Temporarily close the facility.
IMPACT OF CHANGING SERVICES: Any of these options will cause concern in this specific service area. Option 3 is perhaps the most viable option. Assuming the functions of the Center can be outsourced, staff and related costs would no longer be needed for this facility.
FTEs ASSOCIATED W/ SERVICE: 2 FTEs and 2 temporary staff with up to 19 hours a week
A6000/A7000 BUDGET TOTALS: A-6000-\$127,352 FTE's + \$860 temp; A-7000 \$13,607 + (1880-14892) A7000 \$5,000

Fund/Division #: 1280-13290 Division Name: YSC - Parks & Rec # of FTEs: 0.05 A6000: \$0 A7000: \$262,000 TOTAL: \$262,000	SERVICE DESCRIPTION: The Glendale Youth Sports Complex is located on 13 acres at the corner of 91st Avenue and Maryland Avenue. The fields serve as a youth sports, athletic, and special event venue, as well as a vehicular parking lot during all Arizona Cardinal home football games. The management of the GYSC is currently outsourced.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: The average monthly attendance for youth sport allocations is approximately 25,000 visitors, which increases during mega-events such as the Fiesta Bowl, the Super Bowl, major concerts and events. The site is also used for approximately 1,000 parking spaces for mega-events and Cardinal's home games.
	REVENUE GENERATION: Over the past five years and on average, the facility has generated \$27,604.23 in annual revenues to 1280-13290-421400.
	SERVICE ALTERNATIVES: 1) Consider and act on new terms more favorable to the city, including the possible assumption of certain operations by the existing parks and maintenance staff; 2) Combine the management of this facility with other premier sports fields and issue an RFP for their collective management
	IMPACT OF CHANGING SERVICES: 1) The management of this facility is currently outsourced and the terms are currently under review that may favor an alternate management structure may cause concerns by the current vendor; 2) Outsourcing this along with the other premier fields may be a viable approach, however, there will be a management fee, along with a possible loss of quality control and ability to respond to issues with immediacy
	FTEs ASSOCIATED W/ SERVICE: 0.05 Deputy Director, Crew Leader & Service worker time allocation from Parks budget
	A6000/A7000 BUDGET TOTALS: A7000-\$262,000; \$50,000 for electric (in Field Ops Budget); \$5,306.35 in staff time to monitor contract (in Parks Admin Budget)

Fund/Division #: 1000-13020 Division Name: Park Irrigation # of FTEs: 4 A6000: \$255,512 A7000: \$50,920 TOTAL: \$306,432	SERVICE DESCRIPTION: Provide maintenance and repair service to all city parks, retention areas, special use facilities and other city facilities for sprinkler irrigation systems.
	REQUIRED BY LAW/CODE/REG?: There is no state or federal requirement maintain and repair the irrigation systems in our parks. However, since we provide this service, it is subject to local building and design codes.
	CURRENT PERFORMANCE DATA: 100% of time dedicated to the repair and maintenance of irrigation systems, controllers, and back flow preventers at 71 parks and 58 other city facilities.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: 1) Reduce service and staff appropriately; 2) Outsource operation and reduce staff appropriately.
	IMPACT OF CHANGING SERVICES: As current staff proactively check and maintain the current park irrigation systems, outsourcing this function may initially result in a reactive maintenance system. Infrastructure may deteriorate more rapidly; horticulture and turf might die and parks system may suffer. With outsourcing, there is a potential loss of response to immediate issues, which can lead to citizen dissatisfaction.

Fund/Division #: 1000-13030 Division Name: Parks CIP & Planning # of FTEs: 1 A6000: \$92,239 A7000: \$10,393 TOTAL: \$102,632	SERVICE DESCRIPTION: The capital budget, or capital improvement plan, is an appropriation of bonds or operating revenue for improvements to city facilities that may include buildings, parks, streets and water and sewer lines. Design of sites and facilities to create an enriched visitor experience including ease and diversity of use.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Although the capital program has been deferred, there are still minor projects that this position will complete. This position is also responsible for managing, supervising and leading the city Rights-of-Way Division.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: 1) Reassign FTE [currently supervising another city division] and utilize Engineering Department to manage future CIP projects; 2) Reassign FTE and outsource future CIP administration.
	IMPACT OF CHANGING SERVICES: 1 & 2 - Eliminates control of department on CIP projects in parks and facilities, however, there will limited CIP funds available for the foreseeable future.

Fund/Division #: 1000-13040 Division Name: Parks Maintenance # of FTEs: 0 A6000: \$0 A7000: \$1,080,880 TOTAL: \$1,080,880	SERVICE DESCRIPTION: Water Expenses - This has been highlighted specifically due to the significant cost allocated (at the current standard of application and use) for parks, sports complexes, city facilities, swimming pools, drinking fountains, bathrooms, fountains, and sprinkler irrigation throughout the city.
	REQUIRED BY LAW/CODE/REG?: There is no state or federal requirement to water our parks system. However, should we not water them and they become a blight, there are city codes that we may have to address this.
	CURRENT PERFORMANCE DATA: Water meters for over 300+ accounts at parks, swimming pools, fire and police stations, city court buildings, libraries, city hall, and others.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: 1) Further reduce water at city parks and facilities; 2) Remove plant material and turf, replace with decomposed granite.
	IMPACT OF CHANGING SERVICES: Lack of water to parks and facilities is not an option. Further reductions to this category will result in dead turf, trees, shrubs and city-owned assets becoming a blight.
	A6000/A7000 BUDGET TOTALS: A7000 - \$1,200,000 Only \$1,080,880 is allocated and the remaining is covered by other accounts within the division.

Fund/Division #: 1000-13040 Division Name: Parks Maintenance # of FTEs: 2.95 A6000: \$234,665 A7000: \$2,500 TOTAL: \$237,165	SERVICE DESCRIPTION: Administration
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Deputy Director, Park Manager and Secretary provide oversight and directional support to all division staff and its operations (including the Youth Sports Complex and all other athletic fields) Management of operational and capital budget allocations; performance measurement process and guidance and all other administrative support functions.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: Sound leadership of the division is essential. However, it is always possible to eliminate the position and re-organize the various divisions into other city functions and/or outsourcing.
	IMPACT OF CHANGING SERVICES: Leadership is important and must be retained. If operations are outsourced, it would necessitate the review of positions to determine if they are properly classified based on new duties of contract management.

Fund/Division #: 1000-13040 Division Name: Parks Maintenance # of FTEs: 11 A6000: \$630,659 A7000: \$288,218 TOTAL: \$918,877	SERVICE DESCRIPTION: Park/Facility/Trail Maintenance
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: 81% of the proportion of the total workload of direct labor performs maintenance tasks. 70 park sites including 55 Neighborhood; 9 Community; 6 Regional parks. 2188.5 acres of park land; 14 miles of hard surface trails; 27 miles of natural surface trails.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: Contract some services such as tree and shrub pruning. This was removed from previous contract due to high cost.
	IMPACT OF CHANGING SERVICES: Loss of specialized staff and impact to citizen services. Loss of situational and immediate quality control of high profile and heavily used facilities.
	A6000/A7000 BUDGET TOTALS: A6000 - \$ 630,659 A7000 - \$169,436 + \$118,782

Fund/Division #: 1000-13040 Division Name: Parks Maintenance # of FTEs: 0 A6000: \$0 A7000: \$514,232 TOTAL: \$514,232	SERVICE DESCRIPTION: Landscape Contracted Services
	REQUIRED BY LAW/CODE/REG?: Yes/No
	CURRENT PERFORMANCE DATA: Contracted mowing, litter, and picnic grill maintenance at 55 neighborhood parks, 9 community parks, and the Grand Canal (mowing); one retention basin; Varying levels of service at four of the six Regional Parks.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: Currently outsourced.
	IMPACT OF CHANGING SERVICES: Keep outsourced as failure to maintain parks will result in significant citizen and customer impact; loss of revenue at regional/community parks with ramada and facility reservations.
	A6000/A7000 BUDGET TOTALS: A7000 - \$514,232 - includes Elsie McCarthy Sensory Garden mowing/litter

Fund/Division #: 1000-13040 Division Name: Parks Maintenance # of FTEs: 2 A6000: \$130,050 A7000: \$68,902 TOTAL: \$198,952	SERVICE DESCRIPTION: Urban Forestry/Horticulture
	REQUIRED BY LAW/CODE/REG?: There is no state or federal requirement to maintain our park trees. However, should they become a blight there may city codes with which we will have to comply.
	CURRENT PERFORMANCE DATA: There are approximately 13,000 trees in City parks and other areas are maintained by this two person crew.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: 1) Reduce service and staff appropriately; 2) Outsource operation and reduce staff appropriately.
	IMPACT OF CHANGING SERVICES: 1 &2) Higher cost associated with contracted services based on previous history. Potential loss of quality control and ability to respond to issues with immediacy.
	A6000/A7000 BUDGET TOTALS: A6000 - \$130,050 A7000 - \$9,511 + \$59,391

Fund/Division #: 1000-13040 Division Name: Parks Maintenance # of FTEs: 2 A6000: \$120,843 A7000: \$72,125 TOTAL: \$192,968	SERVICE DESCRIPTION: Open Space Maintenance: Retention Areas/Mowing
	REQUIRED BY LAW/CODE/REG?: Yes/No
	CURRENT PERFORMANCE DATA: 2% of total annual maintenance staff resources are dedicated to the mowing and maintenance of 19 retention areas totaling 32 acres; four sports complexes and associated fields (75%); and special projects (25%).
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: 1) Reduce service and staff appropriately; 2) Outsource operation and reduce staff appropriately.
	IMPACT OF CHANGING SERVICES: Loss of specialized staff and impact to citizen services. Loss of situational and immediate quality control of high profile and heavily used facilities.
	FTEs ASSOCIATED W/ SERVICE: 2 + 30 hour contract employee
	A6000/A7000 BUDGET TOTALS: A6000 - \$ 110,154 FTE's + \$10,689 Temp's ere's A7000 - \$12,734 + \$59,391

Fund/Division #: 1000-13040 Division Name: Parks Maintenance # of FTEs: 0 A6000: \$0 A7000: \$64,200 TOTAL: \$64,200	SERVICE DESCRIPTION: Restroom/Custodial Maintenance
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: These services are currently contracted for twelve sites including: Bonsall North, Bonsall South, Cholla, Foothills Skate Court, Murphy Park, O'Neil, Rose Lane, Thunderbird-Paseo 59th; Thunderbird-Paseo 67th, WARP - Ramada, WARP - X/Court. Staff maintains the restrooms at the four sports complexes.
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: 1) Continue to outsource current facilities and add those that staff currently maintains; 2) Close the facilities.
	IMPACT OF CHANGING SERVICES: It is recommended that the facilities remain open and that we outsource the remaining sites. Not doing so may result in significant citizen and customer impact; loss of revenue at regional/community parks with ramada and facility reservations.

Fund/Division #: 1000-13040 Division Name: Parks Maintenance # of FTEs: 2 A6000: \$119,817 A7000: \$15,000 TOTAL: \$134,817	SERVICE DESCRIPTION: Playground Inspection and Maintenance - The city's public playgrounds and swing sets are a high frequency use equipment and must be inspected and repaired routinely to ensure the complex play systems meet ADA laws, CPSC and ASTM guidelines and regulations to prevent accessibility issues or equipment malfunctions that may cause serious injuries.
	REQUIRED BY LAW/CODE/REG?: Yes - there are federal and state safety and ADA regulations regarding playgrounds and accessibility.
	CURRENT PERFORMANCE DATA: Two staff are Certified Playground Safety Inspectors through the National Playground Safety Inspection training, and are responsible for ensuring compliance with National Playground Safety Standards for 97 playgrounds throughout the city. They also perform routine inspections and repairs on the city's 137 sports courts (basketball, tennis, racquetball).
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: Outsource this function and reduce staff accordingly.
	IMPACT OF CHANGING SERVICES: Safe playground are essential to the safety of the community. If outsourced, there may be a loss of situational and immediate quality control of high profile and heavily used facilities.

Fund/Division #: 1000-14710 Division Name: Park Rangers # of FTEs: 3 A6000: \$143,291 A7000: \$124,055 TOTAL: \$267,346	SERVICE DESCRIPTION: Enforcement of City Code, Open/Close parks and facilities, Open/Close Sports Complexes for reservations, Respond to citizen calls for service, and provide auxiliary support to Glendale Police as requested.
	REQUIRED BY LAW/CODE/REG?: Yes - enforcement of city codes pertaining to parks.
	CURRENT PERFORMANCE DATA: The Rangers close parks and facilities each evening at all regional/ community parks (14) plus the two SK8 facilities. Enforce city code at all 92 park and facilities as required. They provide customer service to patrons in distress (heat, injury, burglary, reservations, etc. as necessary)
	REVENUE GENERATION:
	SERVICE ALTERNATIVES: 1) Reduce staff and outsource with a Security Service; 2) Reassign sports complex gate duties to other division staff; 3) Transfer enforcement and customer service calls to the Police Department.
	IMPACT OF CHANGING SERVICES: 1 &3) There may be a loss of situational and immediate quality control of high profile and heavily used facilities; 2) this may lead to work load issues on remaining staff and potential customer service issues.
	FTEs ASSOCIATED W/ SERVICE: 3 + temp staff
	A6000/A7000 BUDGET TOTALS: A6000 - \$134,541 FTE's + \$8750 Temp ere's A7000 - \$124,055

Fund/Division #: 1000-14760 Division Name: Historic Sahuaro Ranch # of FTEs: 2 A6000: \$145,172 A7000: \$58,707 TOTAL: \$203,879	SERVICE DESCRIPTION: The Sahuaro Ranch Parks Historic Area (SRPHA) is part of the 80-acre Regional Park and is listed on the National Register of Historic Places. SRPHA creates a sense of place through educational opportunities that provide information about and motivates public interest and respect for the history of Sahuaro Ranch and the related agricultural history of Glendale. It has become a tourist destination and sought-after venue for special rental occassions.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: The Fruit Packing Shed is available for rental opportunities and special events are held at the site throughout the year and is managed by city staff. In 2011 there were 38 rentals for the Fruit Packing Shed. Nearly 20,000 visitors attended the special events, which include the Rose Show & Pruning, Juried Art Show, Children's Art Show, Tractor Show, Serve Day, Folk & Heritage Festival, Camping Event, Library Art Camp, Adventures in History, Ballet Under the Star, Wild West Festival, and the PSA Art Awakening. Weddings are held on the grounds - coordinated by the Historical Society. There were 650 tours of the buildings and grounds provided to over 7,500 vistors during specific times and by appointment.
	REVENUE GENERATION: 1880-14860-\$55,343.69. Includes revenue from SRPHA rentals, vendor fees from events at SRPHA & X-Court, school tours, programs/camps at SRPHA, and donations.
	SERVICE ALTERNATIVES:

1) Reduce staff and special event programming that occurs at the Ranch. 2) Outsource and/or secure lessee to manage the rental and tour operations.
IMPACT OF CHANGING SERVICES: 1) The Glendale Historic Society may raise concerns; 2) Loss of specialized staff and impact to citizen services. Loss of situational and immediate quality control of high profile and heavily used facilities.
FTEs ASSOCIATED W/ SERVICE: 2 FTE's. There are three temporary staff that are funded through the self-sustaining account for the site. The total amount for the the two temporary recreation programmers and one Recreation Leader III is approximately \$29,600.
A6000/A7000 BUDGET TOTALS: A6000 - (1000-14760) \$143,567 (1880-14860) \$1,605 A7000 - (1000-14760) \$19,650 (1880-14860) \$33,264 (1000-14660) \$5793

Fund/Division #: 1885-13110 Division Name: O'Neil Park Maintenance # of FTEs: 0 A6000: \$0 A7000: \$4,800 TOTAL: \$4,800	SERVICE DESCRIPTION: Capital improvements, repairs and replacement of park equipment.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: This fund is depleted and longer in use.
	REVENUE GENERATION: FY ending balance- \$0
	SERVICE ALTERNATIVES: Delete this fund.
	IMPACT OF CHANGING SERVICES: No Impact.

Fund/Division #: 1000-13170 Division Name: Dedicate A Tree # of FTEs: 0 A6000: \$0 A7000: \$5,000 TOTAL: \$5,000	SERVICE DESCRIPTION: This program enables citizens to plant trees to celebrate loved ones passing, births, anniversaries or any other milestone. Funding provides division balance to purchase, install, and maintain the trees.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Five trees were purchased in FY11 for this program for \$550.
	REVENUE GENERATION: FY11 ending balance- \$4285.07
	SERVICE ALTERNATIVES: Eliminate fund.
	IMPACT OF CHANGING SERVICES: Elimination of this fund would end the dedicate a tree program.

FTEs ASSOCIATED W/ SERVICE:
Approximately 5-6 hours per year.

Fund/Division #: 1885-13180 Division Name: Desert Valley Park # of FTEs: 0 A6000: \$0 A7000: \$8,000 TOTAL: \$8,000	SERVICE DESCRIPTION: IGA with school to provide for long-term maintenance and repair for joint-use park. District schedules the site from 6:00am-4:00pm M-F During school year. The City has control over the remainder. The City is responsible for maintenance with costs being equally shared. FY12 money for parking lot repair.
	REQUIRED BY LAW/CODE/REG?: Yes - IGA
	CURRENT PERFORMANCE DATA: Minor improvements, repairs and replacement of joint use park equipment.
	REVENUE GENERATION: FY11 ending balance- \$12,231.97
	SERVICE ALTERNATIVES: End IGA and return contributions to PUSD as appropriate.
	IMPACT OF CHANGING SERVICES: Ending the IGA with PUSD will most likely result in additional onstreet parking in the neighborhood and possibly increase maintenance costs of park.
	FTEs ASSOCIATED W/ SERVICE: Currently contracted.
	A6000/A7000 BUDGET TOTALS: No costs in FY 10-11.

Fund/Division #: 1885-13210 Division Name: Desert Mirage Park # of FTEs: 0 A6000: \$0 A7000: \$7,000 TOTAL: \$7,000	SERVICE DESCRIPTION: IGA with school to provide for long-term maintenance and repair for joint-use park. City responsible for maintenance with the District responsible for 50% reimbursement. FY12 money intended for playground repairs.
	REQUIRED BY LAW/CODE/REG?: Yes - IGA
	CURRENT PERFORMANCE DATA: Minor improvements, repairs and replacement of joint use park equipment.
	REVENUE GENERATION: FY11 ending balance- \$18,307.10
	SERVICE ALTERNATIVES: End IGA and return contributions to Pendergast School District as appropriate.
	IMPACT OF CHANGING SERVICES: Ending the IGA with the district would possibly increase the maintenance costs to GOG for the park.
	FTEs ASSOCIATED W/ SERVICE: Currently contracted.

No costs in FY 10-11.

Fund/Division #: 1885-13220 Division Name: Desert Gardens Park # of FTEs: 0 A6000: \$0 A7000: \$7,000 TOTAL: \$7,000	SERVICE DESCRIPTION: IGA with school to provide for long-term maintenance and repair for joint-use park. FY12 money intended for playground repairs.
	REQUIRED BY LAW/CODE/REG?: Yes - IGA
	CURRENT PERFORMANCE DATA: Minor improvements, repairs and replacement of joint use park equipment. Painted ramada and filled in tree wells in FY11.
	REVENUE GENERATION: FY11 ending balance- \$12,690.03
	SERVICE ALTERNATIVES: End IGA and return contributions to GESD as appropriate.
	IMPACT OF CHANGING SERVICES: Ending the IGA with the district would possibly increase the maintenance costs to GOG for the park.
	FTEs ASSOCIATED W/ SERVICE: Currently contracted.
	A6000/A7000 BUDGET TOTALS: Total cost = \$2,488.

Fund/Division #: 1885-13230 Division Name: Discovery Park # of FTEs: 0 A6000: \$0 A7000: \$7,000 TOTAL: \$7,000	SERVICE DESCRIPTION: IGA with school to provide for long-term maintenance and repair for joint-use park. District maintains park during school year. The City maintains the park after the normal school year. FY12 money intended for playground repairs.
	REQUIRED BY LAW/CODE/REG?: Yes - IGA
	CURRENT PERFORMANCE DATA: Minor improvements, repairs and replacement of joint use park equipment. Basketball courts were resurfaced in FY11.
	REVENUE GENERATION: FY11 ending balance- \$7,512.85
	SERVICE ALTERNATIVES: End IGA and return contributions to GESD as appropriate.
	IMPACT OF CHANGING SERVICES: Ending the IGA with the district would possibly increase the maintenance costs to GOG for the park.
	FTEs ASSOCIATED W/ SERVICE: Currently contracted.
	A6000/A7000 BUDGET TOTALS: Total cost = \$11,083.

Fund/Division #: 1885-13235 Division Name: Elsie McCarthy Pk. Maint # of FTEs: 0 A6000: \$0 A7000: \$44,038 TOTAL: \$44,038	SERVICE DESCRIPTION: Privately endowed special use park. Funding provides for on-going maintenance of grounds, fountains and in infrastructure repairs.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: On-going maintenance. Also completed a modifications to the shade structure in FY11
	REVENUE GENERATION: \$722.00 in interest income for FY11. (1885-13235) FY11 ending balance \$135,270.37
	SERVICE ALTERNATIVES: Reduce level of service.
	IMPACT OF CHANGING SERVICES: Funds for this park were endowed to the City as a condition of maintaining the park. Slight reduction in servicing possible, however, city must maintain.
	FTEs ASSOCIATED W/ SERVICE: Currently contracted.
	A6000/A7000 BUDGET TOTALS: Total cost = \$13,266.29

Fund/Division #: 1840-35004 Division Name: Grant Approp - Parks & Rec # of FTEs: 0 A6000: \$50,000 A7000: \$500,000 TOTAL: \$550,000	SERVICE DESCRIPTION: No "cash backing" exists for the grant reserve appropriation until an actual grant is accepted by the city and funding source for the grant is identified. Individual grant projects or divisions are created to track grant awards after the appropriate council communication is acted upon by Mayor/Council during evening meetings. Any unused grant reserve appropriation expires at fiscal year end and is not carried over into the next fiscal year.
	REQUIRED BY LAW/CODE/REG?:

Fund/Division #: 1000-14720 Division Name: Foothills Recreation Center # of FTEs: 0 A6000: \$0 A7000: \$0 TOTAL: \$0	SERVICE DESCRIPTION: The Foothills Recreation & Aquatics Center is a family friendly community recreation center that provides quality recreational programming for all ages. The facility provides multiple levels of participation ranging from free use areas to fee-based added value programming that is priced according to the facilities cost recovery objectives. The facility operates 101.5 hours per week, 359 days a year.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: A total of 427,964 patrons visited and/or used the facility in 2010-2011.
	REVENUE GENERATION: 14720-410500 - \$1,387 14720-421600 - \$162,782 14720-421800 - \$576,426 14720-422000 - \$6,886 14720-422020 - \$10,162 14720-422030 - \$7,908 14720-422250 - \$99,632 14720-423400 - \$68,930 14720-424500 - \$22,902 14720-425600 - \$11,259 14720-451200 - \$1,936 14720-455800 - \$3,599 14720-456000 - \$2
	SERVICE ALTERNATIVES: 1) Pursue full cost recovery of the facility and delete all General Fund subsidy (approximately 350k); 2) Review all pass and fee rates and increase; 3) Outsource the entire operation; 4) Temporarily close the facility.
	IMPACT OF CHANGING SERVICES: 1 & 2) This may necessitate the increase of fees, which may have an impact on revenue; 3) Possible loss of control and will still require contract management; 4) Patrons and community may raise concerns.
	FTEs ASSOCIATED W/ SERVICE: 7
A6000/A7000 BUDGET TOTALS: A6000 - \$463,860 A7000 - \$962,614	

Fund/Division #: 1000-14720 Division Name: Passes # of FTEs: 1.3 A6000: \$100,000 A7000: \$225,000 TOTAL: \$325,000	SERVICE DESCRIPTION: Facility passes allow users to utilize a number of facility amenities including the fitness center, the gymnasium, walking track, etc.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Day Pass sales = 29,648 and Pass Scan visits = 143,519
	REVENUE GENERATION: 14720-421800 - \$576,426 14720-422020 - \$10,162
	SERVICE ALTERNATIVES: Outsource this operation.
	IMPACT OF CHANGING SERVICES: Additional overhead costs. Outsourcing of pass sales is not traditionally done & would lead to additional overhead costs.

Fund/Division #: 1000-14720 Division Name: Programs & FRAC Aquatics Classes # of FTEs: 2.5 A6000: \$150,000 A7000: \$150,000 TOTAL: \$300,000	SERVICE DESCRIPTION: This is an added value program that is fee-based beyond the normal pass holder privileges. This also includes FRAC swim lessons.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: There were 913 aquatics class registrations; 7,304 persons received lessons; and 863 attended the aquatics summer camp.
	REVENUE GENERATION: 14720-421600 - \$162,782
	SERVICE ALTERNATIVES: Outsource this operation.
	IMPACT OF CHANGING SERVICES: Less appeal to passholders, pass sales would suffer & revenue would decrease.

Fund/Division #: 1000-14720 Division Name: Aquatics Admission # of FTEs: 0.25 A6000: \$50,000 A7000: \$100,000 TOTAL: \$150,000	SERVICE DESCRIPTION: This program is basically the summer swim season at the FRAC.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: At total of 32,371 persons swam at the FRAC during the most recent summer season.
	REVENUE GENERATION: 14720-422250- \$99,632
	SERVICE ALTERNATIVES: Outsource this operation.
	IMPACT OF CHANGING SERVICES: Less appeal to passholders, pass sales might suffer & revenue would decrease.

Fund/Division #: 1000-14720 Division Name: Facility Rental # of FTEs: 0.5 A6000: \$40,000 A7000: \$30,000 TOTAL: \$70,000	SERVICE DESCRIPTION: FRAC classroom rentals, rockwall, gymnasium, etc.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: There were a total of 500 outside rentals of rooms at the FRAC in FY 2010-11.
	REVENUE GENERATION: 14720-423400 - \$68,930
	SERVICE ALTERNATIVES: Outsource this operation.

IMPACT OF CHANGING SERVICES:

Possible loss of quality control and ability to respond to issues with immediacy.

Fund/Division #: 1000-14720 Division Name: Aquatics Facility Rental # of FTEs: 0.1 A6000: \$10,000 A7000: \$40,000 TOTAL: \$50,000	SERVICE DESCRIPTION: Rentals of the Aquatics Center for various events (bday parties in summer) DV swim team for meets and practice, etc.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: There were 41 Party Rentals during the swim season.
	REVENUE GENERATION: 14720-424500 - \$22,903
	SERVICE ALTERNATIVES: Outsource this operation.
	IMPACT OF CHANGING SERVICES: Possible loss of quality control and ability to respond to issues with immediacy.

	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: N/A
	REVENUE GENERATION: 14720-422000 - \$6, 886
	SERVICE ALTERNATIVES: Outsource this operation.
	IMPACT OF CHANGING SERVICES: Possible loss of quality control and ability to respond to issues with immediacy.

Fund/Division #: 1000-14720 Division Name: Miscellaneous # of FTEs: 0.1 A6000: \$1,000 A7000: \$500 TOTAL: \$1,500	SERVICE DESCRIPTION:
	Entertainment in the Activity Room such as coin-fed arcade games.
	REQUIRED BY LAW/CODE/REG?:
	No
	CURRENT PERFORMANCE DATA:
	N/A
	REVENUE GENERATION:
	14720-455800 - \$3,599.79
	SERVICE ALTERNATIVES:
	Remove machines.
	IMPACT OF CHANGING SERVICES:
	Decreased user satisfaction from youth and teen patrons.

Fund/Division #: 1000-14720 Division Name: Concessions # of FTEs: 0.1 A6000: \$8,000 A7000: \$10,000 TOTAL: \$18,000	SERVICE DESCRIPTION:
	Includes all concessions sales at the front desk as well as shared revenue with contracted concessionaire.
	REQUIRED BY LAW/CODE/REG?:
	No
	CURRENT PERFORMANCE DATA:
	The concession sales are typically high-volume during the swim season and then fall off. In FY 2010-2011, the operation of this facility brought in \$11,260 in revenue.
	REVENUE GENERATION:
	14720 - 425600 - \$11,260
	SERVICE ALTERNATIVES:
	1) Run concession sales and generate revenue for FRAC; 2) Completely outsource all concession sales.
	IMPACT OF CHANGING SERVICES:
	1) Hire contractual staff to run concession operations and generate revenue; 2) Possible loss of quality control and ability to respond to issues with immediacy. Possible lower revenues

Fund/Division #: 1000-14720 Division Name: Taxable Revenue (Merchandise) # of FTEs: 0.1 A6000: \$1,500 A7000: \$8,000 TOTAL: \$9,500	SERVICE DESCRIPTION:
	Sales of non-food items at the front desk (locks, towels, sunscreen)
	REQUIRED BY LAW/CODE/REG?:
	No
	CURRENT PERFORMANCE DATA:
	This is a convenience function for FRAC patrons.
	REVENUE GENERATION:
	14720-451200 - \$1936.26
	SERVICE ALTERNATIVES:
	Outsource this operation.

IMPACT OF CHANGING SERVICES:

Possible loss of quality control and ability to respond to issues with immediacy.

Fund/Division #: 1000-14720 Division Name: Facility Operations Expenses not covered by Facility Revenue # of FTEs: 2 A6000: \$100,860 A7000: \$363,920 TOTAL: \$464,780	SERVICE DESCRIPTION: Costs of doing business (i.e. electricity, supplies, water, sanitation)
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: N/A
	REVENUE GENERATION: 0
	SERVICE ALTERNATIVES: Reduce Services, Outsource or Partnership
	IMPACT OF CHANGING SERVICES: Price Increases to the community, reduced program opportunities, and reduced recreational choices

Fund/Division #: 1000-14720 Division Name: Foothills Equipment Replacement Fund # of FTEs: 0 A6000: \$0 A7000: \$0 TOTAL: \$0	SERVICE DESCRIPTION: These are funds generated through corporate pass sales that are earmarked for equipment replacement (treadmills, bikes, etc.)
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: N/A
	REVENUE GENERATION: 14810 - \$18,322
	SERVICE ALTERNATIVES: Could potentially explore the lease of needed equipment for the FRAC.
	IMPACT OF CHANGING SERVICES: This might increase costs to City to provide the needed equipment.
	FTEs ASSOCIATED W/ SERVICE: NA
	A6000/A7000 BUDGET TOTALS: A7000 - \$15000

	<u>\$13,523</u>

Fund/Division #: 1000-13410 Division Name: Animal control services (Field Operations Admin) # of FTEs: 0 A6000: \$0 A7000: \$335,195 TOTAL: \$335,195	SERVICE DESCRIPTION: Contract with Maricopa county for animal control services, including "dog catcher services" and other various service response needs.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: The county currently responds to over 4,500 service activities related to stray or loose dogs, welfare checks, or response to dogs who are aggressive. Dog bite responses and stray dog responses make up the majority of calls. Dispatch service hours run from 7am to 10m, seven days per week.
	REVENUE GENERATION: There is no revenue that the city collects associated with this activity
	SERVICE ALTERNATIVES: No service alternatives identified at this time
	IMPACT OF CHANGING SERVICES: The City already has the Basic Level service for animal care and control. Reducing this service level would impact the number of activity responses provided to the community. The Basic Level service provided by the County is similar to other municipality service levels.

Fund/Division #: 1000-13410 Division Name: Field Operations Admin. # of FTEs: 2 A6000: \$293,614 A7000: \$0 TOTAL: \$293,614	SERVICE DESCRIPTION: Provides leadership, direction and management to five operating divisions; Facility Management, Street Maintenance, Equipment Management, Solid Waste Collection and Solid Waste Disposal. Also manage the Animal Control Contract.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Manage total operating budget of approx. \$42 million and full-time staff of 239 employees. Additional direct performance responsibilities include; 1) Plan Review for construction and planning drawings, 2) manage energy usage, rates and rebates, 3) manage CIP projects for Facilities, Streets and other department components (parks, bridges, lighting) 4) oversee ADA compliance and health/safety concerns for buildings, and 5) manage cemetery and graffiti operations.
	REVENUE GENERATION: There is no revenue that the city collects associated with this activity
	SERVICE ALTERNATIVES: None. Positions have already been reduced by 75% over past two years from 8 FTE's down to 2
	IMPACT OF CHANGING SERVICES: N/A

Fund/Division #: 1000-13420 Division Name: Cemetery # of FTEs: 2 A6000: \$124,143 A7000: \$102,985 TOTAL: \$227,128	SERVICE DESCRIPTION: Maintain Glendale Memorial Cemetery
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Provide 55 services annually, and care for 22 acres. The cemetery receives approx. 125 hours per week from community service workers.
	REVENUE GENERATION: Revenues from the cemetery are deposited in the general fund and are anticipated to recover 70% of operating costs in FY12
	SERVICE ALTERNATIVES: None.
	IMPACT OF CHANGING SERVICES: N/A

Fund/Division #: 1000-13430 Division Name: Manistee Ranch Maintenance # of FTEs: 0 A6000: \$0 A7000: \$5,113 TOTAL: \$5,113	SERVICE DESCRIPTION: Maintain the historical Manistee Ranch
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Provide electricity and service repairs
	REVENUE GENERATION: No Revenue
	SERVICE ALTERNATIVES: None
	IMPACT OF CHANGING SERVICES: N/A

Fund/Division #: 1000-13440 Division Name: Graffiti Removal # of FTEs: 3 A6000: \$170,188 A7000: \$68,874 TOTAL: \$239,062	SERVICE DESCRIPTION: Eradicate graffiti on public property
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Remove over 15,000 graffiti tags annually, within 24-hours during week, no weekend service
	REVENUE GENERATION: Receive restitution on cases prosecuted.
	SERVICE ALTERNATIVES: Service levels could be reduced, but would negatively impact visual appearance of city.
	IMPACT OF CHANGING SERVICES:

N/A

Fund/Division #: 1000-13450 Division Name: Facilities Management # of FTEs: 0 A6000: \$0 A7000: \$2,301,123 TOTAL: \$2,301,123	SERVICE DESCRIPTION: Electricity and Natural Gas
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Supplies the 914 utility accounts (electricity and natural gas) to city buildings, parks, decorative street lights, etc. (all except Water Services, street and traffic lights, and right of way controllers)
	REVENUE GENERATION: No revenue.
	SERVICE ALTERNATIVES: None.
	IMPACT OF CHANGING SERVICES: N/A

Fund/Division #: 1000-13450 Division Name: Facilities Management # of FTEs: 6.25 A6000: \$424,774 A7000: \$81,751 TOTAL: \$506,525	SERVICE DESCRIPTION: Service Repairs
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Provide repairs at over 150 buildings and over 70 parks to plumbing, electrical, and other components.
	REVENUE GENERATION: No revenue.
	SERVICE ALTERNATIVES: None.
	IMPACT OF CHANGING SERVICES: N/a

Fund/Division #: 1000-13450 Division Name: Facilities Management # of FTEs: 6.25 A6000: \$424,774 A7000: \$76,336 TOTAL: \$501,110	SERVICE DESCRIPTION: HVAC Preventative Maintenance services
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Complete routine HVAC preventative maintenance at over 150 buildings
	REVENUE GENERATION: No revenue.
	SERVICE ALTERNATIVES: None.
	IMPACT OF CHANGING SERVICES: N/A

Fund/Division #: 1000-13450 Division Name: Facilities Management # of FTEs: 0 A6000: \$0 A7000: \$188,248 TOTAL: \$188,248	SERVICE DESCRIPTION: Service contracts
	REQUIRED BY LAW/CODE/REG?: Yes - elevators, fire alarms, fire suppression, fire extinguishers
	CURRENT PERFORMANCE DATA: Service contracts: elevators, water conditioning, fire alarm panels, fire suppression, pigeon control, fire extinguishers, alarm monitoring
	REVENUE GENERATION: No revenue.
	SERVICE ALTERNATIVES: These services are already solicited through a competitive bid process.
	IMPACT OF CHANGING SERVICES: N/A

Fund/Division #: 1000-13450 Division Name: Facilities Management # of FTEs: 0.5 A6000: \$33,982 A7000: \$35,409 TOTAL: \$69,391	SERVICE DESCRIPTION: Alarms and Security Systems
	REQUIRED BY LAW/CODE/REG?: Yes
	CURRENT PERFORMANCE DATA: Provide staff and materials to support the alarm systems and security access to city buildings
	REVENUE GENERATION: No revenue.
	SERVICE ALTERNATIVES: None.

IMPACT OF CHANGING SERVICES: N/A

Fund/Division #: 1000-13450 Division Name: Facilities Management # of FTEs: 0.25 A6000: \$16,991 A7000: \$17,200 TOTAL: \$34,191	SERVICE DESCRIPTION: Vandalism, Damage and Emergency Response
	REQUIRED BY LAW/CODE/REG?: No.
	CURRENT PERFORMANCE DATA: Respond to over 180 emergency, after hours, events per year
	REVENUE GENERATION: No revenue.
	SERVICE ALTERNATIVES: None.
	IMPACT OF CHANGING SERVICES: N/A

Fund/Division #: 1000-13450 Division Name: Facilities Management # of FTEs: 0.5 A6000: \$33,982 A7000: \$0 TOTAL: \$33,982	SERVICE DESCRIPTION: Facility Enhancement

	REVENUE GENERATION: No revenue.
	SERVICE ALTERNATIVES: None.
	IMPACT OF CHANGING SERVICES: N/A

Fund/Division #: 1000-13460 Division Name: Custodial Services # of FTEs: 0 A6000: \$0 A7000: \$8,470 TOTAL: \$8,470	SERVICE DESCRIPTION: Special Events Support
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Provide Custodial staff and materials for special events. For example, Glitter requires approx. 350 staff hours
	REVENUE GENERATION: No revenue directly to department
	SERVICE ALTERNATIVES: None.
	IMPACT OF CHANGING SERVICES: N/A

Fund/Division #: 1000-13461 Division Name: Downtown Parking Garage # of FTEs: 0 A6000: \$0 A7000: \$63,000 TOTAL: \$63,000	SERVICE DESCRIPTION: Electricity
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Provide electricity to the facility.
	REVENUE GENERATION: No Revenue
	SERVICE ALTERNATIVES: None
	IMPACT OF CHANGING SERVICES: N/A

Fund/Division #: 1000-13461 Division Name: Downtown Parking Garage # of FTEs: 0 A6000: \$0 A7000: \$19,633 TOTAL: \$19,633	SERVICE DESCRIPTION: Maintenance
	REQUIRED BY LAW/CODE/REG?: Yes - elevators, fire alarms, fire suppression, fire extinguishers
	CURRENT PERFORMANCE DATA: Elevator service contract, water for landscaping and garage, fire suppression testing
	REVENUE GENERATION: No Revenue
	SERVICE ALTERNATIVES: None
	IMPACT OF CHANGING SERVICES:

Fund/Division #: 1000-13710 & 13715 Division Name: BofA Bank Building & Promenade at Palmaire # of FTEs: 0 A6000: \$0 A7000: \$312,979 TOTAL: \$312,979	SERVICE DESCRIPTION: Provide maintenance services.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Promenade building is 100% leased. B. of A. building is 80% leased.
	REVENUE GENERATION: \$539, 826 in revenue from the Promenade and the BofA.
	SERVICE ALTERNATIVES: These commercial buildings that the city operates are being managed by a professional service.
	IMPACT OF CHANGING SERVICES:
	A6000/A7000 BUDGET TOTALS: A7000 - \$312,979 Promenade Operating - \$56,400; BofA Operating - \$256,579

Fund/Division #: 1000-13720 & 13730 Division Name: Eng. Admin. & Design Division # of FTEs: 13 A6000: \$641,446 A7000: \$47,215 TOTAL: \$688,661	SERVICE DESCRIPTION: Engineering project management for city projects; also in-house design work. Survey services to City departments, as needed; Real estate services, internal to city projects and external to residents and developers, along with property management.
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: 32 CIP projects worth \$16 million; 29 in-house design projects.
	REVENUE GENERATION: \$653,000. Project Manager fees are charged for CIP related projects.
	SERVICE ALTERNATIVES: Projects need to be professionally managed. CIP oversight consisting of project managers ensure a quality work product.
	IMPACT OF CHANGING SERVICES: Could outsource 100% at 300% cost increase. Costs would be the burden of the client City departments.
	FTEs ASSOCIATED W/ SERVICE: 13

Fund/Division #: 1000-13770 & 13780 Division Name: Mapping and Records & Land Development # of FTEs: 4 A6000: \$399,965 A7000: \$35,402 TOTAL: \$435,367	SERVICE DESCRIPTION: Maps provided to both city staff (projects) and to the public. Integrates new mapping information into city master database. Plan review for construction drawings, minor land divisions; questions from developers and residents about engineering development standards including grading & drainage.
	REQUIRED BY LAW/CODE/REG?: Yes - State drainage & groundwater rules; federal and state water quality; federal floodplain (FEMA).
	CURRENT PERFORMANCE DATA: Mapping counter is open 8-5, five days/week. Mapping provided 2100 service requests. Construction plan review time is 20 days, or less.
	REVENUE GENERATION: Approximately \$95,000. Plan review fees collected: \$94,162. Mapping: of the approximate 2,000 requests/year, roughly 800 are internal by city staff (at no charge); and the remaining 1200 external map request generate approximately \$1,200 per year.
	SERVICE ALTERNATIVES: None. System mapping must be maintained.
	IMPACT OF CHANGING SERVICES:

Fund/Division #: 1000-13790, 13800 & 13820 Division Name: Construction Inspection, Materials Testing & Utility Inspection # of FTEs: 8 A6000: \$587,551 A7000: \$123,001 TOTAL: \$710,552	SERVICE DESCRIPTION: Construction inspection to ensure proper construction procedures to minimize future maintenance/failure. Testing the subgrade, asphalt & concrete to see that it meets specifications as delivered and is properly placed.
	REQUIRED BY LAW/CODE/REG?: Yes - County & City ordinance.
	CURRENT PERFORMANCE DATA: MAG & City Engineering standards for sub-grade, asphalt, and concrete.
	REVENUE GENERATION: \$183,268 fees for 15 CIP projects; \$812,806 collected in fees for private utility projects in FY12.
	SERVICE ALTERNATIVES: Future maintenance costs would significantly increase without inspection & testing.
	IMPACT OF CHANGING SERVICES:

Fund/Division #: 1000-16040 Division Name: Downtown Beaut. & Promotion # of FTEs: 2 A6000: \$89,216 A7000: \$22,500 TOTAL: \$111,716	SERVICE DESCRIPTION: Maintenance crew
	REQUIRED BY LAW/CODE/REG?: No
	CURRENT PERFORMANCE DATA: Daily maintenance in downtown, cleaning of alleys, replacing flowers
	REVENUE GENERATION: No direct revenue is generated from this activity

6th Annual Serve Day - Saturday, Feb. 25, 2012 Team Leaders and Volunteers Needed!

This year's Serve Day will be held on Saturday, Feb. 25 from 8 a.m. to noon. We are currently seeking volunteers to help with specific community projects. City employees are encouraged to participate and be team leaders! Projects include house painting, park clean ups, painting house numbers on the curbs, assisting residents with yard clean up, and much more. [Learn more](#) (pdf)

Local Government Networking & Professional Development Opportunity

Are you interested in learning more about local government and meeting your counterparts from local government all across the world? Well we have the opportunity for you! The International City/County Management Association (ICMA) is holding their national conference here in the valley October 7-10, 2012. As the host state, all communities are involved in the planning and coordination of this event. Glendale employees have an opportunity to get involved through several volunteer committees. Volunteers will have the opportunity to attend conference sessions for free the day they are volunteering either before or after their volunteer commitment. ICMA is dedicated to the development and advancement of local government management to create sustainable communities that improve the quality of life worldwide. As local government employees, this is a great opportunity to learn more about your profession and develop new skills. For more information, please take a look at the [volunteer flyer](#), and if you are interested submit the [volunteer application](#). If you have questions, your Glendale committee representatives will be happy to help, please feel free to contact Kristen Krey or Jean Moreno.

CITY OF GLENDALE MANAGEMENT & BUDGET

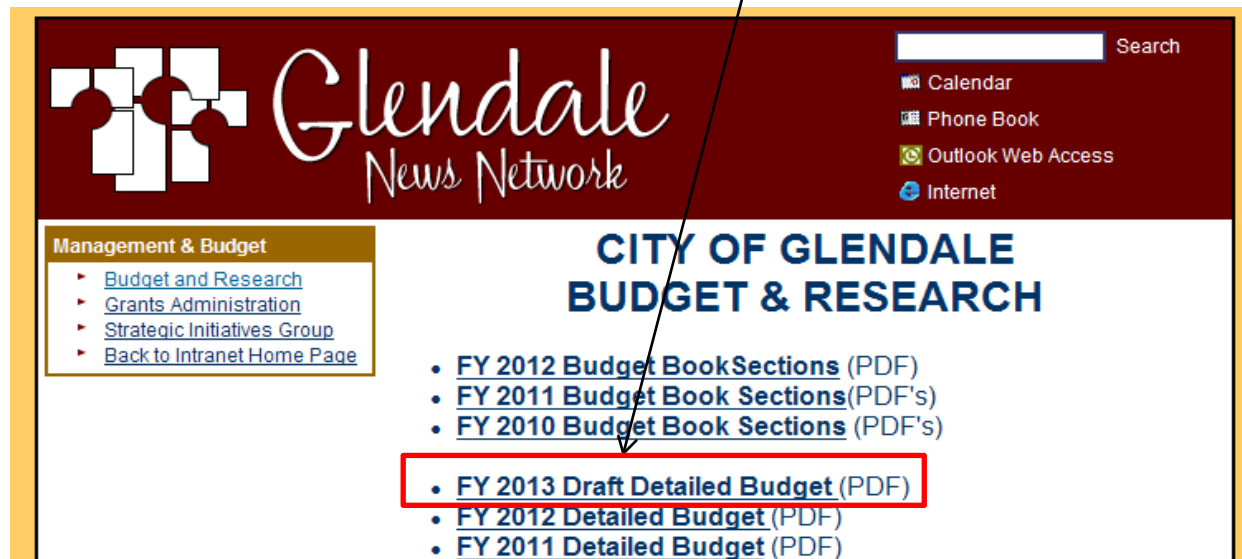

The Management and Budget Department consists of the Budget and Research and Grants Administration divisions.

The Budget and Research division provides budget development and budget management services to city departments, executive management and City Council. The Budget Department provides these services by conducting independent, objective and accurate expenditure and revenue analyses, as well as expenditure and revenue forecasts. These analyses and forecasts are based on the information available at the time they are produced and are developed in conjunction with all other city departments.

The Grants Administration division is responsible for coordinating the city's efforts to identify and obtain alternative funding for priority projects that advance the mission, goals and objectives established by the City Council and senior management. The grants administrator disseminates information about grant opportunities, writes grant applications, provides technical assistance in grant writing and implementation, maintains a grant database, administers the Grant Matching Fund and maintains positive relationships with government and private funders.
